**Drilled** Jan 20 2023 IMOGEN: Jesse says you better know what you're doing with Franco. ME: Dude, I'm scared. IMOGEN: !! What? Tell me! ME: He makes me FEEL THINGS. It's icky and I don't like it. IMOGEN: You've known him what, a few hours? ME: I'm telling you, he scares the sh\*t out of me. But he's so good I can't stop myself. IMOGEN: Audra, seriously. Chill. It's been a couple hours. It's just insta-lust. I send Imogen another selfie, this one of my face—I'm biting my lower lip, eyes wide, glancing to the side at Franco laying next to me—his mouthwatering and lust-inducing body is on full display from the waist up. I send a caption a second later: ME: YOU DONT UNDERSTAND!!! HE'S GOT A MAGICAL D\*CK AND I'M FEELING THINGS!!! ME: Uh-oh. He's waking up. Time for round...3? 4? I've lost count. Tell me I'm a cold-hearted man-eating b\*tch with no soul. Tell ME! IMOGEN: You're a cold-hearted man-eating bi\*ch with no soul? Only, you're not. So...you're on own with this one. Except if you need me of course. I've got All Thai'd Up on speed dial, three bottles of Josh in the rack. ME: if this goes south—or anywhere except nowhere, you'd better make it four. Or six. Because we're either going to be incredible together, or we'll destroy each other. There will be no in between. I set the phone aside as Franco's stunning blue eyes open and fix hungrily on me. He reaches for me, and all thoughts are banished except one: God, I hope I know what I'm doing... I laugh internally at that, because does anyone know what they're doing? I know I sure as hell don't.

Screwed Feb 09 2022 "He has to be ready for it, Jess," I say, my voice low and quiet. Jesse nods. "I know. It's just that I'm a fixer, and his broken-ass heart is the one thing I can't fix." "No one can," I say. "I can't fix his broken heart. He has to be willing to be with me with a whole heart. There'd be pieces missing, and seams and cracks, but offered as a whole. I'm worth more than just taking the screwed up mess of him, just to have part. I want more than that—I deserve more. If he can get there, I'll be here waiting. I've got nothing but time, Jess. I'm not going anywhere, and I told him that. I'm willing to wait—because I think he's worth waiting for." I smile at Jesse. "If he can get his head out of his ass and work on rebuilding his broken-ass heart, he'll be worth having waited for." Except I've already waited so long. For him—for anyone, but especially for him. Endured so much. Spent so long alone, and lonely. And now James is RIGHT THERE, but still out of reach. My heart wants him, my body wants him, but my fears say he'll only hurt me. **Alpha** Jul 02 2021 The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.

Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

**Hard Rules** Jun 01 2021 Wall Street meets the Sons of Anarchy in *Hard Rules*, the smoldering, scorching first novel in the explosively sexy new Dirty Money series from New York Times bestselling author Lisa Renee Jones. How bad do you want it? The only man within the Brandon empire with a moral compass, Shane Brandon is ready to take his family's business dealings legitimate. His reckless and ruthless brother, Derek wants to keep Brandon Enterprises cemented in lies, deceit, and corruption. But the harder Shane fights to pull the company back into the light, the darker he has to become. Then he meets Emily Stevens, a woman who not only stirs a voracious sexual need in him, but becomes the only thing anchoring him between good and evil. Emily is consumed by Shane, pushed sexually in ways she never dreamed of, falling deeper into the all-encompassing passion that is this man. She trusts him. He trusts her, but therein lies the danger. Emily has a secret, the very thing that brought her to him in the first place, and that secret could destroy them both. This is book ONE of FOUR in Shane and Emily's story. Excerpt from *Hard Rules* (Dirty Money book #1) His hand curls around mine and he drags it to his knee, and the way he's looking at me, like the rest of the room, no, the rest of the world, doesn't exist, steals my breath. I haven't allowed anyone to really look at me in a very long time. "Emily," he says, doing whatever he does to turn my name into a sin that seduces rather than destroys me. "Shane," I manage, but just barely. "Did you say yes to dinner because you didn't want to be alone?" I am not sure where he is going with this, if it's about reading me or if he needs validation that I am here for him, so I give him both. "I like being alone," I say, and on some level, it really is true. "I said yes to dinner because you are the one who asked." My lips curve. "Actually you barely asked. You mostly ordered." "I couldn't let you say no." "I'm actually really glad you didn't." "And yet you say you like being alone?" "It's simple and without complication." "Spoken like someone who's lived the opposite side of the coin." "Haven't we all?" "Who burned you, Emily?" I blanch but recover with a quick, "Who says anyone burned me?" "I see it in your eyes." "Back to my eyes," I say. "Yes. Back to your eyes." "Stop looking." "I can't." Those two words sizzle, matching the heat in his eyes, and my throat goes dry. "Then stop asking so many questions." He reaches up, brushing hair behind my ear, his fingers grazing my cheek, and suddenly he is closer, his breath a

tease on my cheek, his fingers settling on my jaw. “What if I want to know more about you?” “What if I don’t want to talk?” “Are you suggesting I shut up and kiss you?” Yes, I think. Please. But instead I say, “I don’t know. I haven’t interviewed you as you have me. I know nothing about you. I want to know if you—” He leans in, and then his lips are on mine, a caress, a tease, that is there and gone, and yet I am rocked to the core, a wave of warmth sliding down my neck and over my breasts. He lingers, his breath fanning my lips, promising another touch I both need and want, as he asks, “You want to know if I what?” Everything. “Nothing.”

**Delilah's Diary: La Vita Sexy** Jul 14 2022 I've always been a good girl. I grew up in a small town, dated my high school sweetheart all the way through college, and married him. I even waited until our wedding night for my first time. Yeah, that kind of good girl. Finding my husband in bed with the church secretary came as quite a shock, needless to say. Finding out he'd slept with just about every female in town was an even bigger shock. Discovering those dirty little secrets is what sent me on a journey that I will never forget.

**Dirty Beasts** Sep 16 2022 We are the cast-offs, the forgotten, the broken; we are dark, dangerous men haunted by our violent pasts. The Guardian collects us, rehabilitates us, and gives us a new lease on life...if we follow a few, simple rules: Once you're in, there's no going back; never take a life; loyalty to the brotherhood above all. SIN is all I know—it's my whole world. And then I see HER, and everything changes. We share secret scars and sordid sins; we are both shackled to our pasts with no hope for a future...unless we can work together to slay our demons and discover the possibilities love and vulnerability can create.

**Stripped** Jun 13 2022 So how did I get myself into this situation, you ask? Simple: desperation. When you're faced with being homeless and hungry or taking off your clothes for money, the choice is easier than you'd imagine. That doesn't make it easy, though. Oh no. I hate it, in fact. There's nothing I'd like more than to quit and never go into another bar again, never hear the techno beat pulsing in my ears again, never feel the lecherous gazes of horny men again. Then, one day, I meet a man. He's in my club, front and center. He watches me do my routine, and his gaze is full of hunger. Not the kind of desire I'm used to though. It's something different. Something hotter, deeper, and more possessive. I know who he is; of course I do. Everyone knows who Dawson Kellor is. He's People Magazine's Sexiest Man alive. He's the hottest actor in Hollywood. He's the man hand-picked for the role of Rhett Butler in the long-awaited remake of *Gone With the Wind*. He's the kind of man who can have any woman in the entire world with a mere crook of his finger. So what's he doing looking at me like he has to have me? And how do I resist him when he looks at me with those intoxicating, changeable, quicksilver eyes? I'm a virgin, and he's an American icon of male sexuality. I'm a stripper, and he's a man used to getting anything and everything he wants. And he wants me. I know I should say no, I know he's the worst kind of player...but what my mind knows, my body and my heart may not. And then things get complicated.

**Cowboy in Colorado** Nov 06 2021 It should have been simple and straightforward—business, and nothing but business. A quick trip to Colorado to scout out a location for my newest real estate development acquisition. Fly in, drive to the location, talk the owners into selling, sign some

papers, and go home. A business trip like any other, something I've done hundreds of times without issue. This time, however, I was waylaid. First by a runaway horse—and then by an angry, stormy pair of vivid blue eyes, a massive, mountainous set of brawny shoulders, a strong, powerful pair of hands, and a voice like thunder over the horizon. Will is a man out of another era, a man of stillness and action in equal measure—a man in complete possession of himself and his world in a way I've never experienced. And suddenly, somehow, he comes to possess me, my mind, my heart, and and my body, in a way neither of us are ready for, and neither of us know how to resist. What should have been a simple business deal quickly spirals out of control, becoming a struggle of life and death, a battle of hearts and passion...

*Nailed* Sep 04 2021 RYDER: You are the most beautiful woman I've ever seen, Laurel. And if that's all of you I ever get to see, I'll be the luckiest man in the world for having seen it. I swallow hard. He wasn't supposed to make it sweet. He was supposed to leave it dirty and inappropriate, so I could tell myself all he wanted was sex. That all he cared about was getting me naked, or if not that, then at least seeing me naked. Instead, he turned it sweet. And I couldn't tell myself any lies to keep me on my high horse.
