**Five Novels** May 30 2021 Here in one volume are all five of Nathaniel Hawthorne's world-famous novels. "The House of the Seven Gables" moves across 150 years from an ancestral crime condoned by the Puritan theocracy to a new beginning in the bustling and democratic Jacksonian era. Hawthorne's masterpiece, "The Scarlet Letter," is a dramatic allegory of the social consequences of adultery and the subversive force of personal desire in a community of laws. "The Blithedale Romance" explores the perils, which Hawthorne knew at first hand, of living in a utopian community, and the inextricability of political, personal, and sexual desires. "Fanshawe" is an engrossing apprentice work which Hawthorne published anonymously and later sought to suppress. "The Marble Faun," his last finished novel, involves mystery, murder, and romance among American artists in Rome.

**The Cambridge Introduction to Nathaniel Hawthorne** Jul 20 2020 As the author of *The Scarlet Letter*, Nathaniel Hawthorne has been established as a major writer of the nineteenth century and the most prominent chronicler of New England and its colonial history. This introductory book for students coming to Hawthorne for the first time outlines his life and writings in a clear and accessible style. Leland S. Person also explains some of the significant cultural and social movements that influenced Hawthorne's most important writings: Puritanism, Transcendentalism and Feminism. The major works, including *The Scarlet Letter*, *The House of the Seven Gables* and *The Blithedale Romance*, as well as Hawthorne's important short stories and non-fiction, are analysed in detail. The book also includes a brief history and survey of Hawthorne scholarship, with special emphasis on recent studies. Students of nineteenth-century American literature will find this a rewarding and engaging introduction to this remarkable writer.

**Nathaniel Hawthorne: Collected Novels (LOA #10)** Jan 18 2023 Written in a richly suggestive style, Hawthorne's five world-famous novels are permeated by his own history as well as America's. In *The House of the Seven Gables*, Nathaniel Hawthorne alludes to his ancestor's involvement in the Salem witch trials, as he follows the fortunes of two rival families, the Maules and the Pyncheons. The novel moves across 150 years of American history, from an ancestral crime condoned by Puritan theocracy to reconciliation and a new beginning in the bustling Jacksonian era. Considered Hawthorne's greatest work, *The Scarlet Letter* is a dramatic allegory of the social consequences of adultery and the subversive force of personal desire in a community of laws. The transgression of Hester Prynne and Arthur Dimmesdale, the innate lawlessness of their bastard child Pearl, and the torturous jealousy of the husband Roger Chillingworth eventually erupt through the stern reserve of Puritan Boston. *The Scarlet Letter* engages the moral and romantic imagination of readers who ponder the question of sexual freedom and its place in the social world. *Fanshawe* is an engrossing apprentice work that Hawthorne published anonymously and later sought to suppress. Written during his undergraduate years at Bowdoin College, it is a tragic romance of an ascetic scholar's love for a merchant's daughter. *The Blithedale Romance* is a novel about the perils, which Hawthorne knew first-hand, of living in a utopian community. The utilitarian reformer Hollingsworth, the reticent narrator Miles Coverdale, the unearthly Priscilla, and the sensuous Zenobia (purportedly modeled on Margaret Fuller) act out a drama of love and rejection, idealism and chicanery, millennial hope and suicidal despair on an experimental commune in rural Massachusetts. *The Marble Faun*, Hawthorne's last finished novel, uses Italian landscapes where sunlight gives way to mythological shadings as a background for mysteries of identity and murder. Its two young Americans, Kenyon and Hilda, become caught up in the disastrous passion of Donatello, an ingenuous nobleman, for the beautiful, mysterious Miriam, a woman trying to escape her past.

**Hawthorne** Feb 13 2020 Handsome, reserved, almost frighteningly aloof until he was approached, then playful, cordial, Nathaniel Hawthorne was as mercurial and double-edged as his writing. "Deep as Dante," Herman Melville said. Hawthorne himself declared that he was not "one of those supremely hospitable people who serve up their own hearts, delicately fried, with brain sauce, as a tidbit" for the public. Yet those who knew him best often took the opposite position. "He always puts himself in his books," said his sister-in-law Mary Mann, "he cannot help it." His life, like his work, was extraordinary, a play of light and shadow. In this major new biography of Hawthorne, the first in more than a decade, Brenda Wineapple, acclaimed biographer of Janet Flanner and Gertrude and Leo Stein ("Luminous"—Richard Howard), brings him brilliantly alive: an exquisite writer who shoveled dung in an attempt to found a new utopia at Brook Farm and then excoriated the community (or his attraction to it) in caustic satire; the confidant of Franklin Pierce, fourteenth president of the United States and arguably one of its worst; friend to Emerson and Thoreau and Melville who, unlike them, made fun of Abraham Lincoln and who, also unlike them, wrote compellingly of women, deeply identifying with them—he was the first major American writer to create erotic female characters. Those vibrant, independent women continue to haunt the imagination, although Hawthorne often punishes, humiliates, or kills them, as if exorcising that which enthralls. Here is the man rooted in Salem, Massachusetts, of an old pre-Revolutionary family, reared partly in the wilds of western Maine, then schooled along with Longfellow at Bowdoin College. Here are his idyllic marriage to the youngest and prettiest of the Peabody sisters and his longtime friendships, including with Margaret Fuller, the notorious feminist writer and intellectual. Here too is Hawthorne at the end of his days, revered as a genius, but considered as well to be an embarrassing puzzle by the Boston intelligentsia, isolated by fiercely held political loyalties that placed him against the Civil War and the currents of his time. Brenda Wineapple navigates the high tides and chill undercurrents of Hawthorne's fascinating life and work with clarity, nuance, and insight. The novels and tales, the incidental writings, travel notes and children's books, letters and diaries reverberate in this biography, which both charts and protects the dark unknowable core that is quintessentially Hawthorne. In him, the quest of his generation for an authentically American voice bears disquieting fruit.

**Tooth of the Covenant** Apr 16 2020 "[Norman Lock's fiction] shimmers with glorious language, fluid rhythms, and complex insights." —NPR "[A] dazzling series. . . . Lock's supple, elegantly plain-spoken prose captures the generosity of the American spirit in addition to its moral failures, and his passionate engagement with our literary heritage evinces pride in its unique character." —Washington Post Best known for his novel *The Scarlet Letter*, Nathaniel Hawthorne was burdened by familial shame, which began with his great-great-grandfather John Hathorne, the infamously unrepentant Salem witch trial judge. In this, the eighth stand-alone book in *The American Novels* series, we witness Hawthorne writing a tale entitled *Tooth of the Covenant*, in which he sends his fictional surrogate, Isaac Page, back to the year 1692 to save Bridget Bishop, the first person executed for witchcraft, and rescue the other victims from execution. But when Page puts on Hawthorne's spectacles, his worldview is transformed and he loses his resolve. As he battles his conscience, he finds that it is his own life hanging in the balance. An ingenious and profound investigation into the very notion of universal truth and morality, *Tooth of the Covenant* probes storytelling's depths to raise history's dead and assuage the persistent ghost of guilt. Norman Lock is the award-winning author of novels, short fiction, and poetry, as well as stage and radio plays. He lives in Aberdeen, New Jersey, where he is at work on the next books of *The American Novels* series.

**Hawthorne** Nov 04 2021 It will be necessary, for several reasons, to give this short sketch the form rather of a critical essay than of a biography. The data for a life of Nathaniel Hawthorne are the reverse of copious, and even if they were abundant they would serve but in a limited measure the purpose of the biographer. Hawthorne's career was probably as tranquil and uneventful a one as ever fell to the lot of a man of letters; it was almost strikingly deficient in incident, in what may be called the dramatic quality. Few men of equal genius and of equal eminence can have led on the whole a simpler life. His six volumes of Note-Books illustrate this simplicity; they are a sort of monument to an unagitated fortune. Hawthorne's career had few vicissitudes or variations; it was passed for the most part in a small and homogeneous society, in a provincial, rural community; it had few perceptible points of contact with what is called the world, with public events, with the manners of his time, even with the life of his neighbours. Its literary incidents are not numerous. He produced, in quantity, but little. His works consist of four novels and the fragment of another, five volumes of short tales, a collection of sketches, and a couple of story-books for children. And yet some account of the man and the writer is well worth giving. Whatever may have been Hawthorne's private lot, he has the importance of being the most beautiful and most eminent representative of a literature. The importance of the literature may be questioned, but at any rate, in the field of letters, Hawthorne is the most valuable example of the American genius. That genius has not, as a whole, been literary; but Hawthorne was on his limited scale a master of expression.

*The Gorgon's Head (From: "A Wonder-Book for Girls and Boys")* Oct 03 2021 Nathaniel Hawthorne, an English writer interested in Greek philosophy, had an opinion that many of the classical myths were capable of being rendered into interesting reads for children. Thus, he compiled a book of 12 stories of Greek mythology with the aim to meet the comprehension of children. The story presented here is a part of the collection.

**Nathaniel Hawthorne In Context** Aug 01 2021 This volume provides a comprehensive overview of Nathaniel Hawthorne and demonstrates why he continues to be a critically significant figure in American literature. The first section focuses on Hawthorne's interest in and knowledge of past (Puritan and colonial) and contemporary nineteenth-century history (women's, African American, Native American) as the inspiration for his writings and the source of his literary success. The second section explores his fascination with social history and popular culture by examining topics as mesmerism, utopian life styles, theatrical performances, and artistic innovations. The third section looks at how Hawthorne succeeded and excelled in the literary marketplace, as an author of children's literature, literary sketches, and historical romances. In the fourth section, Hawthorne's literary precursors, peers, colleagues, and successors are analyzed. In the final section, Hawthorne's attachment to family, nature, and home is examined as the source of creative inspiration and philosophical questing.

*Hawthorne's Short Stories* Feb 19 2023 Twenty-four of the best short stories by one of the early masters of the form, in the definitive collection edited by acclaimed scholar Newton Arvin. Nathaniel Hawthorne was one of the greatest American writers of the nineteenth century, and some of his most powerful work was in the form of fable-like tales that make rich use of allegory and symbolism. The dark beauty and moral force of his imagination are evident in such enduring masterpieces as "Young Goodman Brown," in which a young man who believes he has witnessed a satanic initiation can never see his pious neighbors the same way again; "Rappaccini's Daughter," about a lovely young girl who has been raised in isolation among dangerous poisons; and "The Birthmark," in which a scientist obsessed with perfection destroys the flaw that makes his otherwise flawless wife both beautiful and human.

**The Scarlet Letter** Apr 09 2022 Hester Prynne is ostracized from her seventeenth-century Puritan community for refusing to name the father of her child, the product of an adulterous relationship.

*Selected Tales and Sketches* Dec 05 2021 The short fiction of a writer who helped to shape the course of American literature. With a determined commitment to the history of his native land, Nathaniel Hawthorne revealed, more incisively than any writer of his generation, the nature of a distinctly American consciousness. The pieces collected here deal with essentially American matters: the Puritan past, the Indians, the Revolution. But Hawthorne was highly - often wickedly - unorthodox in his account of life in early America, and his precisely constructed plots quickly engage the reader's imagination. Written in the 1820s, 30s, and 40s, these works are informed by themes that reappear in Hawthorne's longer works: The Scarlet Letter, The House of the Seven Gables and The Blithedale Romance. And, as Michael J. Colacurcio points out in his excellent introduction, they are themes that are now deeply embedded in the American literary tradition.

*Collected Novels and Short Stories by Nathaniel Hawthorne (Complete and Unabridged) Including the Scarlet Letter, the House of the Seven Gables, the B* Dec 17 2022 Nathaniel Hawthorne is described as the Shakespeare of American Literature. His novels and stories are mostly set in Puritan New England and are often dark, exposing the psychological complexity and evil within humanity. His literature contains layers of allegory which deepen and enrich the stories. This book contains three novel and three collections of Hawthorne's short stories. The novels are: The Scarlet Letter features the first heroine in American literature, a woman shunned for adultery who draws on her inner strength and resolve, unlike her male counterpoint who is divided and trapped by society. The House of the Seven Gables is a romance, but not very romantic, a study of the residents of the house who are pitifully poor and their endeavours to survive. It is one of Hawthorne's few books with a happy ending. The Blithedale Romance features three people caught in a love triangle: Hollingsworth, the Puritan, Zenobia, the suffragist and Priscilla, distant and aloof. A novel of depth and beauty and intrigue.
