A haunted sanctuary. A deranged god. Some things can never be undone ... The horrors Damian has defeated—or caused—with his own hands are nothing compared to what's coming. Philip brought his

reign of terror down in an assault on Damian's family. Now, an enraged necromancer hungers for retribution. Philip's twisted agenda is far from finished. He and his army of necromancers are on the move, descending on the world as harbingers of a great darkness. Aligning himself with Ezekiel, the mad god, Philip plans to unleash a power that will bring mankind to its knees. Now they must seek out an old ally who may hold their only hope of salvation, and perhaps allow Damian and Zola to prevent Ezekiel's return. As Philip's ever-growing horde of demons emerge, however, they'll have to hope their combined efforts will be enough. In a galaxy tied together by the magic of the elite Jump Magi, Damien Montgomery is a newly graduated member of their number. With no family or connections to find a ship, he is forced to service on an interstellar freighter known to be hunted by pirates. When he takes drastic action to save the Blue Jay from their pursuers, he sets in motion a sequence of events beyond his control – and attracts enemies on both sides of the law! Starship's Mage was originally released as five separate episodes. An Englishman, a Northern Irishman, a Scotsman and a Welshman walked into a recording studio and created The Union. Commercially successful and critically acclaimed, the pioneering indie rock band is now on the verge of breaking up. When financial disaster strikes and Scottish guitarist Barry leaves the band, artistic differences go head to head with alliances that run deep, can The Union survive? With live music from a four-piece ensemble, I'm With the Band is a witty and timely response to our changing political landscape. To find out who he is, he must discover who he became. Finsbury Gage will do anything to find the man who murdered his wife. He'll withhold information from his superiors in the Psychorhythm Crime Unit. He'll cut corners. He'll steal evidence. He'll even augment his prosthetic brain with illegal code. But once he's tasted the power of living at the speed of thought, able to predict seconds into the future, how will he ever go back? And

once he's relaxed his grip on humanity, how far will he let it slip to find justice for his wife? He'll find out eight months later, when he wakes once again in a new body with a new name and no memory of his first restoration. He soon discovers he was somehow involved in a series of mindjackings, his friends and colleagues disappeared or locked-up for crimes they don't remember committing. And the person behind them is still out there. Hunting for him. To find out who he is, Finsbury Gage will have to discover who he became--but will he be able to live with himself when he does? Neuroshyft is the second book in the Lost Time series, a mind-bending sci-fi noir in the spirit of Blade Runner, Altered Carbon, and Neuromancer. The complete first trilogy of the stunning sci-fi series Lost Time. For fans of Blade Runner, Altered Carbon, and the Matrix—a mind-bending sci-fi action blockbuster that'll keep you guessing all the way to the end. They say you never forget the first time you die. Finsbury Gage knows this better than anyone. Now that he's gone digital, he sees his death every time he closes his eyes—he and his wife, smeared across the highway after a malfunctioning bit-head ran them down in a stolen urban assault vehicle. He hung together long enough for the Second Skyn recovery team to rescue his fading thoughts from his ruined body and implant them in a custom-grown bioSkyn. His wife wasn't so lucky. With his salvaged mind uploaded to a state-of-the-art replacement body, feeling better than new, Fin is dumped back into his life—and quickly falls into a dangerous underworld of plastic minds and enhanced bodies, where death is cheap, and memory all that matters. And now that his brain is on speed dial, he's replaying his last thoughts over and over, tormented by his wife's final scream and the split-second image of her killer's face. Finsbury's going to find the man who stole his future, no matter what he has to do. Or who he has to become. *** Second Skyn is the first book in the Lost Time series, a hard-edged cyberpunk noir in the spirit of Phillip K. Dick, Neal Stephenson, and

William Gibson. If you love your sci-fi relentless and armed with twists, this is what you've been looking for. *** Here's what people are saying: "Mashup Alice in Wonderland, Blade Runner, Total Recall, The Matrix and smatter it with some Larry Niven and you'll start to get a feeling for how many tracks this collection will have you on.. all at the same time and all at breakneck speed...Be prepared for what you can't prepare yourself for and you'll be richly rewarded." - Amazon.com Review "Highly recommended for binge reading..." - Amazon.com Review "Absolutely Riveting..." - Amazon.com Review "A great concept and excellent writing. I think this just might be my new favorite series." - Amazon.com Review "Scary technology and a ripping story-line..." - Amazon.co.uk Review "This book is brilliant." - Amazon.ca Review "Today we see that a compelling premise, revealed quickly, can suck readers right down the rabbit hole...and so far I am 100% hooked and chasing the rabbit as deep and as fast as the story hole will let me." - Jefferson Smith, CreativityHacker.ca This paper presents a detailed assessment report on the observance of China's compliance with the International Association of Insurance Supervisor's insurance core principles. The China Insurance Regulatory Commission employs a rules-based framework and has achieved a high level of regulatory compliance from supervised companies. The market demand for skilled resources continues to increase and must be satisfied if the projected rate of development is to be sustained; compromises on the suitability of personnel should be avoided at all costs. Enjoy this paranormal women's fiction from best-selling author Deborah Wilde. Featuring intelligent snark, a slow burn shifter romance, and the perfect dash of steamy sexiness, this complete mystery adventure series will take you on a hilarious wild ride. Miriam Feldman's life has become Running Man with a side of Squid Game when she'd much prefer The Great British Bake Off. When Miri partners up with her detective ex-husband on an off-the-books

magical missing persons operation, she expects buddy cop adventures galore. Instead, she gets more than she bargained for, starting with a mouthy golem who's forced onto the team. Their mission? Crash a secret—and deadly—competition targeting non-magic humans to rescue the young woman at the heart of their case. So, a regular Thursday nowadays. If that funhouse of horrors wasn't enough, she still must fulfill her oath to a master vamp by locating the artifact bound up with her parents' murders almost thirty years ago. He refuses to say why he wants it, but all signs point to "Danger Danger Will Robinson." All of that leaves no time in her schedule for sexy times with a certain wolf shifter. Which is probably just as well, seeing as he doesn't know she's been forced to keep secrets from him, too. Laugh? Cry? Coffee! The antics of this midlife heroine who takes no crap and makes zero excuses are perfect for fans of *Grimoires of a Middle-Aged Witch*, *Order of Magic*, *Accidental Witches*, *The Hollows*, *Leveling Up*, the *Forty Proof* series, and *Good to the Last Death*. Get it now! "OMG you guys!!! Everything is right with the world." - P. Moore

Climbing Mount Implausible showcases a writer's growth though nearly fifty years of questing into the future. It includes his first published stories, plus detailed notes on his own evolution as a writer, his recent Philip K. Dick tribute, "Dead Air," and an outrageously funny collaboration with Paul Di Filippo, "Cockroach Love." In this "riveting read, meshing memoir with scientific explication" (*Nature*), a world-renowned neuroscientist reveals how he learned to communicate with patients in vegetative or "gray zone" states and, more importantly, he explains what those interactions tell us about the working of our own brains. "Vivid, emotional, and thought-provoking" (*Publishers Weekly*), *Into the Gray Zone* takes readers to the edge

of a dazzling, humbling frontier in our understanding of the brain: the so-called “gray zone” between full consciousness and brain death. People in this middle place have sustained traumatic brain injuries or are the victims of stroke or degenerative diseases, such as Alzheimer’s and Parkinson’s. Many are oblivious to the outside world, and their doctors believe they are incapable of thought. But a sizeable number—as many as twenty percent—are experiencing something different: intact minds adrift deep within damaged brains and bodies. An expert in the field, Adrian Owen led a team that, in 2006, discovered this lost population and made medical history. Scientists, physicians, and philosophers have only just begun to grapple with the implications. Following Owen’s journey of exciting medical discovery, *Into the Gray Zone* asks some tough and terrifying questions, such as: What is life like for these patients? What can their families and friends do to help them? What are the ethical implications for religious organizations, politicians, the Right to Die movement, and even insurers? And perhaps most intriguing of all: in defining what a life worth living is, are we too concerned with the physical and not giving enough emphasis to the power of thought? What, truly, defines a satisfying life? “Strangely uplifting...the testimonies of people who have returned from the gray zone evoke the mysteries of consciousness and identity with tremendous power” (*The New Yorker*). This book is about the difference between a brain and a mind, a body and a person. *Into the Gray Zone* is “a fascinating memoir...reads like a thriller” (*Mail on Sunday*). A world that defies all law and authority should be a safe port from the forces of the Mage-King of Mars. But other powers have learned about the Blue Jay, whose Ship’s Mage has transformed her into a deadly weapon. Bounty hunters trail Damien Montgomery and the crew at every turn, forcing them to seek new allies. With both the criminal underworld and the soldiers of Mars pursuing them, they make a deal for a risky delivery in

the shadow of a dead system. On the run, the Blue Jay and her crew set a course for the Fringe worlds, trailed by powerful forces who will stop at nothing to bring them to heel. Starship's Mage is space opera set in a future we would never have predicted: where humanity's far flung interstellar colonies are tied together by the Protectorate of the Mage King of Mars and the magic of the Jump Mages. Starship's Mage: Episode 4 is a 23,775 word novella, the fourth of five in a serial. Episode 5 is scheduled for release in December of 2014. The Shades Of Gray Series follows the adventures of Kat, a woman with no memory of her past who is called the Pandora Project by those who hunt her, and Kim, a woman leading the life of a legal assassin called a Life Closer. The world they live in is plagued by clouds that prevent the sun from shining down on the land called Dry Clouds, making all who live in Noir forced to live in endless night. They should be a disaster in the making. Good thing they don't believe in words like "should." Nicole People think I'm crazy...especially my ex-boyfriends. I prefer the term misunderstood. Still, there's no denying I have a stunning ability to make bad decisions...like seducing the lead actor of the theater company where I just accepted a job. An HR job. In my defense, Damien Mitchell is the most gorgeous man alive, and worse, he's interesting. Besides, I'm ninety percent sure my new boss is up to something shady. Why should I behave if she won't? I fully intend to find out what she's doing, but in the meantime I'm reeled in by Damien. The thing is, it turns out he isn't just a fantastic actor at a crappy theater. He's— Well, it's his secret. But I promise it's a good one. I'm going to help him with that and with saving the theater. Whether he wants me to or not. *** Damien I'm the only child of two rich narcissists. I'm used to being alone. I like it. But Nicole's not the kind of woman who can be kept at a distance, and to my surprise, I don't want to stay away. She sets my blood on fire and pisses me off...and makes me feel alive in a way I'd previously only experienced onstage. I tell her my secrets. I show her my scars. I let her in. We're both screwed up, so there's every chance we'll destroy each other, but she's not the only one who's prone to

bad decisions. A full-length standalone prequel to the Bad Luck Club series! The greatest of monster hunters forms an unlikely alliance with the greatest of warlocks to hunt down the creatures that neither of them is equipped to go after alone. Their world is one of heroic fantasy, with dragons, vampires, elves, faeries, werewolves, gnomes, and more. Alliances are always tenuous. The warlock, the hunter, and their band of groupies embarking together on their quest, are no exception. But they must unite against a peril far worse than any nightmares they have of each other. *** Other fantasy action-thrillers with a sense of humor by the author: **BLOOD BROTHERS FRANKENSTEIN REBORN**

FRANKENSTEIN REVILED FRANKENSTEIN REAWAKENED He can't trust anyone, not even himself. Finsbury Gage doesn't know who he is. Is he the man who lost his wife and burned the world down hunting her murderer--or is he the man who lost his wife and returned to ashes? He's thrown his life away, sacrificed everything to find the man who killed his wife. He thinks he has the answers--but he doesn't know how wrong he is. Fin's heading for a showdown, and only one of him can survive.

Rithmsync is the third book in the Lost Time series, a mind-bending sci-fi noir in the spirit of Blade Runner, Altered Carbon, and Neuromancer. If you love your sci-fi relentless and armed with twists, this is the series you've been looking for. In this text, this astonishing 50-year career is at last celebrated in all its musical facets. The authors draw on their own experience and on conversations with those who've known John Barry since his formative years. It's 12 October 1984. An IRA bomb blows apart the Grand Hotel in Brighton. Miraculously, Margaret Thatcher survives. In small-town Scotland, eight-year-old Damian Barr watches in horror as his mum rips her wedding ring off and packs their bags. He knows he, too, must survive. Damian, his sister and his Catholic mum move in with her sinister new boyfriend while his Protestant dad shacks up with the glamorous Mary the

Canary. Divided by sectarian suspicion, the community is held together by the sprawling Ravenscraig Steelworks. But darkness threatens as Maggie takes hold: she snatches school milk, smashes the unions and makes greed good. Following Maggie's advice, Damian works hard and plans his escape. He discovers that stories can save your life and - in spite of violence, strikes, AIDS and Clause 28 - manages to fall in love dancing to Madonna in Glasgow's only gay club. *Maggie & Me* is a touching and darkly witty memoir about surviving Thatcher's Britain; a story of growing up gay in a straight world and coming out the other side in spite of, and maybe because of, the iron lady. After the success of my first book *MODELING AS YOUR JOB*, a step-by-step guide on how you can become a working model. It seems only natural for the series of *AS YOUR JOB*, to follow with *ACTING AS YOUR JOB* and here is the reason why. It is a natural transition to go from a career in modeling to a career in Acting. After five years of research and interviews I wrote this book *ACTING AS YOUR JOB* a step-by-step guide on how you can become a working Actor. In this book I am going to take you step-by-step and show you exactly what you need to do, to become a successful Actor. In seven steps from never have acted before to landing your first gig as an Actor. In this book I will cover the unions, Acting schools, Acting coaches and how to land an agent its all here step-by-step and by the end of this book you will have all the tools necessary to become a working Actor. A GQ Best Book of the Month • A New York Post Must-Read Book • A Flavorwire Book of the Week • A New York Daily News Can't-Put-Down Novel “[Parish] has got chops, and a feel for dialogue, and is a talent in the making.” —Bill Buford, *The Wall Street Journal* “Read this book in a beach chair. . . . [A] worldly and propulsive debut.”—GQ An exhilarating novel of reinvention, friendship, and ambition—from the Jersey Shore to St. Andrews in Scotland Tom Alison has it all within his reach. He’s smart, handsome,

and about to graduate from a prestigious East Coast boarding school. After that it's off to the Ivy League and then a job on Wall Street, alongside the power brokers he's been watching from a distance as the working-class son of a single mom. And then the very life his mother worked so hard to escape catches up with him when he gets busted selling drugs. Lucky for Tom, there are places for boys and girls with ruined reputations. First, he returns to his roots on the Jersey Shore, reconnecting with a hard-living crew and cementing a bond with his new friend Clare Savage—the son of a recently disgraced financier. The two boys spend their summer surfing and partying. When fall arrives, they head to St. Andrews University in Scotland, a haven for Americans in need of a second chance and a favorite of the British ruling class. Tom and Clare escape to Scotland together, but it's Tom who discovers a world shaped by even more powerful forces of greed and ambition than the one he left behind. Sucked into a maelstrom of sex, drugs, and status, Tom learns what it takes to break the rules—and how we can be broken by them. Driven by a cast of young men and women living in an age of riotous prosperity, *Down the Shore* is an unflinching and unforgettable story of youth steeped in excess. Stan Parish has crafted a gripping novel that masterfully captures the lives of fallen financiers and the people they bring down with them—and reminds us that not even an ocean can separate us from our family, our friends, or our past. A crashed wedding. A scorned vampire. A necromancer's fury... Damian Vesik is no hero. At least, not according to the magical community that turns a blind eye to his battles against evil. So he chalks it up as one more thankless mission when he's forced to stop his vampire sister from murdering her ex's entire bridal party... Infiltrating the ceremony to protect the innocent, Damian uncovers something more sinister than a massacre. With the help of his berserker fairy friend, he'll need to prevent an unholy union between ancient demons and the walking

dead. Damian has one chance to stop his sister and ruin the wedding before one hell of an afterparty dooms the world. *Days Gone Bad* is the first book in the savagely funny Vesik urban fantasy series. If you like gritty action, undead enemies, and plenty of snark, then you'll love Eric R. Asher's heart-stopping tale. *Wolves and the River of Stone* (Book 2) A jilted ex. An undead army. Never date the damned... Zola thought not seeing her ex-boyfriend Philip for 150 years meant he got the hint that they were over. Or, better yet, that he had taken her advice and dropped dead. No such luck. Not only is he back, he has kidnapped Zola and is using her as a pawn in his plan to raise an army to scour humanity from the earth. Damian Vesik is ready to take Philip on, but he won't be doing it alone. Flanked by a pack of snarling and snapping werewolves, they are headed to an old battlefield at Stones River to put an end to Philip's twisted agenda. If they don't get there in time, however, Zola's reputation—and life—hang in the balance. *Winter's Demon* (Book 3) A haunted sanctuary. A deranged god. Some things can never be undone ... The horrors Damian has defeated—or caused—with his own hands are nothing compared to what's coming. Philip brought his reign of terror down in an assault on Damian's family. Now, an enraged necromancer hungers for retribution. Philip's twisted agenda is far from finished. He and his army of necromancers are on the move, descending on the world as harbingers of a great darkness. Aligning himself with Ezekiel, the mad god, Philip plans to unleash a power that will bring mankind to its knees. Now they must seek out an old ally who may hold their only hope of salvation, and perhaps allow Damian and Zola to prevent Ezekiel's return. As Philip's ever-growing horde of demons emerge, however, they'll have to hope their combined efforts will be enough. Read *The Vesik Series: Books 1-3* to dance with darkness today! From New York Times and USA Today bestselling author J. Kenner comes a new story in her Stark series... *I am Damien Stark*. From the

outside, I have a perfect life. A billionaire with a beautiful family. But if you could see inside my head, you'd know I'm as f-ed up as a person can be. Now more than ever. I'm driven, relentless, and successful, but all of that means nothing without my wife and daughters. They're my entire world, and I failed them. Now I can barely look at them without drowning in an abyss of self-recrimination. Only one thing keeps me sane—losing myself in my wife's silken caresses where I can pour all my pain into the one thing I know I can give her. Pleasure. But the threats against my family are real, and I won't let anything happen to them ever again. I'll do whatever it takes to keep them safe—pay any price, embrace any darkness. They are mine. I am Damien Stark. Do you want to see inside my head? Careful what you wish for. 2,000 blood-crazed rebels. 26 elite British soldiers. One man's explosive true story. Airlifted into the heart of the Sierra Leone jungle in the midst of the bloody civil war in 2000, 26 elite operators from the secret British elite unit X Platoon were sent into combat against thousands of Sierra Leonean rebels. Notorious for their brutality, the rebels were manned with captured UN armour, machine-guns and grenade-launchers, while the men of X Platoon were kitted with pitiful supplies of ammunition, malfunctioning rifles, and no body armour, grenades or heavy weapons. Intended to last only 48 hours, the mission mutated into a 16-day siege against the rebels, as X Platoon were denied the back-up and air support they had been promised, and were forced to make their stand alone. The half-starved soldiers, surviving on bush tucker, fought with grenades made from old food-tins and defended themselves with barricades made of sharpened bamboo-sticks, tipped in poison given to them by local villagers. Sergeant Steve Heaney won the Military Cross for his initiative in taking command after the platoon lost their commanding officer. OPERATION MAYHEM recounts his amazing untold true story, full of the rough-and-ready humour and steely

fortitude with which these elite soldiers carried out operations far into hostile terrain. They say the weirdest things happen when you are on acid... I was with my philosopher friend and her ambitious biochemist brother when I first took LSD. As Danny and Bugs vented their frustration at how out of touch the world had become, I realised reality really was stranger than fiction. My second acid trip was at an illegal rave by the mysterious woods near my home. I saw orbs pulsate in the sky above the Dead Tree and visitors from places I didn't understand were welcomed into our world. And on my final trip, as I lay wrecked and paranoid, cowering inside a verge by a road, I watched in horror as the world began to end. Those Afraid of the Light is a tale of the end of the world; viewed through the eyes of a dropout and through the scientific and theological perspectives of his best friend Danny. Exploding from the blockbuster DC Rebirth event, it's an action-packed new spin on one of the most famous superhero teams of all time, from writer Benjamin Percy (GREEN ARROW) and a titanic team of talented artists including Jonboy Meyers (Spawn), Diogenes Neves (GREEN LANTERN: NEW GUARDIANS) and Khoi Pham (The Mighty Avengers) comes TEEN TITANS VOL. 1: DAMIAN KNOWS BEST. His father is the world's greatest detective. His grandfather is the world's deadliest terrorist. He is Damian Wayne, a.k.a. Robin, Son of Batman-and he now commands the Teen Titans. Whether they like it or not. When Starfire, Raven, Beast Boy and Kid Flash answer this brash new Boy Wonder's call for help, they find themselves on the front lines of a war between Damian and his immortal grandfather, Ra's al Ghul. The entire League of Assassins and the elite Demon's Fist are prepared to move against these young heroes, all to claim Robin for their own. And if these new Titans are toppled, so be it. The stakes are crystal clear: if they win, they live. If they lose, Robin will join the forces of evil-and the rest of them are history. But with Damian in charge, sometimes death doesn't

look so bad/ It's a culture clash for the ages in TEEN TITANS VOL. 1: DAMIAN KNOWS BEST. Collects TEEN TITANS #1-5 and TEEN TITANS: REBIRTH #1. "Funny, tender, edgy. I wanted the love story to go on forever."—Joan Johnston, bestselling author of No Longer a Stranger Written in the wonderfully honest, edgy, and hilarious voice she perfected in God-Shaped Hole, Tiffanie DeBartolo shines in a passionate new story of music, love, and sacrifice. Eliza Caelum, a young music journalist, is finally getting her footing in New York when she meets Paul Hudson, a talented songwriter and lead singer of the band Bananafish. They soon realize they share more than a reverence for rock music and plunge headlong into love. When Bananafish is signed by a big corporate label, and Paul is on his way to becoming a major rock star, Eliza's past forces her to make a heartbreaking decision that might be the key to Paul's sudden disappearance. A layered and emotional look into the world of music, this raw summer read will resonate with readers who loved Daisy Jones & the Six by Taylor Jenkins Reid. Praise for Tiffanie DeBartolo's God-Shaped Hole: "From highs to heartbreak, DeBartolo conjures an affair to remember."—People "Honest, raw, and engaging."—Booklist "This generation's Love Story."—Kirkus Reviews Dr. Kara Cantrell settled in the sleepy town of Zorro, Texas, convinced she and her child had escaped the sinister reach of a supernatural underworld. But now dark forces may jeopardize her new life. Her only hope is Damien Morgan, a dangerous, alluring man with superhuman abilities. He and Kara share a mystical link that triggers desires they must ignore. But as they work together to protect her son, and begin tracking the evil stalking them, something threatens to push them toward the edge...of darkness. Bass player and rapidly aging punk rocker Underend Vicodini is an unlikely hero. He loves New York City like nobody's business but does it still love him despite his lack of affluence and influence? His former band, The Gutter Astronomers, was riding high in the 1980s,

releasing albums and touring across the country playing to packed nightclubs filled with eager fans, but the Great Recession finds the band members middle-aged and struggling not to drown in the seas of gentrification and disillusion. When lead singer Mickey gets an offer to reunite the band, he jumps at it. But can the old bandmates overcome their acrimonious break up? Can they get back into it without shredding their lives? Can Underend Vicodini find inner peace and, more importantly, a reasonably priced apartment below 14th Street or in Brooklyn? Steven Wishnia is a New York-based musician and journalist. Born on the Lower East Side, he grew up in Brooklyn, New England, Edinburgh, and Long Island. He has played in numerous bands, including the False Prophets, an eclectic punk group that recorded two albums released by Alternative Tentacles. After the False Prophets broke up in 1987, he earned an MA at New York University's School of Journalism, writing for failing newspapers before working for many years as news editor at High Times. Recipient of two New York City Independent Press Association awards, he currently works as a freelance writer and editor, most often for AlterNet.org and Junior Scholastic, and often performs musically with artist Mac McGill. It was a time when gods walked the earth, when armies fought not for bits of land, but for the very existence of humanity. On such a battlefield, five formidable warriors stood against an evil greater than any the earth had ever seen. But evil is not an honorable foe. Betrayed by someone they trusted, the warriors were cursed, one by one, tossed into the maelstrom of time, imprisoned in stone, their freedom resting on nearly impossible conditions. Until . . . Damian Stephanos honed his skills in battles fought with magic as much as swords. Caught by a deadly spell that left him trapped for centuries in darkness and obscurity, he is finally freed, only to discover that his enemy still lives. Determined to find him--and to free his brothers in arms--he first must fulfill his blood debt to the

woman who released him from his torment. Unfortunately, being so close to this enticing female is another type of torment altogether . . . Cassandra "Casey" Lewis is a hunter. Possessing the rare ability to sense magic, she spends most of her time shadowing arcane collectors, and more often than not, stealing the dangerous artifacts she pursues. Her job is risky, especially when she's stealing from one of the most powerful sorcerers alive. But having a gorgeous warrior by her side is a definite bonus. He's great in a fight . . . and in other places, too. Following a trail of dead bodies, the two of them must join forces to track down the sorcerer who cursed Damian, and who now plans to turn an ordinary magical device into a deadly weapon. Risking everything, including their hearts, they're about to discover that trusting each other might be the hardest thing of all. In this game, death is the only escape. Decimation Island is the hottest sport in the world, a hundred-hour battle royale fight to the death, and Anika "AniK@" Reyes just became its biggest star—except this isn't how she planned it. Seconds away from winning her tenth game in a row, becoming the first person ever to survive a thousand hours and earning herself millions in prizes, she turned her gun on herself and ended her own run. No one knows why, including Anika. But she's determined to find out. And while Finsbury Gage isn't much into sports these days, or doing much more than hiding in his

head with the ghost of his dead wife, when an old friend asks him to investigate Anika's try-outs for the New Gladiator fighting league, he can't refuse. His quest to uncover the truth behind Anika's aborted run on Decimation Island will pull him into the high stakes world of professional video gaming, a race to find a stolen shipment of weapons-grade bioSkyns, and the messy complications of an unexpected connection. But Decimation Island protects its secrets well, and to find them Finsbury and Anika will need to work together—if they can keep from killing each other first. Decimation Island is the fifth book in the blockbuster sci-fi series Lost Time. Enjoy this paranormal women's fiction from best-selling author Deborah Wilde. Featuring intelligent snark, a slow burn shifter romance, and the perfect dash of steamy sexiness, this complete mystery adventure series will take you on a hilarious wild ride. Vanquisher of evil. Wrangler of offspring. Seriously in need of a coffee.

Miriam Feldman's life is happily bobbing along. Her family and close friends support her magic and things are getting interesting with the wolf shifter. But smooth sailing turns to shark-infested waters when she plumbs the dark depths of her past to investigate her parents' last con. Being chum was never on her bucket list. In comparison, Miri's new assignment should be easy: track down a demon to check a necklace for dark magic. Of course, nothing about demons is simple and she finds herself forced to strike hard bargains with both demon hunters and an ancient vampire. Awesome. The farther out she drifts seeking answers, the tighter she's caught in a net of secrets, lies, and deadly revelations. And this time, she might not break free. Just keep swimming ... The antics of this midlife heroine who takes no crap and makes zero excuses are perfect for fans of Grimoires of a Middle-Aged Witch, Order of Magic, Accidental Witches, The Hollows, Leveling Up, the Forty Proof series, and Good to the Last Death. Get it now! "This book is a must for PWF, and all fans of smart, snarky, heroines who never

give up and don't take, "No", for an answer!" Finsbury Gage is terrified of what's inside him. He's been dead more than once, and haunted now by the memories of lives he never lived. All he wants to do is hide--from a world he doesn't belong to and the person he doesn't recognize--until he's forced from his self-imposed exile by a threat the police can't handle and a request he can't refuse. A girl has gone missing. Arrived in the big city from the Preserves and immediately disappeared. Her brother's come looking for her, and while a lifetime on a farm hasn't prepared him to navigate the dangerous Reszo underworld, he's not about to let that or anything else stop him from finding his sister. Finsbury will be drawn into a hunt for a killer no one believes in. Someone who doesn't just kill--he steals the thoughts of his victims and makes them part of himself. Finsbury Gage is about to meet Winter, and neither of them will ever be the same. Winter Overrun is the fourth book in the Lost Time series, a mind-bending sci-fi noir in the spirit of Blade Runner, Altered Carbon, and Neuromancer. Car PC Hacks is the first book available to introduce and entrench you into the hot new car PC market. Expect innovation, tools and fun experiments for creating a mobile multimedia center. A powerful band of deadly supernaturals has united, ready to reveal their existence to the natural world, and prepare to take their place at the head of humanity. By force. All that stands in their way is a small

cadre of supernaturals from the Louisiana Bayou who have yet to be fully trained. To successfully make their stand, the novice supers will need to call on other paranormal beings who live in and around Savannah; allies from the darkest corners of the paranormal world. As lives are lost and the balance of power starts to tip, the young paranormals and their supernatural counterparts must dig in for a war that could change everything. When supers turn against supers, only the powerful will survive. Ship's Mage Damien Montgomery and the crew of the Blue Jay have run to the edge of the Protectorate, beyond the reach of civilized law. But even at the outlaw station of Darkport, their enemies have sought them out – and now the very leader of the galaxy's largest crime syndicate pursues them with a stolen warship. With their backs to the wall, the Blue Jay's crew must seek any edge to survive, for one thing is certain: This will end in fire. Starship's Mage Episode 5 is a 26,335 word novella, the last of five in a serial. This book is about my summer in California living in Hollywood going to music school. It is a period piece taken place in the late 1980's. Its a true story of my time in Hollywood and surrounding Los Angeles . I drove from New Jersey all the way to California in 5 days. I took to the road and loved the heartland of America and seeing the Rocky Mountains and the Southwest Desert landscape. Living in California was exciting every single minute of the day. Learning and playing music in California was absolutely a Blast. Shortlisted for the Saltire Society Literary Awards Named One of the Best Books of the Year by NPR An extraordinary debut that explores legacies of abuse, redemption, and the strength of the human spirit--from the Boer Wars in South Africa to brutal wilderness camps for teenage boys. South Africa, 1901. It is the height of the second Boer War. Sarah van der Watt and her six-year-old son Fred are forced from their home on Mulberry Farm. As the polite invaders welcome them to Bloemfontein Concentration Camp they

promise Sarah and Fred that they will be safe there. 2014. Sixteen-year-old Willem is an outsider. Hoping he will become the man she wants him to be, his Ma and her boyfriend force Willem to attend the New Dawn Safari Training Camp where they are proud to make men out of boys. They promise that he will be safe there. *You Will Be Safe Here* is a powerful and urgent novel of two connected South African stories. Inspired by real events, it uncovers a hidden colonial history, reveals a dark contemporary secret, and explores the legacy of violence and our will to survive. Introduced by the author, this is the first collection of Tim Price's plays. The winner of the 2013 James Tait Black Prize for Drama, Tim Price's work includes *For Once*; *Salt, Root and Roe*; *The Radicalisation of Bradley Manning*; *I'm With the Band*; *Protest Song* and *Under the Sofa* (published here for the first time). *For Once*: Through a series of interweaving accounts, *For Once* cuts to the heart of a family and a community turned upside down by unimaginable tragedy. *Salt, Root and Roe*: A wry, heart-breaking drama of love, grief and acceptance set against the mythical backdrop of North Pembrokeshire. *The Radicalisation of Bradley Manning*: This award-winning play tackles one of the most controversial political stories of our age, placing it in the context of other great Welsh radicals, from the Chartists to Aneurin Bevan. *I'm With the Band*: A witty response to the Scottish Independence debate in which an Englishman, a Northern Irishman, a Scotsman and a Welshman struggle to maintain the previous harmony of their rock band. *Protest Song*: Price's funny and savage monologue which explores the reality of the Occupy movement through Danny who sleeps rough on the steps of St Paul's Cathedral. *Under the Sofa*: Previously unpublished, *Under the Sofa* is a mother's monologue about the experience of her son being in prison for a violent crime. Hilarious and heartbreaking true stories told by 60 Cleveland police officers about life patrolling the streets. These are stories the rest of us rarely get to

hear: Their biggest arrests, the dumbest criminals, the funniest practical jokes, the most frightening moments. It's an inside look at the toughest job in town.
