Who's Afraid of the Easter Rising? 1916-2016 Mar 29 2021 One hundred years ago, Easter 1916, Irish revolutionaries rose against the British Empire proclaiming a Republic from the steps of the General Post Office in Dublin. The men and women of the Easter Rising were defeated by the overwhelming force of the British Army, in five days of intense fighting. Their leaders were executed. But the Easter Rising lit a fire that ended with the whole country turning against Westminster's rule, and founding a nation. But today, the heirs to the Irish state are embarrassed about 1916. They are ashamed that their state owes its origins to a revolution. Along with academics and other commentators in the press and on television they dismiss the Rising as the work of violent fanatics, and the defeat of constitutional politics. *Who's Afraid of the Easter Rising?* explains why today's Dublin elite are recoiling from the origins of their state in a popular struggle. Where the critics paint the Rising as an armed conspiracy, we explain that it was in fact a revolt against war; not a militaristic upsurge, but the first challenge to the awful slaughter of the First World War. The Statesmen of Europe sacrificed millions upon the altar of war. Their recruiting sergeants in Ireland, Edward Carson and John Redmond sent 200,000 Irishmen into the slaughter and nearly 50,000 were killed. The Easter Rising drew a halt to British recruitment, and the blow to the Empire was the first crack in a growing revolt against the war, followed by the Russian Revolution in 1917, and the German revolution the following year – which ended the conflict. The Easter Rising was an inspiration to those who were challenging the Empires of Europe, from India to Vietnam, from New Zealand to Moscow; it was an inspiration to British activists like John Maclean and Sylvia Pankhurst; and it was an inspiration to the Irish men and women who rose up against British rule to free their nation.

Easter Jan 07 2022 Winner of the Mardi Gras and Waterstone's Book awards, longlisted for the Costa Novel award 'It's a delight to find a modern novel that takes religion and all the objections to it seriously as a subject: the rockpool of a London parish teems with all kinds of curious life' Philip Pullman 'Michael Arditti writes about Western Christianity, as it is manifest in the present Church of England, with pungency and satirical frankness. His style has Joycean echoes' Muriel Spark A Vicar and his congregation are caught up in a latter-day Passion story that will tear apart their lives. The parish of St Mary-in-the-Vale is preparing for Easter. In his Palm Sunday sermon, the Vicar explains that Christ's crucifixion and redemption are taking place every day. He little suspects that, before the week's out, he and his entire congregation will be caught up in a latter-day Passion story which will tear apart their lives. Michael Arditti's magnificent novel is both a devastating portrait of today's Church of England and an audacious reworking of the central myth of Western culture. Taking the form of a traditional triptych, it is at once intimate and epic, lyrical and analytic. Shocking events unfold against a backdrop of meticulously observed religious services. High Church ritual, evangelical revivalism and the ancestor-worship of the English gentry are all subjected to merciless scrutiny.

The Devil's Passion or Easter in Hell Jul 13 2022 Within the next hour, our operatives will isolate, engage and capture or kill the notorious leader of the most extreme, dangerous and contagious ideology to emerge in the modern era, whose terror activities represent the gravest threat to our interests across the region and the wider world. I refer, of course, to the radical preacher and populist demagogue Y'shua Bar-Yessuf – the man known, by way of shorthand to our operatives, as "Jesus†?". Satan, the narrator of Justin Butcher's one-man play who is looking out for our best interests, is on a mission to harness the ways of the dangerous extremist preacher Jesus. Jesus' radical teachings and popularity have the potential to wreak havoc in the Middle East. This is exactly the sort of man the government warn us of, again and again. This clever and evocative passion play from the devil's perspective considers Jesus' relevance to contemporary issues, and retells the story of Christ's life from the perspective of the enemy. The Devil's Passion received its world premiere in June 2015 at St James's, Piccadilly, and was revived and toured in 2016.

Prelude to the Easter Rising May 31 2021 Prelude to the Easter Rising casts light upon the clandestine activities of Sir Roger Casement in Imperial Germany from 1914 to 1916. German military intelligence and the Imperial Foreign Office had far-reaching plans to use the Irish in the war against Britain. Radical Irish-American leaders were behind Casement's mission to Berlin. It took some time for the highly sensitive and idealistic Casement to realize that neither the German General Staff nor the Imperial Chancellor was able or willing to lend full military support to the Irish. When Casement began to see that the rising would be a bloody massacre, he left for Ireland to halt the fatal development and, if necessary, sacrifice his own honour and life. The carefully edited documents contained in this volume, mostly from the German Foreign Office archives in Bonn, present a full record of Casement's activities prior to Easter 1916. Over 80 years later, these papers have lost none of their emotional intimacy.

Passing Over Easter Aug 02 2021 Chosen by Yahweh, saved by Jesus, Messianic Jews identify themselves as both Christian and Jewish and yet neither. Passing Over Easter brings this peculiar movement to life with an ethnographic look at Adat HaRauch, a Messianic Jewish congregation in Southern California. The ethnic Jews who have "found the Lord," the Gentiles with a "heart for Israel" that make up Adat HaRauch negotiate their identity borrowing from both traditions. The congregants see Yshua (the Hebrew name for Jesus) as the Jewish Messiah, the passover matzoh as symbolic of Yshua's body being broken for sinners, the New Testament as a fulfillment of the Old. Through participant observation, in-depth interviews, and reflections on her own beliefs and role as researcher, Feher paints a fascinating picture of this fluctuating religious group. Passing Over Easter makes a compelling read for sociologists concerned with new religious movements and group formation, students of Jewish identity and Jewish-Christian relations and anyone interested in the contemporary American religious scene.

Easter Fire Oct 04 2021 Widely embraced by homilists and those interested in reflecting more deeply on the daily Lectionary readings, Bishop Richard Sklba's Fire Starters: Igniting the Holy in the Weekday Homily has served as a practical resource for preparing engaging weekday homilies for Ordinary Time. After much anticipation, Bishop Sklba and coauthor Fr. Joseph Juknialis now offer Easter Fire, a welcome companion to support anyone called to preach at Easter weekday Masses. Easter Fire provides the biblical citations and summary phrases for the reading and the gospel plus the refrain from the psalm each day. After each citation, the authors offer a series of meaningful insights based on Scripture scholarship, their own prayerful reflection on the texts, and years of preaching and pastoral experience. These brief "bullet point" entries provide nuggets of knowledge and inspiration that will stimulate personal prayer and spark homily possibilities for the preacher every day. Easter Fire will ignite sparks that can be enflamed by God's Spirit, to not only enrich the spiritual journey but to add light and warmth for the preparation of weekday homilies during the Easter season.

The Christian Leader Sep 22 2020

Engaging Lent with Easter Joy Apr 29 2021 Lent—with its intensified practices of prayer, self-denial, and almsgiving—provides us with the opportunity to “wash away the negligence of other times.” But it is not a time to be dour and downcast. As Christians, we must keep in mind that Jesus was raised once and for all. St. Benedict reflects this point of view when he writes that while engaging in our Lenten practices, we should “look forward to holy Easter with joy and spiritual longing” and “with the joy of the Holy Spirit.” The ageless wisdom of Benedict presented in this eBook will assist you in making your own Lenten practices less about “giving up” something, and more about “taking up” the good that God offers us in becoming more fully children of the Resurrection.

The Easter Song May 11 2022

Ireland's 1916 Rising May 19 2020 In light of its upcoming centenary in 2016, the time seems ripe to ask: why, how and in what ways has memory of Ireland's 1916 Rising persisted over the decades? In pursuing answers to these questions, which are not only of historical concern, but of contemporary political and cultural importance, this book breaks new ground by offering a wide-ranging exploration of the making and remembrance of the story of 1916 in modern times. It draws together the interlocking dimensions of history-making, commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution, both instantaneous and long-term. In addition to furnishing a history of the tumultuous events of Easter 1916, which rattled the British Empire's foundations and enthused

independence movements elsewhere, Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present. In doing so, it unearths the far-reaching political impacts and deep-seated cultural legacies of the actions taken by the rebels, as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory. This volume also presents a wider perspective on the ways in which conceptualisations of heritage, culture and identity in Westernised societies are shaped by continuities and changes in politics, society and economy. In a topical conclusion, the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011, and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance.

The Miracle of Easter Nov 05 2021 This easy-to-read book with gentle illustrations tells the well-known Bible story of Easter. It's a perfect story for children who are learning about their religion and starting to read on their own.

The Easter Bunny Conspiracy Dec 18 2022 Set in late-1950s Los Angeles, the Easter Bunny Conspiracy is a grippingly funny coming-of-age tale told from the point of view of a precocious 12 year-old Catholic boy, Chris Kelly. Chris is struggling to find himself despite the burdens of his being as overweight as he is obsessed with and equally confused by girls, being as agnostic as he is Catholic, and as unsure as he is (almost) poised about coping with all the crazy but accepted traditions, customs, prejudices, contradictions and hypocrisies with which he's confronted each day. Chris' problem is that he hasn't yet figured out that he's right to be confused about everyone around him so readily accepting being grounded in one way or another on deceits such as what Chris calls that Easter Bunny thing. Chris' needs are simple - just to make his way in the world. Aided by flashbacks on his own experiences, Chris' story is about his overcoming the fiery crucible of the 3 days before his Confirmation, which enable him to reach his personal epiphany and stride with semi-confidence into his still-uncertain future with an ethically tolerable plan. Our voyage through these stormy adolescent seas is at once poignant and hilarious. Its bittersweet comedy at its best. You can't help but love it.
