Your role as trustee is governed by The Book of Discipline. Being a trustee of your local church is an important role and one in which you can take great pleasure. This Guideline is intended to be a guide as you begin fulfilling your responsibilities, and a reference throughout your tenure as trustee. This is one of the twenty-six Guidelines that cover church leadership areas including Church Council and Small Membership Church, the administrative areas of Finance and Pastor, and ministry areas focused on nurture, outreach, and witness including Worship, Evangelism, Stewardship, and Christian E. The United Methodist Church is endowed with certain responsibilities that allow scouting and civic youth serving programs to become a ministry. This is what differentiates us from a civic or community-based club. This guideline will help explain the Office of Civic Youth Serving

Agencies/Scouting (OCYSAS), the five chosen programs, and how to lead in this ministry area. This is one of the twenty-six Guidelines that cover church leadership areas including Church Council and Small Membership Church; the administrative areas of Finance and Trustees; and ministry areas focused on nurture, outreach, The Guidelines Manual is effective November 1, 2013- October 31, 2014. The 2013 amendments include some substantive, clarifying, and technical revisions to guidelines, policy statements, and commentary. As an aid to the reader in considering departures under the guidelines, the Guidelines Manual includes a list of departure provisions. The list appears at the back of the book, after the official Statutory Index (Appendix A) and the general index. For this edition, the general index has been redesigned to provide more references for more terms and generally make it easier to read, understand, and use. Appendix B (containing the principal statutory provisions governing sentencing as of May 1, 2013) is set forth in a separate volume. That volume is also enclosed. Appendix C sets forth guideline amendments and the accompanying reasons for amendment. Please take time to read the reasons for amendment when considering the amendments. A new supplement to Appendix C (containing guideline amendments effective November 1, 2012, and November 1, 2013) is included. You should already have Volumes I through III (containing guideline amendments effective November 1, 1987, through November 1, 2011, and the reasons for those amendments). Guidelines for Cardiac Rehabilitation and Secondary Prevention Programs, Fifth Edition, covers the entire scope of practice for cardiac rehabilitation and secondary prevention (CR/SP) programs. This text was developed by the American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR) and parallels federal guidelines for cardiac rehabilitation programs. It contains information on promoting positive lifestyle behavior patterns, reducing risk factors for disease progression, and lessening the impact of cardiovascular disease on

quality of life, morbidity, and mortality. Current Practice Guidelines in Primary Care 2013 draws information from many established CPG sources and presents summaries of the most relevant guidelines in an easy-to-use, pocket-sized package for use by any primary care clinician. It offers quick access to the latest guidelines for the most appropriate preventive services, screening methods, and treatment approaches for commonly encountered conditions in the outpatient setting. These WHO mhGAP guidelines were developed to provide recommended management strategies for conditions specifically related to stress, including symptoms of acute stress, post-traumatic stress disorder and bereavement. The guidelines were developed by an independent Guidelines Development Group and inform a new mhGAP module on the Assessment and Management of Conditions Specifically Related to Stress. You are the leaders of your church's involvement in social issues. As such, you will help your church members respond to social issues through education, making connection, and advocating for and responding to the needs of people around you and in the rest of God's world. Advances in medical, biomedical and health services research have reduced the level of uncertainty in clinical practice. Clinical practice guidelines (CPGs) complement this progress by establishing standards of care backed by strong scientific evidence. CPGs are statements that include recommendations intended to optimize patient care. These statements are informed by a systematic review of evidence and an assessment of the benefits and costs of alternative care options. Clinical Practice Guidelines We Can Trust examines the current state of clinical practice guidelines and how they can be improved to enhance healthcare quality and patient outcomes. Clinical practice guidelines now are ubiquitous in our healthcare

system. The Guidelines International Network (GIN) database currently lists more than 3,700 guidelines from 39 countries. Developing guidelines presents a number of challenges including lack of transparent methodological practices, difficulty reconciling conflicting guidelines, and conflicts of interest. Clinical Practice Guidelines We Can Trust explores questions surrounding the quality of CPG development processes and the establishment of standards. It proposes eight standards for developing trustworthy clinical practice guidelines emphasizing transparency; management of conflict of interest ; systematic review--guideline development intersection; establishing evidence foundations for and rating strength of guideline recommendations; articulation of recommendations; external review; and updating. Clinical Practice Guidelines We Can Trust shows how clinical practice guidelines can enhance clinician and patient decision-making by translating complex scientific research findings into recommendations for clinical practice that are relevant to the individual patient encounter, instead of implementing a one size fits all approach to patient care. This book contains information directly related to the work of the Agency for Healthcare Research and Quality (AHRQ), as well as various Congressional staff and policymakers. It is a vital resource for medical specialty societies, disease advocacy groups, health professionals, private and international organizations that develop or use clinical practice guidelines, consumers, clinicians, and payers. The Guidelines Manual is effective November 1, 2013- October 31, 2014.
