In the world of monster trucks, no one builds bigger and more extreme rides--and has more fun in the process--than Heavy D, Diesel Dave, and their crew at DieselSellerz. Their larger-than-life creations and awesome truck giveaways are legendary, but for those less fortunate who haven't had the opportunity to experience a Bros' souped-up truck, this thrill-ride of a book is the next best thing. This book is an essential resource for all classic truck enthusiasts. It provides accurate information about locating and interpreting serial numbers (VINs) used on Dodge, Dodge Brothers, Graham Brothers, Plymouth, Fargo and De Soto trucks built from 1917 to 1980 in the United States and Canada, also from 1953 to 1963 in Australia. The material was compiled from hundreds of factory books and verified by checking thousands of trucks. You will find straightforward information about the year, models, engine sizes and wheel base options for each serial number. The pictures of tags and frame number locations along with the tables, and explanations lay out a clear path to finding and decoding the serial number for your truck. Whether you are searching for

information to identify a new purchase or verifying the year and model of a restoration project, this book gives you the tools you need!
