*The book that inspired the major new motion picture  
Mandela: Long Walk to Freedom. Nelson Mandela is one of  
the great moral and political leaders of our time: an  
international hero whose lifelong dedication to the fight  
against racial oppression in South Africa won him the Nobel*

*Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph. As a story-writer Premchand had become a legend in his own lifetime. The firmament of Premchand's stories is vast. In view of variety of topics, he, as though, had encompassed the entire sky of humane world into his fold. Each of Premchandji's stories unravels many sides of human mind, many streaks of man's conscience, the evils in some societal practices and heterogeneous angles of economic tortures. All this is done with complete artistry. His stories stir the readers' mind even today by means of their variegated layers of thoughts and feelings. They are all the heralds of human glories coming from the pen of a time-tested author. The very intrinsic nature of his stories, their external formats unfold their entire uniqueness and appeal to the reader's mind. Owing to such*

*special features Premchandji's stories are still relevant today, as much as they were five decades ago. The chief themes of his stories are rooted to the rural life with city social life appearing as the contrast to illustrate the complete picture of contemporary Indian life. The stories of Munshi Premchand, fighting on behalf of the downtrodden of the society, who are suffering from the social and economic agonies, are the strongest assets of our Literature. "Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons." "Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--BOOK JACKET. A must buy book as vouched by many experts in Mathematics! Partly autobiographical and Yashpal's first novel, Dada Comrade is an extraordinary book, fast-paced and philosophical by turn. It tells the story of a young revolutionary, Harish, who, towards the end of the 1930s, is expelled from his revolutionary party, which also plans to kill him as he knows too much. Meanwhile, he and Shailbala, a member of the party and the daughter of a wealthy Lahore industrialist, develop a romantic relationship. An unusual heroine, Shailbala is outspoken about sexual freedom and constantly challenges others about their patriarchal mindsets. As Harish escapes the party's clutches and organizes the railway workers of Lahore into striking en masse, he is framed by the British government that leads to his trial. Shailbala, on the other hand, confronts her father and decides to keep the child conceived with Harish. She finds a new ally in this decision- Dada, the ageing leader of Harish's revolutionary party who had earlier condemned him.
