Saving Marty Jun 22 2020 Fans of *Because of Winn Dixie* will adore this warm and heart-wrenching story of the friendship between a boy and a pig who thinks it's a dog. Eleven-year-old Lorenzo Ventura knows heroes are rare—like his father, who died in the war, or his friend Paloma Lee, who fearlessly pursues her dream of being a famous musician. Renzo would never describe himself as a hero, but his chance comes when he adopts Marty, a runt piglet. Marty is extraordinary—he thinks he's a dog and acts like one too—and his bond with Renzo is truly one of a kind. At first, the family farm seems like the perfect home for Marty, but as he approaches 350 pounds, it becomes harder for Renzo to convince his mom that a giant pig makes a good pet. So when Marty causes a dangerous (and expensive) accident, Renzo knows Marty's time is up. He'd do anything and everything for his best friend, but will everything be enough to save Marty? Paul Griffin masterfully melds the heartrending and the hopeful in this unforgettable story about the power of friendship . . . and the unsung heroes all around us.

Read Until You Understand: The Profound Wisdom of Black Life and Literature Jul 04 2021 A PBS NewsHour Best Book of the Year A Publishers Weekly Best Book of the Year in Nonfiction A brilliant scholar imparts the lessons bequeathed by the Black community and its remarkable artists and thinkers. Farah Jasmine Griffin has taken to her heart the phrase "read until you understand," a line her father, who died when she was nine, wrote in a note to her. She has made it central to this book about love of the majestic power of words and love of the magnificence of Black life. Griffin has spent years rooted in the culture of Black genius and the legacy of books that her father left her. A beloved professor, she has devoted herself to passing these works and their wisdom on to generations of students. Here, she shares a lifetime of discoveries: the ideas that inspired the stunning oratory of Frederick Douglass and Malcolm X, the soulful music of Marvin Gaye and Stevie Wonder, the daring literature of Phillis Wheatley and Toni Morrison, the inventive artistry of Romare Bearden, and many more. Exploring these works through such themes as justice, rage, self-determination, beauty, joy, and mercy allows her to move from her aunt's love of yellow roses to Gil Scott-Heron's "Winter in America." Griffin entwines memoir, history, and art while she keeps her finger on the pulse of the present, asking us to grapple with the continuing struggle for Black freedom and the ongoing project that is American democracy. She challenges us to reckon with our commitment to all the nation's inhabitants and our responsibilities to all humanity.

Final Justice Jun 15 2022 Just as with his remarkable military novels, millions of readers have been captured by the rich characters and vivid realism of W. E. B. Griffin's police dramas.

“Griffin has the knack,” writes *The Philadelphia Inquirer*. He “sets his novel before you in short, fierce, stop-for-nothing scenes. Before you know it, you’ve gobbled it up.” Now, in *Final Justice*, Detective Matt Payne of the Philadelphia police department—newly promoted to sergeant and assigned to Homicide—finds himself in the middle of three major assignments. The first case, a fatal shooting at a fast-food restaurant, seems simple, but rapidly becomes complicated. The second, a rape that tumbled into murder, begins complicated and only gets more so, as it becomes apparent that the crime may be part of a disturbing, and escalating, pattern. The third is the most bizarre, as Payne becomes involved with a local figure who long ago fled the country, leaving behind the mummified body of his girlfriend in a trunk. Ever since, the murderer has been sending taunting postcards from his safe haven—but all that may be about to change. Weaving in and around this already hectic schedule are the visit to Philadelphia of the self-absorbed star of a series of improbable police movies, who wants Payne to show him “the real stuff,” and the appearance in Payne’s life of two very different women. Either one of them alone would be enough to set his head spinning, but together . . . this might be the most complicating thing of all. Filled with color and detail and plots as real as the headlines, this is a riveting novel of the men and women who put their lives on the line, from the cop on the beat to the commissioner himself. It’s a story of fears, dangers, courage, loyalty, and genuine heroism: storytelling at its best.

Year of the Griffin Dec 17 2019 It is eight years after the tours from offworld have stopped. High Chancellor Querida has retired, leaving Wizard Corkoran in charge of the Wizards' University. Although Wizard Corkoran's obsession is to be the first man on the moon, and most of his time is devoted to this project, he decides he will teach the new first years himself in hopes of currying the favor of the new students' families—for surely they must all come from wealth, important families—and obtaining

money for the University (which it so desperately needs). But Wizard Corkoran is dismayed to discover that one of those students—indeed, one he had such high hopes for, Wizard Derk's own daughter Elda—is a huge golden griffin, and that none of the others has any money at all. Wizard Corkoran's money-making scheme backfires, and when Elda and her new friends start working magic on their own, the schemes go wronger still. And when, at length, Elda ropes in her brothers Kit and Blade to send Corkoran to the moon . . . well . . . life at the Wizards' University spins magically and magnificently out of control. This breathtakingly brilliant sequel to Dark Lord of Derkholm is all one would expect from this master of genre.
