How do you say goodbye to your family for the last time? Poppy Day is thirty-two and married to her childhood sweetheart. She's a full-time mum of two gorgeous children and loves her homely little cottage in the countryside. It's the life she always wanted. But Poppy is so busy caring for others she hasn't noticed how tired she is, or the menacing lump growing on her breast. It's unthinkable that cancer could defeat such a strong and amazing woman. But life

doesn't always give you what you deserve... A young woman ends up along way from home after the first test of Earth's first faster than life spacecraft. There might not be a way back. WINNER OF THE ITW THRILLER AWARD FOR BEST FIRST NOVEL "My Sweet Girl pushes the boundaries of what a thriller can do."—The Washington Post "Fiendish [and] full of twists.... Sri Lankan author Amanda Jayatissa keeps us guessing and worrying until the very end." —The New York Times "A thriller centered on the meaning of identity and all the layers it can have."—NPR Paloma thought her perfect life would begin once she was

adopted and made it to America, but she's about to find out that no matter how far you run, your past always catches up to you... Ever since she was adopted from a Sri Lankan orphanage, Paloma has had the best of everything—schools, money, and parents so perfect that she fears she'll never live up to them. Now at thirty years old and recently cut off from her parents' funds, she decides to sublet the second bedroom of her overpriced San Francisco apartment to Arun, who recently moved from India. Paloma has to admit, it feels good helping someone find their way in America—that is until Arun discovers Paloma's

darkest secret, one that could jeopardize her own fragile place in this country. Before Paloma can pay Arun off, she finds him face down in a pool of blood. She flees the apartment but by the time the police arrive, there's no body—and no evidence that Arun ever even existed in the first place. Paloma is terrified this is all somehow tangled up in the desperate actions she took to escape Sri Lanka so many years ago. Did Paloma's secret die with Arun or is she now in greater danger than ever before? With sample problems and solutions, this book demonstrates how teachers can incorporate nine problem solving strategies into any

mathematics curriculum to help students succeed. As a divorced single mom on a long dating hiatus, she didn't think there was any way she could measure up against the competitors. In the back of her mind, her ex's hurtful message reared its ugly head: "You can't divorce me. You'll be 25 and divorced with

two kids. No one will want you." The thought of starting over and putting herself out there was frightening. But despite the self-doubt, Amanda made it onto Season 20. What nobody knew at the time was that her on-camera date with Ben was her first in almost three years. Talk about pressure! Ever since she made it to the final four on The Bachelor and ended up engaged on Bachelor in Paradise, media outlets and millions of fans, eager to learn Amanda's story, have tried to track her down. Amanda's friendly, heartfelt guidance will feel like a good friend offering her most personal advice on life, love, and self-care—and her wild stories will rival the juiciest gossip you've ever heard. If you're looking for a love like you've seen on the silver-screen, that doesn't exist. The good news is that the real thing is so much better. Amanda is more confident than ever in her search for love, and she hopes that sharing her stories and insights will help you find it,

too. Book description to come. For Ex-Navy SEAL, Carter Manning, nothing worthwhile is easy. Having lost the people he loved, he dedicates his life to the hard stuff to keep from looking back. The future is strictly about the next mission, not settling down or raising a family. When a rash of suicides plagues the Wind River Reservation in Wyoming, teen counselor Amanda Small calls on the Brotherhood Protectors to help investigate what she suspects are murders. Manning and Small team up to investigate, discovering an attraction neither expected nor wanted. As they close in on the truth, they become targets and must decide whether their love

and their lives are more important than stopping the next "suicide." "Make me, Channing. Make me fall. Push me, shove me, just make sure I get there." I shout at him, taking a step back. His eyes clash with mine. I read the challenge there, making me take another step back. He stalks the few steps to me and grabs my arms slamming his forehead down on mine, "I'll make you." His lips skim against mine as he continues to speak, "And I'll be falling right there with you." Paisley Vaughn grew up on the wrong side of the tracks. While her mother might have lied about her grandparents, no one is lying about Channing. He's beautiful, mean, arrogant, and turning her on. Before long a war is fought, leaving Paisley

MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberator "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart,

setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover

undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past? When Serena Dyksen heard the news that over 2,200 babies remains were found on the property of abortion doctor Ulrich George Klopfer, her whole body went numb from shock. She began to sob tears of grief. Is my baby one of those remains? she questioned. Dr. Klopfer performed her abortion when she was just thirteen years old. Just months before, Serena had decided to share her abortion story. After watching one of the last scenes in the pro-life movie Unplanned, she felt it was time

to share the hope and healing God had done in her life. Serenas story reads like a traumatic tale: a childhood of dysfunction, rape, abortion at thirteen years old, a pregnant teenager at the age of sixteen, health issues, and a devastating event that led her to alcohol and drug abuse. But in her book, *She Found His Grace: A True Story of Hope, Love and Forgiveness After Abortion*, Serena reveals the transforming power of Gods healing in her life that set her completely free. She now finds comfort from Genesis 50:20 (ESV): As for me, you meant evil against me, but God meant it for good, to bring it about that many people should be

kept alive, as they are today. Serena wants everyone who reads her book to know that she walks in freedom because of the transforming power of the gospel of Jesus Christ. Everyone needs to walk through the healing process of their past abortion, no matter what the circumstances, she testifies. If you don't, you will be walking through deception, pain, and all the bondage that goes with that. But the same God who sent people to show His love for me is the same God who will redeem your life too! Headlines of Dr. Ulrich Klopfers evil highlights the horrors of the abortion industry, but Serenas testimony overshadows that

darkness with the truth of God's word. There is forgiveness, hope, and healing for your past abortion. God shines through my life; he can shine through yours too!
