Although Cheryl Lowe's Latina Christiana program has been widely hailed for its easy to use format and student friendly layout, some parents asked us for something they could use with their young elementary children. So, we gathered together our years of experience with young Latin scholars and created Prima Latina, an introductory Latin course for students in kindergarten through fourth grades. Prima Latina was developed for young children who are still becoming familiar with English grammar and wish to learn Latin at a slower pace. The program provides 25 lessons, each including a grammar skill, 5 vocabulary words with corresponding English derivatives, a practical Latin phrase, and one line of a prayer that is learned in totality over five lessons. The exercises that accompany each lesson are thorough and provide constant review of materials learned throughout the course. After each five lessons, a review chapter summarizes the material covered and provides a keyed test to insure mastery. With grammar lessons appropriate for primary grades and an easy to read two color format, Prima Latina is the perfect choice for those who would like to start Latin early and lay the foundation of a rigorous language arts program. Prima Latina was written to transition directly into Latina Christiana allowing students to complete an entire Latin sequence without missing important concepts or vocabulary. Prima Latina is accompanied by an audio CD which includes pronunciation direction for each lesson and four beautiful hymns from Lingua Angelica. Because Latina Christiana I Flash Cards include every word in Prima Latina, they are an ideal study aid and a great investment for students who intend to continue on with Latina Christiana. Prima uses a clear and systematic format to introduce Latin to young students. It teaches important English and Latin grammar concepts as well as vocabulary, sayings, prayers, hymns, and constellation. Some of the material covered in Prima is: This Student Book provides a grammar-led approach with extensive exam preparation to develop independent, culturally aware students of German, ready for the exam.
