Significant Conversations Mar 17 2020 Do you ever wonder why on earth you are here? You know, like how to find meaning in life, or your purpose in life? Why you actually exist on this planet? These are probably the most subtle, yet profound, questions people ask themselves every day and there're probably as many different answers to these questions as there are people asking them, too. This is why instead of asking yourself why you are here and what exactly it is you should be doing. This book contains 12 questions discussed (What is truth, good and evil, justice, liberty, equality, law, punishment, honor, friendship, relationships, happiness, and fate?) form the basis for much of what we know about living together successfully in a complicated world. Conversations about these questions will lead readers to think more clearly and make better judgments when faced with difficult life choices. This book focuses on 12 great questions we all have faced highlighting both their historical and

contemporary relevance in a highly readable way, using actual conversations between a professor and his students inside and outside of class.

Can two people who hate each other work together? Julie Radcliffe is the author of a wildly popular feminist blog called “ The Independent Woman. ” Her competitor, James Chopin of the masculinist “ Alpha James ” blog fame, have become rivals in the ultimate battle of the sexes. Now they have the chance to meet face to face, and both are nervous about what the other might do. When they appear on a national talk show together, things spin from civil to out of control in a heartbeat. The ensuing

battle instantly transforms their fame into notoriety. Before they know it, their lives become more than a little complicated on both the professional and the personal fronts. Now, in order to save their sinking careers in the blogosphere, the two combatants are forced to team up. Each must decide which is more important: being right or being employed. Can Julie and James accept that two heads are better than one—or will they keep butting those heads together to prove a point?

Friendship--It's Complicated Nov 17 2022 Too often our friendships with other women can be marked by drama, competition, betrayal, and unforgiveness. As women, we can cause one another deep pain, creating wounds in need of healing. But we were made for connection and healthy friendships with other women to cheer each other on and fulfill our God-breathed purpose--together. Through vulnerable personal stories laden with joy, heartache, mistakes, and lessons learned, Andi invites you on a journey of navigating the complications that can come in friendships with other women. With practical and biblical applications throughout, this book will empower you to do the work by first facing yourself and untangling the mess, then seeking reconciliation for genuine connection, and building authentic friendships, even when it's been painful or complicated in the past.

The Complicated Heart Aug 02 2021 How do you forgive when the wound is still open? People often ask Sarah, "How did you forgive your alcoholic mother?" How do you forgive someone who carelessly brushed aside your pain, who caused such destruction, and who doesn't show remorse? How do you know when to stay and when to go? In *The Complicated Heart*, you will travel through Sarah's story with her, from age 14 and beyond, as she wrestles with these very questions. Prepare yourself: she holds nothing back. If you've struggled with a difficult relationship, if you've felt torn-up and crazy and confused because of it, if you just want to know how to move forward and be okay, this story is for you. Dysfunction does not have to be your destiny or your identity. Victory is on the table. What's more: you'll not only travel with Sarah, you'll travel with her mom as well as you read her mom's journal entries and letters. What goes on in the mind of the person who hurt you the most? In this story, you'll get a rare peek into that mind and heart. In these pages you'll be reminded that light always finds a way in, even in the deepest darkness, and redemption and joy are possible in the midst of trauma and unmet needs. If you want to learn how to forgive when your wound is still open, heal when circumstances don't change, and become a generational bondage-breaker, *The Complicated Heart* is for you. And if not for you, for someone you know. Pass it along.

Bigfoot .... Sep 03 2021 Denver Rigglesman is a logical guy—he has to be, as a government data analytics expert.

But at the same time, he ' s been haunted since childhood by the memory of an inexplicable encounter with—Something—that he and his grandfather met unexpectedly in the woods. Denver ' s ongoing curiosity about what it might have been, and his fascination with the fringe element of Bigfoot Believers, leads him on an “ official ” investigation into the world of Bigfoot ' s fervent disciples and their eclectic belief systems. *The Mating Habits of Bigfoot* takes you deep into a world dedicated to studying a creature whose existence cannot be proved, but that doesn ' t stop its devotees from learning its habits, language, and dietary preferences. Wandering haphazardly through the woods, seeing things that aren ' t there and hoping for the miracle of provable contact, the Bigfoot crusaders attempt to find their evasive hero-God...while speculating about whether his anatomy is proportionate. Hilarious and thought-provoking, this book will challenge what you think you know about reality.

[Dot Complicated](#) Nov 24 2020 From Randi Zuckerberg, social media and technology expert and former marketing executive at Facebook, comes a welcome, essential guide to understanding social media and technology, and how they influence and inform our lives online and off. Technology and social media have changed, enhanced, and complicated every facet of our lives—from how we interact with our friends to how we elect presidents, from how we manage our careers to how we support important causes, from how we find love to how we raise our children. The technology revolution is not going away. We can't hide from it or

pretend that it's not changing our lives in a thousand different ways. So how do we deal with it? In *Dot Complicated*, Randi Zuckerberg shows us how. Through first hand accounts of her time at Facebook and beyond, where Zuckerberg witnessed this remarkable shift, she details the opportunities and obstacles, problems and solutions, presented by this new online reality. In the process, she establishes rules to bring some much-needed order and clarity to our connected, complicated, and constantly changing lives online. Invaluable, timely, and engaging, *Dot Complicated* reveals how to make it through your life online in one piece—from the etiquette of unfriending and the power of crowdsourcing to the perils of photo tags and the importance of teaching your kids how to be tech-savvy.

It's Not Complicated May 31 2021 In the new knowledge economy, traditional modes of thinking are no longer effective. Compartmentalizing problems and solutions and assuming everything can be solved with the right formula can no longer keep pace with the radical changes occurring daily in the modern business world. It ' s Not Complicated offers a paradigm shift for business professionals looking for simplified solutions to complex problems. In his straightforward and highly engaging style,

Rick Nason introduces the principles of “ complexity thinking ” which empower managers to understand, correlate, and explain a diverse range of business phenomena. For example, why some new products go viral while others remain unnoticed, how office cliques develop despite collaborative work policies and spaces, how economic bubbles form, and how an unknown retiree foiled one of the most carefully planned product launches ever with a single letter to the editor of his local newspaper. Rather than consider complicated and complex as interchangeable terms, Rick Nason explains what complexity is, how it arises, and the errors in solving complex situations with complicated thinking. It ’ s Not Complicated provides managers with fresh, counterintuitive, and actionable models for dealing with challenging business problems.

It's Complicated Jan 07 2022 Violet Archer has an amazing new job and an amazing man. She'd be dancing on the ceiling, if she didn't have a pathological hatred of dancing. And if she wasn't terrified of screwing up her first campaign as the creative director of a hot new ad agency. And if she didn't have to keep her relationship with her totally hot best friend, Ethan Fraser, a secret. And if Ethan's list of past conquests didn't read like a Who's Who of the bloody advertising industry. Violet thought she and Ethan were a rock-solid team. But under the weight of all the secrecy, she feels their relationship - and herself - begin to crumble like a stale croissant. There's no going back to when life was simpler and they had nothing to hide. But can Ethan and Violet find a way forward before it's too late? **DISCLAIMER:** My characters are just like real people - they drop the occasional f-bomb and have sex. If you don't like reading about such things then this book mightn't be for you.

Bluff Feb 25 2021 "She needed a husband... He needed the money. Preston: When an opportunity comes knocking, you shouldn't question it. Unless it comes in the form of a 5'2", feisty, loudmouth girl who just so happens to hate

your guts. The same girl you haven't been able to get out of your head for three years. But, I'm a gambler by nature. A risk taker. I just have to make sure I don't end up giving her more than what we both bargained for. Like the messed-up thing beating in my chest. Kit: There's no one on earth I hate more than Preston Holden. As if our past didn't give me enough of a reason--he's also a cocky, arrogant jerk with a gambling problem. Unfortunately for me, he just so happens to be the only guy I can ask to help me with my issue. It's simple. He needs the money. I need a husband. It's strictly business. A one-year stint between enemies. No strings. No feelings--other than our mutual dislike for one another. But the thing about hate? It can flip on a dime. It can have you questioning things about yourself you never thought you would. And if I'm not careful--things are going to get even more complicated between us. You know the saying--'til death do us part? Well, in our case? It includes all the complicated parts."--Amazon website.

Social Lives Jul 01 2021 Step into picture-perfect Wilshire, home to some of the most privileged people in the world, where one woman's desperate act could bring the precariously balanced social order crashing down... Wilshire, Connecticut, the gilded enclave of Manhattan's prosperous elite, appears to be a vision of suburban tranquility: the mansions are tastefully designed, the lawns are expertly manicured, and the streets are as hushed as the complexities in the residents' lives. While Wilshire's husbands battle each other in the financial world, their wives manage their estates and raise the next elite generation. Some women are envied, some respected, and others simply tolerated. But regardless of where they stand, each woman is defined by the world she inhabits and bound by the unyielding social structure that surrounds her. Rosalyn Barlow, the most envied woman in

Wilshire, is waging a battle of social manipulation to silence the scandalous gossip that threatens her daughter's reputation while her self-made billionaire husband grows more and more distant in his young retirement. But for fourteen year-old Caitlin Barlow, navigating life as a teenager in a culture of wealth and sexual promiscuity has become far more perilous than either of her parents knows. Newcomer Sarah Livingston has nothing but disdain for everyone and everything around her and a growing terror at having another child in a world she's come to resent. As she is pulled into the Barlow family's storm, the walls begin to close in around her marriage and the life she once thought she wanted. And for Jacqueline Halstead, who's just discovered her husband is under investigation for fraud surrounding his hedge fund, saving her family from total ruin means doing the unthinkable - and shaking the Barlow family, Wilshire's insular community, and herself to the core.

It's Complicated Jul 13 2022 Santa baby, I ’ ve really been an awful bad girl... If the city ever decides to put a sign on my front door, it will say, “ Good Girl Gone Bad. ” This year I am definitely on Santa ’ s naughty list and it ’ s not even my own fault. How was I supposed to know that when I asked for a boyfriend for Christmas, that my wish would be granted; with not one, but two suitors vying for my heart? When one problem becomes two... My two suitors are exact opposites. Lucas, the corporate hottie, wants me to spend Christmas Eve at his penthouse and Connor, the

bad boy rockstar wants to take me to an isolated cabin on Christmas Day. I've agreed to both invitations. Hey, a girl has to explore her options. The Christmas surprise I didn't see coming... And then everything went wrong. Because who couldn't see this trainwreck coming; besides from me? Both guys wanted to see me on New Year's Eve: each one sliding a naughty note under my door promising copious amounts of spiced eggnog and an even spicier night. The only problem was they'd both invited me to the same party. Turns out they were connected in a way I never saw coming. It's complicated doesn't even begin to express my dilemma. The only thing I know is that at midnight, the fireworks going off aren't just going to be in the sky.

Complicated Hearts (Book 1 of the Complicated Hearts Duet. ) Mar 29 2021 Breslin-I was in love with Asher Holden the moment I saw him...and I knew nothing would ever be the same. Then he hurt me. He wrecked me. He ruined me. I spent three years putting myself together-fixing what he broke.I never thought I'd see him again after that day. I was counting on it. Little did I know-life had other plans...and things were going to become a lot more complicated. Asher-I finally know who I am. I own it, I embrace it...I'm no longer afraid. I live my life with no regrets now, because I've learned my lesson-the hard way.I thought I had it all figured out. But then my past collides with my present...and things become complicated.Turns out I don't really know myself after all. Landon- My life was all mapped out. I knew exactly what direction I was

heading in-I didn't have time for any roadblocks or obstacles. Then I meet her. And him. Now, my heart is split right down the middle. She controls the rhythm. He controls the melody. Complicated doesn't even begin to cover it...and there's only one way this can end. Warning: This story is for mature readers only, due to language and sexual themes. This duet contains explicit content featuring m/f, m/m, m/f/m. Reader discretion is advised. Trigger Warning: This story is strange and unconventional. It's everything you hate. That's the only warning I can offer you.

A Complicated Love Story Set in Space Nov 05 2021 Black Mirror meets What If It 's Us in this gripping, romantic, and wildly surprising novel about two boys lost in space trying to find their way home—while falling in love—from the critically acclaimed author of *We Are the Ants*. When Noa closes his eyes on Earth and wakes up on a spaceship called Qriosity just as it 's about to explode, he 's pretty sure things can 't get much weirder. Boy is he wrong. Trapped aboard Qriosity are also DJ and Jenny, neither of whom remember how they got onboard the ship. Together, the three face all the dangers of space, along with murder, aliens, a school dance, and one really, really bad day. But none of this can prepare Noa for the biggest challenge—falling in love. And as Noa 's feelings for DJ deepen, he has to contend not just with the challenges of the present, but also with his memories of the past. However, nothing is what it seems on Qriosity, and the truth will upend all of their lives forever. Love is

complicated enough without also trying to stay alive.

The Lost Tales of Power May 19 2020 The Lost Tales of Power is a collection of novels that describe an immense persistent multiverse. The books are a mixture of standalone and miniseries all set in the same universe with overlapping and intertwining story lines. Included in this collection is the full text of *Enemy of an Enemy*, *The Academy*, and *Rise of Shadows*. In addition to the three complete novels, included is a brief introduction to each book. *Enemy of an Enemy*: Everything seemed to be going Vydor 's way, until the Dragon Claw was sent on a rather unusual assignment to investigate a minor incident deep within the Empire 's space. That would send Vydor down a path filled with fantastically powerful enemies and extraordinary friends that would obliterate everything he ever understood to be true and threaten the very foundations of the Empire itself. *The Academy*: The Empire had fallen, and the Imperial Navy was disbanded leaving James with nothing but his nightmares to remind him of the role he once played in The Great War. James must now face his new life in a new era where science and technology must share the stage with sorcery and wizardry, and a new ever-present shadow of evil lurks over the remnants of the once great Empire. *Rise of Shadows*: In *The Enemy of an Enemy*, darkness came to the Empire, and magic was born from the bowels of men 's fears. The great and mighty Imperial Navy had to face and overcome unspeakable horrors. In *The Academy*, fledgling wizards were gathered and trained to fight back and keep the light,

while the darkness laid in wait, biding its time and silently gathering its forces. Now as warriors of light, those wizards must begin to make a stand against the rising tide of darkness or watch their realm be overcome! The Lost Tales of Power is an open-ended series of Science-Fantasy books set in a vast multiverse. Lost Tales Series so far: Volume I - The Enemy of an Enemy Volume II - The Academy Volume III - Rise of Shadows Volume IV - Resurgence of Ancient Darkness Volume V - The Sac ' a ' rith Volume VI - Spectra ' s Gambit Volume VII - TBA Keywords: magic, space, space opera, science fantasy, space exploration, military space, future, military sci-fi, science fiction series, aliens, adventure, war, navy, series, science fiction novels, science fiction ebooks
