Whites Only In America Jan 18 2020 *The narrative tells the story of an elderly black couple in Indian Springs Georgia who worked for the Kyles in the Jim Crow South in 1930. It's a story of a horrible rape by her Southern White employer that resulted in the birth of a child that the black mother would never hold in her arms.*

The Book of Merlyn Nov 08 2021 *The long-lost conclusion to The Once and Future King, in which King Arthur faces his final battle against his son. This magical account of King Arthur's last night on earth, rediscovered in a collection of T. H. White's papers at the Harry Ransom Center at the University of Texas at Austin, spent twenty-six weeks on the New York Times bestseller list following its publication in 1977. While preparing for his final, fatal battle with his bastard son, Mordred, Arthur returns to the Animal Council with Merlyn, where the deliberations center on ways to abolish war. More self-revealing than any other of White's books, Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become The Once and Future King. The Book of Merlyn has been cited as a major influence by such illustrious writers as Kazuo Ishiguro, J. K. Rowling, Helen Macdonald, Neil Gaiman, and Lev Grossman. "Arriving from beyond the curve of time and apparently from the grave, The Book of Merlyn stirs its own pages, saying, wait: you didn't get the whole story. . . . It gives us a final glimpse of those two immortal characters, Wart and Merlyn, up close, slo-mo, with a considered and affectionate scrutiny. The book is an elegiac posting from a master storyteller of the twentieth century. Its reissue in our next century is just as welcome as when it first arrived forty years ago. . . . Certainly the moral questions about the military use of force perplex the world still. . . . The efficacy of treaties, the trading of insults among the potentates of the day, the testing of weapons, the weaponizing of trade—these strategies are still front and center. Rather terrifyingly so. We do well to revisit what that old schoolteacher of children, Merlyn, has been trying to point out to us about power and responsibility." —Gregory Maguire, bestselling author of Wicked, from the foreword "Such a small thing, The Book of Merlyn, to hold so much. Joyful and despairing, heartbreaking, yet full of hope. As wonderful and fearful to read today as it was when I first found it in 1978. And the world has as much need of it today as it did then—more, perhaps. But will the world be ready to listen?" —Mercedes Lackey, New York Times-bestselling author of the Valdemar and Elves on the Road series*

The Whites Are Enemies of Heaven Jun 03 2021 *In The Whites Are Enemies of Heaven Mark W. Driscoll examines nineteenth-century Western imperialism in Asia and the devastating effects of "climate caucasianism"—the white West's pursuit of rapacious extraction at the expense of natural environments and people of color conflated with them. Drawing on an array of primary sources in Chinese, Japanese, and French, Driscoll reframes the Opium Wars as "wars for drugs" and*

demonstrates that these wars to unleash narco- and human traffickers kickstarted the most important event of the Anthropocene: the military substitution of Qing China's world-leading carbon-neutral economy for an unsustainable Anglo-American capitalism powered by coal. Driscoll also reveals how subaltern actors, including outlaw societies and dispossessed samurai groups, became ecological protectors, defending their locales while driving decolonization in Japan and overthrowing a millennia of dynastic rule in China. Driscoll contends that the methods of these protectors resonate with contemporary Indigenous-led movements for environmental justice.

Ever After High: Raven Queen's Story Feb 23 2023 Raven Queen, the daughter of the Evil Queen, is destined to give the poisoned apple to Snow White's daughter. But Raven has a spark of rebelliousness in her heart and she knows one thing for sure-evil is so not her style. Read all about her getting ready to return to Ever After High in this excerpt from the upcoming book The Storybook of Legends.

The History of White People Jan 22 2023 A New York Times bestseller: "This terrific new book . . . [explores] the 'notion of whiteness,' an idea as dangerous as it is seductive."—Boston Globe Telling perhaps the most important forgotten story in American history, eminent historian Nell Irvin Painter guides us through more than two thousand years of Western civilization, illuminating not only the invention of race but also the frequent praise of "whiteness" for economic, scientific, and political ends. A story filled with towering historical figures, The History of White People closes a huge gap in literature that has long focused on the non-white and forcefully reminds us that the concept of "race" is an all-too-human invention whose meaning, importance, and reality have changed as it has been driven by a long and rich history of events.

A Previous Life May 14 2022 _____ 'Elegant, filthy - and quite possibly the queerest thing you will read all year.' - Guardian 'Intriguing and inventive.' - Electric Literature, "Most Anticipated LGBTQ+ Book of the Year" 'A dizzyingly enticing and kaleidoscopic take on the spectrum of sexual experiences.' - Publishers Weekly, starred review _____ A daring, category-confounding, and ruthlessly funny novel from National Book Award honored author Edmund White that explores polyamory and bisexuality, ageing and love. Sicilian aristocrat and musician, Ruggero, and his younger American wife, Constance, agree to break their marital silence and write their Confessions. Until now they had a ban on speaking about the past, since transparency had wrecked their previous marriages. As the two alternate reading the memoirs they've written about their lives, Constance reveals her multiple marriages to older men, and Ruggero details the affairs he's had with men and women across his lifetime-most importantly his passionate affair with the author Edmund White. Sweeping outward from the isolated Swiss ski chalet where the couple reads to travel through Europe and the United States, White's new novel pushes for a broader understanding of sexual orientation and pairs humor and truth to create his most fascinating and complex characters to date. As in all of White's earlier novels, this is a searing, scintillating take on physical beauty and its inevitable decline. But in this experimental new mode-one where the author has laid himself bare as a secondary character-White explores the themes of love and age through numerous eyes, hearts and minds.

Delightful, irreverent, and experimental, A Previous Life proves once more why White is considered a master of American literature.

Crisp Whites Oct 27 2020 *Surviving the pitfalls of a cross-cultural marriage, Nina, who is Irish, and her Greek husband, Stavros, are living a typical Australian love story. They have stuck together through the highs and lows, and their lives seem to be stable at last. But although Nina is a faithful wife and a joyful mother, she is also restless, craving something more from life. Making a radical detour, and in the face of her husband's doubts, Nina joins the Navy at age 33. Crisp Whites tells the story of her initial training, which turns out to be the most life-changing six months of all of her years. Tested beyond all her expectations, Nina begins to doubt her decision and wonders just what she has gotten herself into, as all of her assumptions about life are turned upside down. Thrown together with a motley crew of 25 men and women, Nina and the rest of the division must overcome physical, mental and emotional hurdles. Nina finds herself challenged and exhausted, but she is tougher than she ever realized. Join her tightly knit group as they learn weaponry, sea survival and the tremendous dangers that exist in the war-torn world around us. Author Noelani Morrell lives with her husband and two children in Brisbane, Australia. She believes that love always helps in any situation. She finds time to write during her 90-minute train commute to work, and gets so involved that she sometimes misses her station. Publisher's website: <http://www.strategicpublishinggroup.com/title/CrispWhites.htm>*

Apple White's Story Dec 21 2022 *At Ever After High, an enchanting boarding school, the children of fairytale legends prepare themselves to fulfill their destinies as the next generation of Snow Whites, Prince Charmings and Evil Queens . . . whether they want to or not. Each year on Legacy Day, students sign the Storybook of Legends to seal their scripted fates. For generations, the Village of Book End has whispered that refusing to sign means The End - both for a story and for a life. As the daughter of the Evil Queen, Raven Queen's destiny is to follow in her mother's wicked footsteps, but evil is so not Raven's style. She's starting to wonder, what if she rewrote her own story? The royal Apple White, daughter of the Fairest of Them All, has a happy ever after planned for herself, but it depends upon Raven feeding her a poison apple in their future. What if Raven doesn't sign the Storybook of Legends? It could mean a happily never after for them both.*

Whites Nov 20 2022 *Whether they are Americans, Brits, or a stubborn and suicidally moral Dutchman, Norman Rush's whites are not sure why they are in Botswana. Their uncertainty makes them do odd things. Driven half-mad by the barking of his neighbor's dogs, Carl dips timidly into native witchcraft—only to jump back out at the worst possible moment. Ione briskly pursues a career as a "seducer" ("A seductress was merely someone who was seductive and who might or might not be awarded a victory. But a seducer was a professional"), while her dentist husband fends off the generous advances of an African cook. Funny, sad, and deeply knowing, polished throughout to a diamond glitter, Whites is a magnificent collection of stories.*

Cherokee Mythology (Illustrated Edition) Mar 20 2020 *This eBook has been formatted to the highest digital standards and adjusted for readability on all*

devices. The myths given in this book are part of a large body of material collected among the Cherokee, chiefly in successive field seasons from 1887 to 1890, inclusive, and comprising more or less extensive notes, together with original Cherokee manuscripts, relating to the history, archeology, geographic nomenclature, personal names, botany, medicine, arts, home life, religion, songs, ceremonies, and language of the tribe. Contents: Historical Sketch of the Cherokee Stories and Story-tellers The Myths Cosmogonic Myths Quadruped Myths Bird Myths Snake, Fish, and Insect Myths Wonder Stories Historical Traditions Miscellaneous Myths and Legends

The Strike That Changed New York Feb 11 2022 "This book revisits the Ocean Hill-Brownsville crisis - a watershed in modern New York City race relations. Jerald E. Podair connects the conflict with the sociocultural history of the city and explores its influence on city politics, economics, and culture. Podair shows how the crisis became a symbol of the vast perceptual chasm separating black and white New Yorkers. And the legacy of this critical moment, when blacks and whites spoke past each other like strangers, has ever since played a role in city issues ranging from mayoral elections to budget negotiations, disputes over police violence, and debates on welfare policy. The book is a powerful, sobering tale of racial misunderstanding and fear, a New York story with national implications."--Jacket.

The Negro Motorist Green Book Dec 09 2021 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The White Book Jan 10 2022 Shortlisted for the 2018 Man Booker International Prize From Booker Prize-winner and literary phenomenon Han Kang, a lyrical and disquieting exploration of personal grief, written through the prism of the color white While on a writer's residency, a nameless narrator wanders the twin white worlds of the blank page and snowy Warsaw. THE WHITE BOOK becomes a meditation on the color white, as well as a fictional journey inspired by an older sister who died in her mother's arms, a few hours old. The narrator grapples with the tragedy that has haunted her family, an event she colors in stark white--breast milk, swaddling bands, the baby's rice cake-colored skin--and, from here, visits all that glows in her memory: from a white dog to sugar cubes. As the writer reckons with the enormity of her sister's death, Han Kang's trademark frank and chilling prose is softened by retrospection, introspection, and a deep sense of resilience and love. THE WHITE BOOK--ultimately a letter from Kang to her sister--offers powerful philosophy and personal psychology on the tenacity and fragility of the human spirit, and our attempts to graft new life from the ashes of destruction.

Fell in Love with a Band Oct 07 2021 Offers a profile of The White Stripes, the

musical duo of Jack and Meg White, detailing their meteoric rise to fame, offering a critical analysis of their music, and exploring their sometimes turbulent personal lives.

Whose Fair? Feb 28 2021 The 1904 St. Louis World's Fair was a major event in early-twentieth-century America. Attracting millions of tourists, it exemplified the Victorian predilection for public spectacle. The Fair has long served as a touchstone for historians interested in American culture prior to World War I and has endured in the memories of generations of St. Louis residents and visitors. In Whose Fair? James Gilbert asks: what can we learn about the lived experience of fairgoers when we compare historical accounts, individual and collective memories, and artifacts from the event? Exploring these differing, at times competing, versions of history and memory prompts Gilbert to dig through a rich trove of archival material. He examines the papers of David Francis, the Fair's president and subsequent chief archivist; guidebooks and other official publications; the 1944 film Meet Me in St. Louis; diaries, oral histories, and other personal accounts; and a collection of striking photographs. From this dazzling array of sources, Gilbert paints a lively picture of how fairgoers spent their time, while also probing the ways history and memory can complement each other.

The Once and Future King Apr 20 2020 DigiCat Publishing presents to you this special edition of "The Once and Future King" by T. H. White. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Greatest Story Never Told May 22 2020

A Country of Strangers Apr 01 2021 A Country of Strangers is a magnificent exploration of the psychological landscape where blacks and whites meet. To tell the story in human rather than abstract terms, the Pulitzer Prize-winning writer David K. Shipler bypasses both extremists and celebrities and takes us among ordinary Americans as they encounter one another across racial lines. We learn how blacks and whites see each other, how they interpret each other's behavior, and how certain damaging images and assumptions seep into the actions of even the most unbiased. We penetrate into dimensions of stereotyping and discrimination that are usually invisible, and discover the unseen prejudices and privileges of white Americans, and what black Americans make of them. We explore the competing impulses of integration and separation: the reference points by which the races navigate as they venture out and then withdraw; the biculturalism that many blacks perfect as they move back and forth between the white and black worlds, and the homesickness some blacks feel for the comfort of all-black separateness. There are portrayals of interracial families and their multiracial children--expert guides through the clashes created by racial blending in America. We see how whites and blacks each carry the burden of our history. Black-white stereotypes are dissected: the physical bodies that we see, the mental qualities we imagine, the moral character we attribute to others and to ourselves, the violence we fear, the power we seek or are loath to relinquish. The book makes clear that we have the ability to shape our racial landscape--to reconstruct, even if

not perfectly, the texture of our relationships. There is an assessment of the complexity confronting blacks and whites alike as they struggle to recognize and define the racial motivations that may or may not be present in a thought, a word, a deed. The book does not prescribe, but it documents the silences that prevail, the listening that doesn't happen, the conversations that don't take place. It looks at relations between minorities, including blacks and Jews, and blacks and Koreans. It explores the human dimensions of affirmative action, the intricate contacts and misunderstandings across racial lines among coworkers and neighbors. It is unstinting in its criticism of our society's failure to come to grips with bigotry; but it is also, happily, crowded with black people and white people who struggle in their daily lives to do just that. A remarkable book that will stimulate each of us to reexamine and better understand our own deepest attitudes in regard to race in America.

The Whites of Their Eyes Mar 12 2022 Americans have always put the past to political ends. The Union laid claim to the Revolution--so did the Confederacy. Civil rights leaders said they were the true sons of liberty--so did Southern segregationists. This book tells the story of the centuries-long struggle over the meaning of the nation's founding, including the battle waged by the Tea Party, Glenn Beck, Sarah Palin, and evangelical Christians to "take back America." Jill Lepore, Harvard historian and New Yorker staff writer, offers a careful and concerned look at American history according to the far right, from the "rant heard round the world," which launched the Tea Party, to the Texas School Board's adoption of a social-studies curriculum that teaches that the United States was established as a Christian nation. Along the way, she provides rare insight into the eighteenth-century struggle for independence--a history of the Revolution, from the archives. Lepore traces the roots of the far right's reactionary history to the bicentennial in the 1970s, when no one could agree on what story a divided nation should tell about its unruly beginnings. Behind the Tea Party's Revolution, she argues, lies a nostalgic and even heartbreaking yearning for an imagined past--a time less troubled by ambiguity, strife, and uncertainty--a yearning for an America that never was. The Whites of Their Eyes reveals that the far right has embraced a narrative about America's founding that is not only a fable but is also, finally, a variety of fundamentalism--anti-intellectual, antihistorical, and dangerously antipluralist. In a new afterword, Lepore addresses both the recent shift in Tea Party rhetoric from the Revolution to the Constitution and the diminished role of scholars as political commentators over the last half century of public debate.

Untangling a Red, White, and Black Heritage Oct 15 2019 Examining the legacy of racial mixing in Indian Territory through the land and lives of two families, one of Cherokee Freedman descent and one of Muscogee Creek heritage, Darnella Davis's memoir writes a new chapter in the history of racial mixing on the frontier. It is the only book-length account of the intersections between the three races in Indian Territory and Oklahoma written from the perspective of a tribal person and a freedman. The histories of these families, along with the starkly different federal policies that molded their destinies, offer a powerful corrective to the historical narrative. From the Allotment Period to the present, their claims of racial identity and land in Oklahoma reveal inequalities that still fester more than one hundred

years later. Davis offers a provocative opportunity to unpack our current racial discourse and ask ourselves, "Who are 'we' really?"

Dynamics Behind Persistent Images of "the Other" Nov 27 2020 In tourism, strangers meet face to face. What do Tanzanian Maasai and Western tourists think when they meet? Using a combination of methods that has never been tried in anthropology, or in the field of tourism studies, this work provides novel theoretical insights into the images hosts and guests have of each other, and how their views relate to the interactions they experience. This compelling reflexive study uses video and Q method to contribute to the epistemology of anthropological research in tourism settings, and the construction of a new, more symmetrical anthropology. Dissertation. ***An important contribution to the growing field of the anthropology of tourism, an example of intense and methodical fieldwork, combined with theoretical acumen and deep reflexivity.--Prof. Dr Walter E. A. van Beek (Tilburg U.) (Series: Contributions to African Research / Beiträge zur Afrikaforschung, Vol. 76) [Subject: African Studies, Tourism Studies, Anthropology, Sociology]

Snow White's Royal Wedding Jul 04 2021 Read along with Disney! Once the Prince awoke Snow White with a kiss, he asked her to be his wife. And now it's time to plan the wedding! Follow along with word-for-word narration as Snow White decides on the dress, the cake, and the carriage for her simple and sweet wedding.

Black Like Me Jan 30 2021 This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

Myths of the Cherokee Feb 17 2020 The myths given in this book are part of a large body of material collected among the Cherokee, chiefly in successive field seasons from 1887 to 1890, inclusive, and comprising more or less extensive notes, together with original Cherokee manuscripts, relating to the history, archeology, geographic nomenclature, personal names, botany, medicine, arts, home life, religion, songs, ceremonies, and language of the tribe. Contents: Historical Sketch of the Cherokee Stories and Story-tellers The Myths Cosmogonic Myths Quadruped Myths Bird Myths Snake, Fish, and Insect Myths Wonder Stories Historical Traditions Miscellaneous Myths and Legends

They Were White and They Were Slaves Sep 25 2020

My Time Among the Whites Jul 16 2022 From the author of *Make Your Home Among Strangers*, essays on being an "accidental" American—an incisive look at the edges of identity for a woman of color in a society centered on whiteness In this sharp and candid collection of essays, critically acclaimed writer and first-generation American Jennine Capó Crucet explores the condition of finding herself a stranger in the country where she was born. Raised in Miami and the daughter of Cuban refugees, Crucet examines the political and personal contours of American identity and the physical places where those contours find themselves smashed: be it a rodeo town in Nebraska, a university campus in upstate New York, or Disney World in Florida. Crucet illuminates how she came to see her exclusion from aspects of the theoretical American Dream, despite her family's attempts to fit in with white American culture—beginning with their ill-fated plan to name her after the winner of the Miss America pageant. In prose that is both

fearless and slyly humorous, *My Time Among the Whites* examines the sometimes hopeful, sometimes deeply flawed ways in which many Americans have learned to adapt, exist, and—in the face of all signals saying otherwise—perhaps even thrive in a country that never imagined them here.

***Fifty Stories from Ohio History* Jun 22 2020**

***Afraid of the Dark* Dec 29 2020 The definitive guide for anyone who has contact with people of another race--in companies, schools, neighborhoods, or other social situations--this book asserts that race is not the unfathomable mystery it is usually made out to be. In a revealing, accessible, and stimulating discussion based on little-known facts and innovative research, this book explains why many whites are uneasy about blacks and how blacks react to this, why numerous blacks suspect the worst from whites, why white explanations don't hold up, why myths about sex remain so prevalent, and what both races can do together to make their relations better.**

***The Storybook of Legends* Sep 18 2022 At Ever After High, an enchanting boarding school, the children of fairytale legends prepare themselves to fulfill their destinies as the next generation of Snow Whites, Prince Charmings and Evil Queens...whether they want to or not. Each year on Leg**

***What If White People Were Slaves?* Aug 05 2021 **WHAT IF WHITE PEOPLE WERE SLAVES** is a story taking place between 1810 and 1830 describing the lived experience of three adolescent-aged girls, and the challenges they faced in growing up during the days when white people were slaves here in America. **Book One** transports each reader to the early 1800s. **WHAT IF WHITE PEOPLE WERE SLAVES? Book One** Yrs. 1810 - 1830 Racism. Classism. Disenfranchisement. Discrimination. Prejudice. Sexism. A total lack of empathy. The American Dream... **N. D. Brennan and Honesty Brennan** asks one of the most profound questions of our generation: **Do you think white people would understand if they would have been born slaves, and if they're history was ours?** **WHAT IF WHITE PEOPLE WERE SLAVES?** introduces a tale of American history that will shock your system. This book represents storytelling at its finest but in waters that no one has ever dared to tread until now. **What If White People Were Slaves** essentially provides you and your neighbor with an opportunity to walk in each other's shoes by vicariously exposing you to the privileges and prohibitions that he, she, or that particular sect of our global community finds themselves inadvertently trapped inside of today. Two decades ago, the authors began to imagine a history that was radically different from what we each have experiences: where the roles of the races were inverted, while hypothesizing the type of country that would have consequently resulted. What do you believe would go through the mind of David Duke, the former Grand Wizard of the Ku Klux Klan, if he was forced to helplessly watch the likes of Kendrick Lamar or Idris Elba savagely yet legally beat and rape a young Taylor Swift, Surrey Cruise, or Elle Fanning in real life, and within a community where everyone knows but no one cares? In the alternative, would Black Lives still Matter if those black lives were instead white lives, and people of color were the privileged and enfranchised majority? These are the questions that we are possibly incapable of answering truthfully because these hypotheticals are so far-reaching from our dysfunctional reality. But the story of Reciprocal disturbingly**

yet wonderfully elevates your imagination where the utterly unimaginable is suddenly realized. Authors Honesty Brennan and N. D. Brennan paint a picture of American history that begins where white people are the slaves, and people of color are the slave masters. Dare to read this amazing lesson in history but only if you are willing to test a paradoxical irony that most Americans have never even imagined. What If White People Were Slaves is America's history, and the saddest story never told. Now...imagine life as we know it, history as we have been taught, but suddenly in the reverse... PREVIEW OF THE BOOK As Nakia and Summer both attempt to adapt to life without Summer's slave master and half-sister, and Nakia's best friend, Yuri, the community is forced to conform to new standards of living after one of the Caulker slaves savagely snuffs out the 9-year old's young life. A new and severely more egregious degree of slavery and global treatment of whites is suddenly instituted, which alters America's history for generations to come. This story reveals how the decision of one, crazed Caulker slave ultimately changed the entire course of history forever...and this is only the first fifteen. What If White People Were Slaves is the saddest tale of America's history never told.

The White Man in the Tree and Other Stories May 02 2021 "A comedy of cultural misunderstandings set in the Caribbean, New York, and Paris, a novella and eight stories about people who, because of their differences--between men and women, blacks and whites, Caribbeans and visitors, Jews and Christians, rich and poor--misjudge each other."--Jacket

The Whites Apr 13 2022 Sequestered to dead-end positions for nearly two decades after accidentally shooting a civilian, sergeant Billy Graves joins a third-shift group of New York detectives and investigates a brutal case with ties to his early career. By the author of Clockers.

White Men's Magic Nov 15 2019 Characterizing Olaudah Equiano's eighteenth-century narrative of his life as a type of "scriptural story" that connects the Bible with identity formation, Vincent L. Wimbush's White Men's Magic probes not only how the Bible and its reading played a crucial role in the first colonial contacts between black and white persons in the North Atlantic but also the process and meaning of what he terms "scripturalization." By this term, Wimbush means a social-psychological-political discursive structure or "semiosphere" that creates a reality and organizes a society in terms of relations and communications. Because it is based on the particularities of Equiano's narrative, Wimbush's theoretical work is not only grounded but inductive, and shows that scripturalization is bigger than either the historical or the literary Equiano. Scripturalization was not invented by Equiano, he says, but it is not quite the same after Equiano.

Teaching White Supremacy Dec 17 2019 A powerful exploration of the past and present arc of America's white supremacy—from the country's inception and Revolutionary years to its 19th century flashpoint of civil war; to the Civil Rights movement of the 1960s and today's Black Lives Matter. "The most profoundly original cultural history in recent memory." —Henry Louis Gates, Jr., Harvard University "Stunning, timely . . . an achievement in writing public history . . . Teaching White Supremacy should be read widely in our roiling debate over how to teach about race and slavery in classrooms." —David W. Blight, Sterling Professor

of American History, Yale University; author of the Pulitzer-prize-winning Frederick Douglass: Prophet of Freedom Donald Yacovone shows us the clear and damning evidence of white supremacy's deep-seated roots in our nation's educational system through a fascinating, in-depth examination of America's wide assortment of texts, from primary readers to college textbooks, from popular histories to the most influential academic scholarship. Sifting through a wealth of materials from the colonial era to today, Yacovone reveals the systematic ways in which this ideology has infiltrated all aspects of American culture and how it has been at the heart of our collective national identity. Yacovone lays out the arc of America's white supremacy from the country's inception and Revolutionary War years to its nineteenth-century flashpoint of civil war to the civil rights movement of the 1960s and today's Black Lives Matter. In a stunning reappraisal, the author argues that it is the North, not the South, that bears the greater responsibility for creating the dominant strain of race theory, which has been inculcated throughout the culture and in school textbooks that restricted and repressed African Americans and other minorities, even as Northerners blamed the South for its legacy of slavery, segregation, and racial injustice. A major assessment of how we got to where we are today, of how white supremacy has suffused every area of American learning, from literature and science to religion, medicine, and law, and why this kind of thinking has so insidiously endured for more than three centuries.

Our Town Sep 06 2021 The brutal lynching of two young black men in Marion, Indiana, on August 7, 1930, cast a shadow over the town that still lingers. It is only one event in the long and complicated history of race relations in Marion, a history much ignored and considered by many to be best forgotten. But the lynching cannot be forgotten. It is too much a part of the fabric of Marion, too much ingrained even now in the minds of those who live there. In Our Town journalist Cynthia Carr explores the issues of race, loyalty, and memory in America through the lens of a specific hate crime that occurred in Marion but could have happened anywhere. Marion is our town, America's town, and its legacy is our legacy. Like everyone in Marion, Carr knew the basic details of the lynching even as a child: three black men were arrested for attempted murder and rape, and two of them were hanged in the courthouse square, a fate the third miraculously escaped. Meeting James Cameron-the man who'd survived-led her to examine how the quiet Midwestern town she loved could harbor such dark secrets. Spurred by the realization that, like her, millions of white Americans are intimately connected to this hidden history, Carr began an investigation into the events of that night, racism in Marion, the presence of the Ku Klux Klan-past and present-in Indiana, and her own grandfather's involvement. She uncovered a pattern of white guilt and indifference, of black anger and fear that are the hallmark of race relations across the country. In a sweeping narrative that takes her from the angry energy of a white supremacist rally to the peaceful fields of Weaver-once an all-black settlement neighboring Marion-in search of the good and the bad in the story of race in America, Carr returns to her roots to seek out the fascinating people and places that have shaped the town. Her intensely compelling account of the Marion lynching and of her own family's secrets offers a fresh examination of the complex

legacy of whiteness in America. Part mystery, part history, part true crime saga, Our Town is a riveting read that lays bare a raw and little-chronicled facet of our national memory and provides a starting point toward reconciliation with the past. On August 7, 1930, three black teenagers were dragged from their jail cells in Marion, Indiana, and beaten before a howling mob. Two of them were hanged; by fate the third escaped. A photo taken that night shows the bodies hanging from the tree but focuses on the faces in the crowd—some enraged, some laughing, and some subdued, perhaps already feeling the first pangs of regret. Sixty-three years later, journalist Cynthia Carr began searching the photo for her grandfather's face.

Native Americans: 22 Books on History, Mythology, Culture & Linguistic Studies
Jul 24 2020 Native American Studies collection is formatted to the highest digital standards. The edition incorporates an interactive table of contents, footnotes and other information relevant to the content which makes the reading experience meticulously organized and enjoyable. High Steel and Great Whites: A Mystical Adventure Story Aug 17 2022
Charlotte's Web Oct 19 2022 Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of Stuart Little and The Trumpet of the Swan, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's Stuart Little and

Laura Ingalls Wilder's Little House series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, Charlotte's Web is a proven favorite.

The Mythology of Cherokee, Iroquois, Navajo, Siouan and Zuñi Aug 25 2020 This carefully edited historical collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Contents: The Myths of the North American Indians Myths of the Cherokee Myths of the Iroquois A Study of Siouan Cults Outlines of Zuñi Creation Myths The Mountain Chant - A Navajo Ceremony

White Fragility Jun 15 2022 The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.
