Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana. Read the novel New York Times bestselling author of The Alice Network Kate Quinn called "easily one of the best novels I have read all year!" A critically acclaimed, multi-layered romance set in the perilous days of World Wars I and II, where gods hold the fates--and the hearts--of four mortals in their hands. They are Hazel, James, Aubrey, and Colette. A classical pianist from London, a British would-be architect-turned-soldier, a Harlem-born ragtime genius in the U.S. Army, and a Belgian orphan with a gorgeous voice and a devastating past. Their story, as told by goddess Aphrodite, who must spin the tale or face judgment on Mount Olympus, is filled with hope and heartbreak, prejudice and passion, and reveals that, though War is a formidable force, it's no match for the transcendent power of Love. Hailed by critics, *Lovely War* has received seven starred reviews and is an indie bestseller. Author Julie Berry has been called "a modern master of historical fiction" by Bookpage and "a celestially inspired storyteller" by the New York Times, and *Lovely War* is truly her masterwork. A magical little story about two kids who meet a talking mouse, in a secret garden, who teaches them about the different kinds of berries and the importance of not picking or eating wild berries without parents' permission. Bonus feature: Secret map! How far would you go to save your child? Exhausted single-mum Miranda is prepared to try anything. Suffering from baffling allergies and illnesses, her teenage daughter Sylvie has been written off by doctors. An offer of alternative therapy at a grand Dorset estate may be her last hope and so, against her better judgement, Miranda grabs this life-line. Stonewylde is a beautiful and magical place, a sanctuary free from modern taint. The retreat is remote, hidden away behind high walls and iron gates, and soon the rat-race outside fades to insignificance. Stonewylde is ruled by the charismatic Magus, who vows to cure Sylvie and give both their hearts' desires. He promises the earth and it seems he can deliver. But everything comes at a price. Life at Stonewylde is too idyllic, too wholesome, too perfect. The ancient rituals in the stone circle are not quite what they seem and neither is the Magus, whose sinister sensuality hides a darker secret. Sylvie and Miranda join the community and both fall in love for the first time. But their arrival triggers a brutal chain of events that could destroy the unique world of Stonewylde. Mother and daughter will eventually discover the truth: Stonewylde may cure, but it can also kill. This rich volume reflects the development of Berry's poetic sensibility. "the Selected Poems of Wendell Berry makes available cartloads and heaps of clear and fluent work from Berry's fourteen books of poetry and four decades of writing, closely documenting the inner and the visible lives Berry sees and feels in agriculture and in nature." An illustrated picture book that teaches the best way to be happy is to embrace the circumstances we find ourselves in each day *Happy Right Now* brings a much-needed message to kids: it's great to feel happy, but it's okay to feel sad sometimes too.

Dealing with emotions can be hard. Children experience the same range of strong feelings as adults, but often don't have the tools to deal with them. For children ages 4 to 8, *Happy Right Now* teaches emotional intelligence with fun, relatable imagery and clever rhymes. Award-winning author Julie Berry brings a playful bounce to the important lesson that kids don't need to wait for fantastic gifts, school vacations, or sunny days to find joy in the moment. And even if they can't find a way to choose happiness—if the blues are just too strong—Berry provides a series of quick practices to help young readers move through their sadness. Smartly illustrated by Holly Hatam, *Happy Right Now* is perfect for children, parents, and caregivers who want to learn how to navigate difficult emotions and embrace the bright side of any situation, rain or shine. Essays examine subjects such as family farms, modern universities, national defense policy, and the relationship between humanity and nature Everything changed for Pradeep K. Berry on February 28, 2015. That was the day his wife of forty-one years, Constance A. "Connie" Berry, died. He's been mourning ever since, and he seeks to cope with his loss in this tribute to his beloved spouse. In *My Connie*, he celebrates their love—a love that would have never happened if he hadn't left India to go to the United States. He only had seven dollars at the time, and he could not have dreamed that he'd meet a beautiful, intelligent, American wife. The author's family embraced Connie as soon as they realized she was polite, smart, and self-made. In short order, she became the star of the family. Berry lovingly describes Connie's qualities, character, and ethics as well as her professional career. He observes that even though he's been in tremendous pain since she died, he would have never had such a long and happy marriage if he and Connie had not loved each other so much. Connie and Pradeep, both consider themselves as two bodies and one soul. Now, Pradeep is hoping that they will be again two bodies and one soul in the next life. Join the author as he shares lessons on enjoying a happy marriage and honors the woman who made his dreams come true. His only hope is to make some difference in other woman's lives and how their husband can make a difference in their lives. First published in 1969 and out of print for more than twenty-five years, *The Long-Legged House* was Wendell Berry's first collection of essays, the inaugural work introducing many of the central issues that have occupied him over the course of his career. Three essays at the heart of this volume—"The Rise," "The Long-Legged House," and "A Native Hill"—are essays of homecoming and memoir, as the writer finds his home place, his native ground, his place on earth. As he later wrote, "What I stand for is what I stand on," and here we see him beginning the acts of rediscovery and resettling. Yul stands at the threshold between life and death. Poisoned at the festival of the dead, his life now hangs by a thread. More than his own will to survive, it's his fellow Stonewyldeers who must save him. But will they, when Magus has done so much to undermine Yul and turn the people against him? Yet there are cracks in Magus' following. When he confesses a secret that shocks the community, the Stonewylde folk begin to understand his true nature. Magus' spiral into obsession and darkness continues, his kindness and charm now vanished. The cruelty that lies beneath is becoming clear ... as is the deadly web of deceit and betrayal in which Yul and Sylvie are trapped. The Winter Solstice approaches and Yul and Sylvie refuse to give up hope. But Sylvie is unaware of Magus' real plans for her and she's horrified when he finally shows his hand. Can this really be why she was brought to Stonewylde? As the final conflict draws near, how can she avoid Magus' trap? Yul will need all his strength, and all his supporters, if he is to make a stand and put an end to what Magus has started. As the darkness draws in around them, the wise woman on the hill makes a chilling prophecy. There is no escape and no compromise when death comes knocking: five will die at Stonewylde. The only question is who ... Your go-to guide for everything from cultivation to wine-making with one of humanity's oldest plant friends Spanning history and geography, *The Elderberry Book* takes you on an adventure, deepening your appreciation of a plant that has played a crucial role across the world for thousands of years. Through this fun, inspirational, and educational resource, discover: Elderberry's amazing history Cultivating and foraging, from the balcony to the backyard Various traditional food and medicine preparations Simple wine-making techniques Traditional crafts and tools. This is the

definitive guide to the many uses of elderberry. No matter where you are, one of humankind's oldest plant friends can provide you with anything from syrup, to wine, to dyes, to so much more! Once a staple in homes across the world, and found along every highland, highway, and hedgerow, the forgotten elderberry is making a comeback. Its popularity as medicine is surging, its choice as an edible landscaping plant is growing, and its use for wine-making and crafts is being rediscovered. Fans of Kate DiCamillo and Katherine Applegate will fall in love with this tug-at-your-heartstrings middle-grade novel about one girl who is desperate to find the "perfect home" as she moves from one town to the next with her Grandmother. Eleven-year-old Jubilee Johnson is an expert at three things: crafting, moving, and avoiding goodbyes. On the search for the "perfect place," she and her Nan live by their Number One Relocation Rule—just the two of them is all they need. But Jubilee's starting to feel like just two is a little too close to alone. Desperate to settle down, Jubilee plans their next move, Hope Springs, Texas—home of her TV crafting idol, Arletta Paisley. Here she meets a girl set on winning the local fishing tournament and a boy who says exactly the right thing by hardly speaking at all. Soon, Jubilee wonders if Hope Springs might just be the place to call home. But when the town is threatened by a mega-chain superstore fronted by Arletta Paisley, Jubilee is faced with skipping town yet again or standing up to her biggest bully yet. With the help of her new friends and the one person she never thought she'd need—her Momma—will Jubilee find a way to save the town she's come to love and convince Nan that it's finally time to settle down? Colleagues, friends, and lovers know Dodge Hanley as a private investigator who doesn't let rules get in his way—in his private life as well as his professional one. If he breaks a heart, or bends the law in order to catch a criminal, he does so without hesitation or apology. That's why he's the first person Caroline King—who after a thirty-year separation continues to haunt his dreams—asks for help when a deranged stalker attempts to murder their daughter . . . the daughter Dodge has never met. He has a whole bagful of grudging excuses for wishing to ignore Caroline's call, and one compelling reason to drop everything and fly down to Texas: guilt. Dodge's mind may be a haze of disturbing memories and bad decisions, but he arrives in Houston knowing with perfect clarity that his daughter, Berry, is in danger. She has become the object of desire of a co-worker, a madman and genius with a penchant for puzzles and games who has spent the past year making Berry's life hell, and who now has vowed to kill her. Dodge joins forces with local deputy sheriff Ski Nyland, but the alarming situation goes from bad to worse when the stalker begins to claim other victims and leaves an ominous trail of clues as he lethally works his way toward Berry. Sensing the killer drawing nearer, Dodge, who's survived vicious criminals and his own self-destructive impulses, realizes that this time he's in for the fight of his life. From acclaimed best-selling author Sandra Brown, *Tough Customer* is a heart-pounding tale about obsession and murder, the fragile nature of relationships, and, possibly, second chances. A collector's edition, and the perfect gift for the stalwart Wendell Berry fan First printed in 1995 by Gray Zeitz of the beloved Larkspur Press in Monterey, Kentucky, this gift edition is a beautiful reproduction of Wendell Berry's book-length poem, illustrated with the original drawings by Carolyn Whitesel. *SQL Server Hardware* will provide the fundamental knowledge and resources you need to make intelligent decisions about choice, and optimal installation and configuration, of SQL Server hardware, operating system and the SQL Server RDBMS. A powerful, poetic memoir of an Indigenous woman's coming of age on the Seabird Island Band in the Pacific Northwest—this New York Times bestseller and Emma Watson Book Club pick is "an illuminating account of grief, abuse and the complex nature of the Native experience . . . at once raw and achingly beautiful (NPR). Having survived a profoundly dysfunctional upbringing only to find herself hospitalized and facing a dual diagnosis of post traumatic stress disorder and bipolar II disorder, Terese Marie Mailhot is given a notebook and begins to write her way out of trauma. The triumphant result is *Heart Berries*, a memorial for Mailhot's mother, a social worker and activist who had a thing for prisoners; a story of reconciliation with her father—an abusive drunk and a brilliant artist—who was murdered under mysterious circumstances; and an elegy on how difficult it is to love someone while dragging the long shadows of shame. Mailhot trusts the reader to understand that memory isn't exact, but melded to imagination, pain, and what we can bring ourselves to accept. Her unique and at times unsettling voice graphically illustrates her mental state. As she writes, she discovers her own true voice, seizes control of her story, and, in so doing, reestablishes her connection to her family, to her people, and to her place in the world. Everyone knows that if you fall afoul of the People, you must travel the miles to Gyrford, where

uncounted generations of fairy-smiths have protected the county with cold iron, good counsel and unvarnished opinions about your common sense. But shielding the weak from the strong can make enemies. Ephraim Brady has money and power, and the bitter will to hurt those who cross him. And if he can't touch elder farrier Jedediah Smith, he can harm those the Smiths care about. The Smiths care about Tobias Ware, born on a night when the blazing fey dog Black Hal roared past the Wares' gate. Tobias doesn't understand the language or laws of men, and he can't keep away from the Bellame woods, where trespass is a hanging offence. If Toby is to survive, he needs protection. It should be a manageable job. Jedediah Smith has a head on his shoulders, and so too (mostly) does his son Matthew. Only Matthew's son John has turned out a little . . . uncommon. But he means well. It wasn't his fault the bramble bush put on a berry-head and started taking offence. Or that Tobias upset it. But John's not yet learned that if you follow the things other folk don't see, they might drag those you love into the path of ruin. Tom Pohrt spent years gathering poems by Wendell Berry that he thought children might read and appreciate, making sketches to accompany his selection. *Terrapin* is the result, a volume of twenty-one poems with dozens of sketches, drawings, and watercolors. In full color, we have not only a volume of staggering beauty but a consummate example of the collaborative effort that is fine bookmaking; the perfect gift for children, grandchildren, or anyone who remains a lover of the book as physical object. The history of manoomin, wild rice, told through cultural practice, traditional ecological knowledge, scientific observation, and inspired dishes that feed the senses and the body. As a young Tlingit girl collects wild berries over the seasons, she sings with her Grandmother as she learns to speak to the land and listen when the land speaks back. How far would you go to save your child? Exhausted single-mum Miranda is prepared to try anything. Suffering from baffling allergies and illnesses, her teenage daughter Sylvie has been written off by doctors. An offer of alternative therapy at a grand Dorset estate may be her last hope and so, against her better judgement, Miranda grabs this life-line. Mother and daughter will eventually discover the truth: Stonewylde may cure, but it can also kill. An inside assessment of the world of fantasy sports by the ESPN Senior Fantasy Analyst reveals the life-shaping impact of the multi-billion-dollar national pastime while chronicling his own rise to a leading figure in fantasy sports. Reese's Book Club Pick Instant New York Times Bestseller A New York Times Book Review Top 10 Thriller of 2021 A Washington Post Top 10 Thriller or Mystery of 2021 "If you love a mystery, then you'll devour [Northern Spy] . . . I loved this thrill ride of a book."—Reese Witherspoon "A chilling, gorgeously written tale . . . Berry keeps the tension almost unbearably high." -The New York Times Book Review The acclaimed author of *Under the Harrow* and *A Double Life* returns with her most riveting novel to date: the story of two sisters who become entangled with the IRA A producer at the BBC and mother to a new baby, Tessa is at work in Belfast one day when the news of another raid comes on the air. The IRA may have gone underground in the two decades since the Good Friday Agreement, but they never really went away, and lately bomb threats, security checkpoints, and helicopters floating ominously over the city have become features of everyday life. As the news reporter requests the public's help in locating those responsible for the robbery, security footage reveals Tessa's sister, Marian, pulling a black ski mask over her face. The police believe Marian has joined the IRA, but Tessa is convinced she must have been abducted or coerced; the sisters have always opposed the violence enacted in the name of uniting Ireland. And besides, Marian is vacationing on the north coast. Tessa just spoke to her yesterday. When the truth about Marian comes to light, Tessa is faced with impossible choices that will test the limits of her ideals, the bonds of her family, her notions of right and wrong, and her identity as a sister and a mother. Walking an increasingly perilous road, she wants nothing more than to protect the one person she loves more fiercely than her sister: her infant son, Finn. Riveting, atmospheric, and exquisitely written, *Northern Spy* is at once a heart-pounding story of the contemporary IRA and a

moving portrait of sister- and motherhood, and of life in a deeply divided society. "A gentle story about a lamb who wants to have a bright red sweater just like the shepherd boy who tends him. When Lalo finds out from his mother how wool becomes a sweater, he sets out to try to wash, spin, and dye his own wool. As Lalo perseveres and goes through this bewildering process, the shepherd boy is always there to rescue the lamb when he faces difficulties. The ending is wonderfully endearing as the lamb discovers the most important step in making a sweater, and one that gives him his true wish in the end. The story echoes a beautiful message of acceptance and unconditional love." The Norske Nook's mile-high meringue and dairyland deliciousness attracts foodies, celebrities, and tourists from around the world to sample its glorious pies. This beautifully photographed cookbook features more than seventy pies, including thirty-six blue ribbon-winners at the annual National Pie Championships, plus Scandinavian specialties, cheesecakes, tortes, cookies, and muffins. "This is a book about Heaven," says Jayber Crow, "but I must say too that . . . I have wondered sometimes if it would not finally turn out to be a book about Hell." It is 1932 and he has returned to his native Port William to become the town's barber. Orphaned at age ten, Jayber Crow's acquaintance with loneliness and want have made him a patient observer of the human animal, in both its goodness and frailty. He began his search as a "pre-ministerial student" at Pigeonville College. There, freedom met with new burdens and a young man needed more than a mirror to find himself. But the beginning of that finding was a short conversation with "Old Grit," his profound professor of New Testament Greek. "You have been given questions to which you cannot be given answers. You will have to live them out—perhaps a little at a time." "And how long is that going to take?" "I don't know. As long as you live, perhaps." "That could be a long time." "I will tell you a further mystery," he said. "It may take longer." Wendell Berry's clear-sighted depiction of humanity's gifts—love and loss, joy and despair—is seen through his intimate knowledge of the Port William Membership. The Outside World clamours at the wrought iron gates, and the evil alliance within Stonewylde threatens to destroy everything. With the new business and their relationship in tatters, Yul and Sylvie find their once-beautiful world has been desecrated by the dark forces. But Stonewylde is as old as the hills themselves, and the landscape endures. Leveret has discovered her true calling and is determined to lead the community back to the golden age of magic and prosperity. As the enchanting tale of Stonewylde draws to its end, Sylvie finally realises why she was brought here and Yul understands his true destiny. Whilst Leveret sees exactly what lies ahead for Stonewylde ... A misfit crew race across the galaxy to prevent the genocide of magical creatures, in this unique science fiction debut. Having magical powers makes you less than human, a resource to be exploited. Half-unicorn Gary Cobalt is sick of slavery, captivity, and his horn being ground down to power faster-than-light travel. When he's finally free, all he wants is to run away in his ancestors' stone ship. Instead, Captain Jenny Perata steals the ship out from under him, so she can make an urgent delivery. But Jenny held him captive for a decade, and then Gary murdered her best friend... who was also the wife of her co-pilot, Cowboy Jim. What could possibly go right? File Under: Science Fiction [Rocks in Space | Stand Up to Reason | The Human Experiment | Last Unicorn] New York Times bestseller David Arnold's most ambitious novel to date; Station Eleven meets The 5th Wave in a genre-smashing story of survival, hope, and love amid a ravaged earth. When a deadly Fly Flu sweeps the globe, it leaves a shell of the world that once was. Among the survivors are eighteen-year-old Nico and her dog, on a voyage devised by Nico's father to find a mythical portal; a young artist named Kit, raised in an old abandoned cinema; and the enigmatic Deliverer, who lives Life after Life in an attempt to put the world back together. As swarms of infected Flies roam the earth, these few survivors navigate the woods of post-apocalyptic New England, meeting others along the way, each on their own quest to find life and love in a world gone dark. The Electric Kingdom is a sweeping exploration of art, storytelling, eternal life, and above all, a testament to the notion that even in an exterminated world, one person might find beauty in another. Sometimes we're all cranky, and that's okay! Cranky Right Now shows kids how to deal with those cranky days. Cranky Right Now brings a much-needed message to kids: sometimes we're all cranky. Maybe we're tired, we're hungry, or we're just feeling grumpy. Dealing with emotions can be hard. Cranky Right Now is a fun and funny ride through the ups and downs of being cranky, helping kids process difficult feelings, frustrating relationships, and things that just make them mad. Award-winning author Julie Berry talks about reasons kids can feel cranky and how to recognize those feelings and acknowledge them. She then gives simple practices for

moving through crankiness. She shows that it's okay to be in a bad mood sometimes—just not to take it out on others—and that cranky days will eventually give way to happy ones. A companion volume to Happy Right Now, with Holly Hatam's bright and playful illustrations, Cranky Right Now helps you embrace, understand, and move through cranky in a whole new way. If you stop and look around you, you'll start to see. Tall marigolds darkening. A spring wind blowing. The woods awake with sound. On the wooden porch, your love smiling. Dew-wet red berries in a cup. On the hills, the beginnings of green, clover and grass to be pasture. The fowls singing and then settling for the night. Bright, silent, thousands of stars. You come into the peace of simple things. From the author of the 'compelling' and 'luminous' essays of The World-Ending Fire comes a slim volume of poems. Tender and intimate, these are consoling songs of hope and of healing; short, simple meditations on love, death, friendship, memory and belonging. They celebrate and elevate what is sensuous about life, and invite us to pause and appreciate what is good in life, to stop and savour our fleeting moments of earthly enjoyment. And, when fear for the future keeps us awake at night, to come into the peace of wild things. Thomas Berry (1914–2009) was one of the twentieth century's most prescient and profound thinkers. As a cultural historian, he sought a broader perspective on humanity's relationship to the earth in order to respond to the ecological and social challenges of our times. This first biography of Berry illuminates his remarkable vision and its continuing relevance for achieving transformative social change and environmental renewal. Berry began his studies in Western history and religions and then expanded to include Asian and indigenous religions, which he taught at Fordham University, Barnard College, and Columbia University. Drawing on his explorations of history, he came to see the evolutionary process as a story that could help restore the continuity of humans with the natural world. Berry urged humans to recognize their place on a planet with complex ecosystems in a vast, evolving universe. He sought to replace the modern alienation from nature with a sense of intimacy and responsibility. Berry called for new forms of ecological education, law, and spirituality, as well as the creation of resilient agricultural systems, bioregions, and ecocities. At a time of growing environmental crisis, this biography shows the ongoing significance of Berry's conception of human interdependence with the earth as part of the unfolding journey of the universe. Prehistoric Terror Returns to Western Canada! The Sequel to Katie Berry's Award-winning Novel, CLAW: A Canadian Thriller is Here! Their shattered town rebuilt, the residents of Lawless, BC are once again ready to get on with their lives, the terrors from the past now behind them. A winter solstice festival is planned to celebrate both the holidays and the townspeople's determination to get things done. However, human nature and mother nature have different ideas. Between their caprices, Lawless is once again thrust into a maelstrom of avarice, vengeance and horrors from out of time. Battered by a huge snowstorm, the small mountain town must pull together and fight for their very lives against vicious predators from both the past and present now wreaking havoc in the surrounding valley. What Readers Say: "Couldn't put it down!" "It's a page-turner." "Great characters, both new and old." "Unexpected plot twists..." "More of what you loved from the first novel." The cracks are beginning to show in the idyllic Stonewylde community. As Yul and Sylvie's forbidden friendship grows into something deeper, Magus' true nature starts to emerge through his charming façade. Ever since Yul defied him at the Summer Solstice, his power has been waning, and his mood darkening. Yul is the problem - and Magus is going to deal with him. Nobody challenges his authority and survives. Sylvie is in danger too. Magus has discovered her secret and now, for all its beauty, her magical gift and Magus' desire to possess it is putting her life at risk. As each full moon rises Sylvie is made to suffer more, and the agony she endures as her magic is stolen leaves her increasingly exhausted, sapping her will to fight back. Unless Magus can be stopped, every full moon could be Sylvie's last. As glorious summer turns to golden autumn, the magic of Stonewylde is becoming a curse to the very people it should nurture ... Are Yul and Sylvie the only ones who see the truth behind Magus' mask of kindness? Why is everyone so deceived by his charm - and why is Mother Heggy, the mysterious wise-woman the only one who will help them? The darkness of winter is coming, and as it does Sylvie and Yul's lives hang by a whisker. Either they will save each other, or history will repeat itself at the sinister standing stone above the cliffs. Nathan Coulter, Wendell Berry's first book, was published in 1960 when he was twenty-seven. In his first novel, the author presents his readers with their first introduction to what would become Berry's life's work, chronicling through fiction a place where the inhabitants of Port William form what is more than community, but rather a "membership"

in interrelatedness, a spiritual community, united by duty and bonds of affection for one another and for the land upon which they make their livelihood. When young Nathan loses his grandfather, Berry guides readers through the process of Nathan's grief, endearing the reader to the simple humanity through which Nathan views the world. Echoing Berry's own strongly held beliefs, Nathan tells us that his grandfather's life "couldn't be divided from the days he'd spent at work in his fields." Berry has long been compared to Faulkner for his ability to erect entire communities in his fiction, and his heart and soul have always lived in Port William, Kentucky. In this eloquent novel about duty, community, and a sweeping love of the land, Berry gives readers a classic book that takes them to that storied place. Something's lying patiently in wait, until the time is right ... Thirteen years have passed since Yul fought for his life at the quarry, and Stonewylde has flourished in a new, golden age. But now the shadows are gathering. Wild and disobedient, Leveret is the bad girl who disappears at night time and would rather roam the woods than sit in school. Only Clip recognises the girl's magical sensitivity and believes she may be the one to lead Stonewylde out of the approaching darkness. The shadows thicken as Yul and Sylvie find that something - or someone - is tearing their beautiful relationship apart. As Stonewylde starts to disintegrate, a sinister alliance is forming but they have no idea what evil they're really up against ... Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family

hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.
