Were-tigress Dali Harimau has always wished she could get Jim's attention—but now he needs her help. Stricken with a magic-sickness, Jim needs Dali's flair for magic. And to save him, she must challenge a powerful, dark being to a battle of wits. Magic Dreams originally appeared in the anthology Hexed. From award-winning author, Ilona Andrews, an all-new novel set in the New York Times #1 bestselling Kate Daniels World and featuring Julie Lennart-Olsen, Kate and Curran's ward. Atlanta was always a dangerous city. Now, as waves of magic and technology compete for supremacy, it's a place caught in a slow apocalypse, where monsters spawn among the crumbling skyscrapers and supernatural factions struggle for power and survival. Eight years ago, Julie Lennart left Atlanta to find out who she was. Now she's back with a new face, a new magic, and a new name—Aurelia Ryder—drawn by the urgent need to protect the family she left behind. An ancient power is stalking her adopted mother, Kate Daniels, an enemy unlike any other, and a string of horrifying murders is its opening gambit. If Aurelia's true identity is discovered, those closest to her will die. So her plan is simple: get in, solve the murders, prevent the prophecy from being fulfilled, and get out without being recognized. She expected danger, but she never anticipated that the only man she'd ever loved could threaten everything. One small misstep could lead to disaster. But for Aurelia, facing disaster is easy; it's relationships that are hard. Magic was my saving grace, but my power is my damnation. My transition into a supernatural creature was the only reason I survived the apocalypse. I thought that was the worst I'd ever have to endure, but I was definitely wrong. With half the human population wiped out and a majority of the survivors developing a power of their own, the non-gifted humans aren't happy with their station in life. My brother and I have to go on

the run from the non-gifteds who want to steal our magical blood to create a power-inducing serum. Our only hope for survival, and the continued existence of our missing friends, is to find a hidden paranormal city and the literal man of my dreams. A handsome and alluring stranger plagues my dreams by night but by day? A not-so friendly--but oh-so sexy--werejackal claims my attention. We journey to the promised land together, but once we find it? It's definitely not what we expected and we have to face incredible peril that may prevent me from saving my friends. Can I really sacrifice my freedom to save those I care about? Author's Note: The first four books and 2 novellas in this New Adult series are part of the Soulmate Saga. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Drafted into working for the Order of Merciful Aid, mercenary Kate Daniels has more paranormal problems than she knows what to do with these days. And in Atlanta, where magic comes and goes like the tide, that's saying a lot. But when Kate's werewolf friend Derek is discovered nearly dead, she must confront her greatest challenge yet. As her investigation leads her to the Midnight Games—an invitation only, no holds barred, ultimate preternatural fighting tournament—she and Curran, the Lord of the Beasts, uncover a dark plot that may forever alter the face of Atlanta's shapeshifting community... 100 of the most moving and inspiring poems of the last 200 years from around the world, a collection that will comfort and enthrall anyone trapped by grief or loneliness, selected by the award-winning, best-selling, and beloved author of *How to Read a Poem* Implicit in poetry is the idea that we are enriched by heartbreaks, by the recognition and understanding of suffering--not just our own suffering but also the pain of others. We are not so much diminished as enlarged by grief, by our refusal to vanish, or to let others vanish, without leaving a record. And poets are people who are determined to leave a trace in words, to transform oceanic depths of feeling into art that speaks to others. In *100 Poems to Break Your Heart*, poet and advocate Edward Hirsch selects 100 poems, from the nineteenth century to the present, and illuminates them, unpacking context and references to help the reader fully experience the range of emotion and wisdom within these poems. For anyone trying to process grief, loneliness, or fear, this collection of poetry will be your guide in trying times.
