Blood & Rust Jul 16 2022 Jai Stone... I met him in the shadows first. He was tall and broad-shouldered, a man walking a dangerous path of rage and revenge, barreling toward certain death. The more time we spent together, the more he showed me who he was. Captivating... Charming... Ferocious in his own way... I had no right following Jai into the abandoned industrial site, but I did, and that stupid mistake was all it took to rip me from my world of semi-normalcy and thrust me headfirst into the gritty criminal underground with Stone as my only ally. Aboveground, I'm a student nurse painfully dragging herself through an unfulfilling life, but down here, where men wear tattoos on their faces and kill without remorse, I'm a fraud living on borrowed time... ..and not much of it.

Untouchable Aug 05 2021 Senior year was off to a rough start: lube in my locker, panties on my front porch, unimaginative name-calling. See, I got a player suspended from the football team for harassing me, and in my small Texas town, you don't mess with the football players—even if they mess with you first. I didn't care if it was an unpopular thing to do; I stood up for myself... and in doing so, opened Pandora's Box. I never dreamed I would attract the attention of locally worshiped star quarterback, Carter Mahoney. Never imagined his coveted attention would turn out to be such a nightmare. Beneath his carefully constructed façade lurks a monster, a predator looking for the perfect prey to play with. Now, since I'm the girl no one likes or believes, I guess I'm the perfect target for his dark games and twisted desires. After surviving my first encounter with his casual depravity, all I really want is for Carter to leave me alone. But all he seems to want is me.--publisher description.

Burning Road Aug 17 2022 Sheltered by my political upbringing, I was destined to live a quiet and uneventful life - until James Creed, Vice President of the Devil's Cartel, barreled into my bedroom one hot summer evening. From that night on, I dreamt of leather, oil, and the biker covered in tattoos who rode a motorcycle so loud it hurt my ears. I craved to see the dark side of Exeter where the enigmatic men ran wild and free of the social and lawful expectations that ruled my life. My father's political campaign revolved around destroying the Devil's Cartel and cleansing the streets of Exeter. So I knew James Creed would always remain out of my reach.....until he wasn't. He was gorgeous, rough, and lethal. And as his hot leather passionately clashed with my delicate cashmere, I knew I had a decision to make, and I was torn. Do I continue to live my mundane life of luxury or give it all up to rule Exeter's underbelly?

Deliver Us May 14 2022 How do you win back a love you threw away with a careless text message? How do you win back a girl who can't stand the sight of you? Instead of penning the perfect, heartfelt love letter, or sending bouquets of roses, I followed Cassia from Arizona to New York City and moved in next door to her and her new boyfriend, Nick. Cassia claims her relationship with Nick is built on concrete, that I can't touch what they have, but I see the flash of desire in her eyes whenever she looks at me, feel the quickening of her breath on my face whenever I get close. I know better than to take her lies as truth. Their foundation is built on nothing more than crumbling bricks, and I'm wielding the sledgehammer that will smash it down.

Wolfish Apr 01 2021 Fate has a wicked sense of humor. When I was sixteen, I met the love of my life in magic school. He'd appear exactly once a year at the annual masquerade ball, then vanish... Fast forward to the present: to the night I'm attacked and my hidden wolf emerges. As it turns out, I'm a freakin' hairy, tail-wagging, shape-shifting werewolf so instead of returning to the human world after graduating, I'm dragged to Moon Valley to control my inner beast. Only problem is, I'm not just a wolf. And someone wants me dead because of it. When I meet the alpha heir, sparks fly. And bombshell-he's my supposed wolfy fated mate, but he's nothing like the boy I loved. He's cold, sullen, a total jerk but impossibly gorgeous. Of course. And he's got secrets too. Despite hating him most days, I can't deny the irresistible attraction...and neither can he. Even after he rejects me. Little does he know, I'm more than capable of taking care of myself-maybe even capable of taking his claim as alpha. If you love Leia Stone's *Wolf Girl*, Linsey Hall's *Darkest Moon* and Jaymin Eve's *Rejected*, start reading now! *** This is an upper YA/NA crossover with schmexy alpha wolves and is best suited for ages 16+. Panguru and the City: Kōinga Tahī, Kōinga Rua Feb 28 2021 Travelling from Hokianga to Auckland in the middle decades of the twentieth century, the people of Panguru established themselves in the workplaces, suburbs, churches and schools of the city. Melissa Matutina Williams writes from the heart of these communities. The daughter of a Panguru family growing up in Auckland, she writes a perceptive account of urban migration through the stories of the Panguru migrants. Through these vibrant oral narratives, the history of Māori migration is relocated to the tribal and whānau context in which it occurred. For the people of Panguru, migration was seldom viewed as a one-way journey of new beginnings; it was experienced as a lifelong process of developing a 'coexistent home-place' for themselves and future generations. Dreams of a brighter future drew on the cultural foundations of a tribal homeland and past. *Panguru and the City: Kōinga Tahī, Kōinga Rua* traces their negotiations with people and places, from Auckland's inner-city boarding houses, places of worship and dance halls to workplaces and Maori Affairs' homes in the suburbs. It is a history that will resonate with Māori from all tribal areas who shared in the quiet task of working against state policies of assimilation, the economic challenges of the 1970s and neoliberal policies of the 1980s in order to develop dynamic Māori community sites and networks which often remained invisible in the cities of Aotearoa New Zealand.

On Her Guard Oct 19 2022 I don't know how my life got so twisted. One day, I'm working as a cash guard, shooting the tires off a stolen vehicle, and the next I'm a guard for the only daughter of high-profile mob boss, Marco Ventilli. The twist? I've already met the five-foot-four, one-hundred-and-ten-pound bombshell that is Sera Ventilli. In fact, I've had her every way a man can have a woman, and if her father ever finds out, he'll skin me alive and bury me six feet under the hot sands of Las Vegas. I knew Sera looked like the worst kind of trouble-my gut told me she was-but she swore otherwise, and I lapped up every single lie she fed me, like a Goddamn idiot. All I had to do was keep the promise I made to my mother on her deathbed. Leave the Army, find a normal job and a good woman, and get on with my life. Yeah. So much for that.

Duke of My Heart Mar 20 2020 Captain Maximus Harcourt, the unconventional tenth Duke of Alderidge, can deal with tropical storms, raging seas, and the fiercest of pirates. Now he's at the mercy of the captivating Miss Ivory Moore of Chegarre & Associates, known throughout London for smoothing over the most dire of scandals. Miss Moore treats the crisis as though it were no more serious than a cup of spilt tea on an expensive rug. As though this sort of thing happened on the job every day. Max has never in all his life met a woman with such nerve. Her dark eyes are too wide, her mouth is too full, her cheekbones too sharp. Yet together, she's somehow...flawless. It's

just like his love for her, imperfect, unexpected - yet absolutely true.

Burn in Hail Aug 25 2020 One look at the sixteen-year-old, prim and proper town goody-two-shoes, Hennessy Hanes, and Tate Casey knows he's in trouble. He knows he should stay away from the preacher's daughter, but there's something about her he's drawn to, and he can't resist the pull. The more he gets to know her, the more he realizes that something isn't right. He may not be able put his finger on what it is, but he's determined to find out what's going on with the girl with the haunted eyes. Tate didn't anticipate that someone else would be just as determined to keep Hennessy's nightmare a secret, and he never realizes just how far that person is willing go to keep those skeletons in the closet until it's too late. With the very real threat of jail time hanging over his head, Tate leaves without a backwards glance at the town or the girl. The problem is that out-of-sight doesn't necessarily mean out of mind, and it's Tate who's now haunted by his decision and memories of Hennessy. *** Hennessy Hanes knows better than anyone not everything is always as it appears to be. After years of being on the receiving end of her squeaky-clean preacher father's abuse, she seizes an opportunity to leave it all behind and runs. Her only regret is that in walking away she loses any chance with the one person who tried to save her. *** Fast forward ten years, and they're both back where they started. Tate was never a good boy, and it turns out that the man he's now grown into isn't all that much better. Anger is a living, breathing part of him, and there's a court order forcing him to seek help from the one person he's never forgotten. Hennessy never thought she'd see Tate Casey again, and certainly not on her couch. But now it's her turn to save him, and there are rules she must follow as his psychologist, not to mention a court order instructing her to help him manage his anger. If she doesn't follow those rules, he'll end up back in jail. Tate Casey has never been a man who followed the rules, and Hennessy is no longer the straight-laced, timid preacher's daughter she once was. His hands may be tied, so it looks like for the first time in Hennessy's life, she'll be the one breaking the rules for the chance to finally get what she's always wanted. Him.

Into Temptation Sep 18 2022 I'm not a good Catholic girl. A good Catholic girl would never use church on Sunday to lust over the Father's son. A good Catholic girl would never pulse between her thighs and lose her breath over the boy who recites the closing prayer - even if his voice is low and sinful enough to make her toes curl in her

shoes. A good Catholic girl would never allow herself to be led into temptation by dirty, blond hair and dark eyes... And a good Catholic girl would never use Bible study as an excuse to be used and abused. But, like I said, I'm not a good Catholic girl... And he's FAR from a good Catholic boy. Caleb Andrews is everything I don't need, but he's everything I want... God help me.

A distraction with sex appeal poured into every inch of his six foot frame. A distraction who played like a god and partied like a devil. I tried to stay away. I couldn't. Then, the team started losing. Women started dying. And everything in my perfect world broke apart.
