Because you demanded it: Volume Two of the critically acclaimed Sabrina the Teenage Witch series by Kelly Thompson and Veronica & Andy Fish! Sabrina saved the day—saved her friends, her family—the whole town of Greendale really, and she should be riding high. But things are never quite that simple. She's trapped in a love triangle, she's having trouble balancing the mortal and witch parts of herself, oh yeah, and she's being blackmailed. As if all that wasn't enough, while trying to help Radka and Ren with their...supernatural problem, her aunts suddenly starting to look like people she can't trust. What's a teen witch to do?! Captain Marvel comes home! Carol Danvers has spent months in space protecting the planet, but now she's back on Earth. And New York City has never looked so good - until a powerful villain turns Manhattan's Roosevelt Island into an apocalyptic wasteland! Now, cut off from the rest of the world, Carol needs a new crew - including Spider-Woman, Hazmat and Echo - to kick-start a revolution! Then, Captain Marvel enlists in the War of the Realms! But when her Kree heritage is exposed to the world in dramatic fashion, Carol goes from beloved hero

to Public Enemy No. 1! As a new hero steps into the limelight, Carol can't help but wonder: Does the world even need Captain Marvel anymore? Plus: Head into the future for Carol Danvers' final story! Collecting CAPTAIN MARVEL (2019) #1-11 and CAPTAIN MARVEL: THE END. "Collecting Black Widow (2020) #11-15--by Kelly Thompson, Elena Casagrande, Rafael T. Pimentel, Elisabetta D'Amico and Jordie Bellaire"--Back cover. "The Widow has been a spy almost as long as she's been alive. And she's never stopped running, whether she was working for the good guys or the bad. But now something is very wrong with Natasha: she's...happy?! Retirement definitely agrees with the world's deadliest woman, as she revels in the perfect life that she never dreamed she could have. But scratch the surface of that perfect life and you'll find something very wrong lurking beneath it...and a woman like Nat just can't help but scratch. Beyond San Francisco's Golden Gate lies a mystery that only the Marvel Universe's greatest spy can solve!"-- Captain Marvel soars to great heights under the pen of Kelly Thompson! Carol Danvers has finally returned home after months in space, and New York has never looked so good - until a powerful villain turns Roosevelt Island

into an apocalyptic wasteland! Now Carol must assemble a new crew to kick-start a revolution! But soon she goes from Earth's Mightiest Hero to Public Enemy No. 1 when a new star steals the spotlight! And things go from bad to worse when Captain Marvel is given 24 hours...to kill the Avengers! What could possibly turn Carol against her allies? The shocks keep coming as Carol contends with the War of the Realms, the events of EMPYRE and a journey to a nightmarish future! But are you prepared for the last Captain Marvel story? Collecting CAPTAIN MARVEL (2019) #1-26 and CAPTAIN MARVEL: THE END. Collects Hawkeye (2016) #1-12. Remember Hawkeye? No, not that Hawkeye - your favorite Hawkeye! The former Young Avenger, the butt-kicking hero who had to save that other Hawkguy all the time and basically keep his life in some semblance of order. Yup, you know her - it's the dazzling Kate Bishop, making a splash in her own solo series as the City of Angels gets a new guardian angel. There are crimes to solve, and she's the best archer to handle 'em! But is she ready to face the ghosts of her past? This is Kate Bishop as you've never seen her before, in a stirring saga that really hits the mark! ALL THE STARS ALIGN AS KELLY THOMPSON AND CARMEN CARNERO TAKE ON MARVEL'S PREMIER FEMALE SUPER HERO! As Captain Marvel, Carol Danvers has spent months in space protecting Earth from alien

threats big and small, but now it's time for Earth's mightiest hero to come home. New York City has never looked so good. But every re-entry comes with the unexpected, and Carol is about to hit a whole lot of unexpected. It's a fresh start and an oversized, star-studded welcome home for a hero who's been punching the glass ceiling since the 1970s - and just in time for the first female-led film from Marvel Studios! The next 50 years of Captain Marvel starts here! COLLECTING: CAPTAIN MARVEL 1-6 Resources, checklists, instructions, and training materials for assessing student well-being. The transition to middle school is often fraught with emotional, social, and academic challenges for students. Often, teachers don't have the proper resources to identify students for whom this transition is becoming a problem. In this book, Ann Vander Stoep and Kelly Thompson provide teachers, counselors, and administrators with a complete package for implementing the "Emotional Health Checkup": a program designed to identify and help middle school students who are in need of additional emotional support. Readers will learn how to detect if a student's stress has shifted from a manageable level to an unhealthy "distress" level. They will then learn how to decide if the Emotional Health Checkup is a good fit for their school and how to get the school on board to implement the program. The book is an A-to-Z guide on how to implement the Emotional

Health Checkup once the need and commitment have been confirmed. Information includes: how to engage parents and guardians in the process, carry out the logistics of classroom screening day, and develop individualized student support plans. Complete orientation and training manuals are provided. Kelly Thompson (Mighty Morphin Power Rangers: Pink, Jem and the Holograms) and artist Brienne Drouhard (Harpy Gee) give us a dose of princess power with a twist in Mega Princess! On Princess Maxine Titan's 10th birthday, her fairy godmother grants her the powers of every princess, from speaking to animals to sensing a pea under a ton of mattresses. Max is more interested in being a detective than a princess, but when her baby brother goes missing, she'll have to combine her princess powers with her sleuthing prowess to get him back! Collects the complete limited series. \*\*WATCH OUT THE BITES!\*\* Uncle Creepy opens up a pet shop of horrors this April! Join us for housebroken beasts of the Felis, Canis, and monstrous varieties from such talented terror-tale tellers as Matthew Southworth, Kelly Thompson, Peter Bagge, and more! \* Animalistic anecdotes from Matthew Southworth (Stumptown) and Kelly Thompson (Jem and the Holograms)! \* Winner of the Ghastly Award for Best Anthology. Collects Black Widow (2020) #6-10. The Black Widow wraps her web around the Golden Gate! Natasha Romanoff has just been through the most emotional adventure of her long life, and the experience has left her looking to do things differently. Now allies new and old will come to her aid as the Widow returns to San Francisco! With a new suit, a new base of operations and a new perspective, Natasha sets her sights on a mysterious emerging threat in the city by the bay - a villain known only as Apogee. But Natasha might not be as ahead of the game as she thought, and not everyone in her orbit is exactly what they seem! San Francisco desperately needs the Black Widow - it just doesn't quite know it yet. Guest-starring the White Widow and Anya Corazon - but who is Lucy? (From the foreword) This Family History of Anderson County preserves the proud heritage of our county and communities as well as many of

our churches, businesses, organizations and families. Our intent is to record a picture of the people, organizations and activities for future generations. WHERE'S BESS!?!?!?! Nancy and the gang race against the clock to find Bess before she meets the same fate as the other women in their case. Can Nancy solve the mystery in time to save her friend and close a case that's haunted Bayport for nearly a decade? It's a sprint to the finish by writer KELLY THOMPSON (Hawkeye, West Coast Avengers) and artist JENN ST-ONGE (Giant Days, The Misfits) in this fiery conclusion! Collects Deadpool (2019) #1-6. A new era begins for the Merc with a Mouth! Deadpool's latest job has him going after the King of Monsters, who has claimed a new kingdom for his terrifying subjects: Staten Island! Soon, Wade Wilson finds himself with a new royal role — one that leaves him neck-deep in political intrigue, with major obstacles including Captain America and the monster-hunting Elsa Bloodstone in his way! Heavy hangs the head that wears the crown — particularly when it's in the sights of some of the deadliest people in the Marvel Universe! And Wade will find that out firsthand when Kraven the Hunter tries to take the throne for himself! Plus: The X-Men moved to a new island home — and nobody invited Deadpool! Well, that won't stop him crashing the party on Krakoa! "Black Hammer Created by Jeff Lemire and Dean Ormston. Kelly Thompson (Uncanny X-

Men) and artist Veronica Fish (Spider-Woman, Archie) team-up to tell the story of Sabrina Spellman. Sabrina is a teen witch who's struggling with balancing the double life of high school and her burgeoning powers. Newly relocated to Greendale with her aunts Hilda and Zelda (also witches), Sabrina is trying to make the best of being the new girl in town which so far includes two intriguing love interests, an instant rivalry, a couple of misfits that could turn into BFFs, and trying to save the high school (and maybe the world) from crazy supernatural events. NBD! Nancy Drew is seventeen and good at everything...ESPECIALLY solving crimes. But her totally-in-control-and-obviously-running-perfectly-smooth-(but-not-really) life hits a snag when a mysterious message drags her back to the hometown she left behind. There she'll have to find out which of her friends are still her friends, which are enemies, and who exactly is trying to kill her...and (hopefully) stop them before they succeed. KELLY THOMPSON (Uncanny X-Men, Mr. & Mrs. X, Jessica Jones) and JENN ST-ONGE (Giant Days, The Misfits) team up to present an all-new modern spin on a classic mystery icon! Hail to the King! Deadpool's unlikeliest career change yet sees him dethrone the King of Monsters -- and become the Merc with a Monarchy! His new kingdom? Staten Island...the place where monsters dwell! But his royal highness soon finds himself neck-deep in political intrigue,

facing major obstacles including Captain America and the monster-hunting Elsa Bloodstone! Uneasy lies the head that wears a crown -- and Wade will learn that lesson firsthand when Kraven the Hunter arrives with regicide on his mind! But when Elsa Bloodstone learns that she's dying, why is Deadpool the only one who can save her? Learn the truth of the Bloodstone curse, as action, adventure and a dimension full of hideous goo await! Plus: Wade invades the X-Men's island nation of Krakoa -- and King Deadpool takes on the King in Black!

COLLECTING: Deadpool (2019) 1-10 Collects Captain Marvel (2019) #12-17. Captain Marvel takes on the Avengers -- to the death! Carol Danvers has fought alien hordes. Rescued the X-Men. Punched Thanos in the face. Literally saved the world! But now she faces her greatest challenge: kill her fellow Avengers! And she has 24 hours to do it! But why?! As the nightmare becomes reality and Earth's Mightiest Heroes begin to fall one by one, what does this mean for Carol -- and for the world? When the mastermind behind Carol's deadly transformation is revealed, she must finally reconcile her human and alien sides -- or lose them both. But as a plan begins to form, will the power of the Avengers be enough to save the world? It's a shocking new direction for Captain Marvel -- and life on Earth will never be the same! With honesty, love, and humour, in this moving memoir, Kelly S. Thompson explores her

relationship with her older sister, Meghan. Tested by addiction, abuse, and illness, the sisters' relationship crumbles, only to be rebuilt into an everlasting bond. Kelly Thompson and her older sister, Meghan, are proof that sisterhood doesn't always equate to friendship. Growing up within a military family, the girls were close despite being temperamental opposites--Kelly, anxious and studious, looked to her big sister for comfort, and Meghan, who battled kidney cancer as a toddler, was gregarious and protective. But as she approached adulthood, Meghan spiralled into a cocaine and opioid addiction, and Kelly's relationship with her sister was torn apart. Their paths diverge as they live their own lives, and it is only when Meghan becomes a mother that she and Kelly tentatively face past hurts and reexamine what sisterhood really means. But their reunion is threatened when Meghan receives a shocking new diagnosis on a day that should be one for celebration. Now, as the family reels at the prospect of the biggest loss imaginable, Kelly and Meghan must share all that they can in the time that they have, using their mutual sense of humour to chart a course through the darkest of days. At once funny and heartbreaking, *Still, I Cannot Save You* is a story about addiction, abuse, and tragedy, but above all, it is a powerful portrait of an enduring love between sisters. Collects *A-Force* (2016) #5-10. *A-Force* is assembled -- but for how long? When a massive

dragon attacks, She-Hulk, Captain Marvel, Medusa, Dazzler, Nico Minoru and Singularity spring into action! But this dragon is more than she seems and has much bigger plans -- including turning one of the team's heaviest hitters against her allies! Will *A-Force* meet an early end at the hands of one of their own? Or will they be torn apart by the looming CIVIL WAR II? For when a predictive vision proclaims that one member is a murderer, Captain Marvel takes action -- and a rift is created that sets in motion a chain of devastating events! Plus: A dazzling Thor steals the limelight! The foul-mouthed, gun-toting Elsa Bloodstone will blow you away! And the fate of *A-Force* may lie in the magical hands of Nico Minoru The monster under the bed is real. In fact, all the monsters are real, as well as all the heroes and everything in between. All Fiction is real and lives in a place called Story. however, plenty of Fiction hangs out in the Mortal world living both innocent and nefarious lives. This might not mean much to the average Mortal unaware of the Fictional characters living among them, but for The Last Scion - the only Mortal that can kill Fiction - things are about to become very complicated. Tessa Battle is that Mortal. And Story is long from done with Tessa no matter how much she would like to deny her destiny. With more than one monster chasing her and questionable allies like The Snow Queen and Robin Hood, Tessa is going to need all the superpowers he inherited just to stay alive. In

fact, it may be a good thing that behind her back Stories call Tessa THE STORYKILLER. Jessica has just faced her greatest fears — her most dangerous enemy — and won! Surely everything is smooth sailing from here? Nope! Instead she finds a corpse in her office — the body of a woman who came to Jessica for help years ago with a case Jessica failed to solve. And now she's being framed for the woman's murder! As Jessica reopens her investigation in hopes of bringing Dia Sloane's killer to justice, she finds herself caught in the web of a serial killer intent on murdering women with powers. Can Jessica figure out how all the pieces connect before the killer claims their next victim? The Sorcerer Supreme, Doctor Strange, is not being helpful — shocker. But how is monster hunter extraordinaire Elsa Bloodstone tied up in this whole mess? What's to Love: We're so thrilled by the response to our Mighty Morphin Power Rangers comic series that we wanted to focus on some of the individual Rangers and let them shine in their own stories. First up is a series centered around Kimberly Hart, the Mighty Morphin Pink Ranger, and who better than Batgirl and Gotham Academy writer Brenden Fletcher and A-Force and Jem and the Holograms writer Kelly Thompson to bring it to us! Most Hilltoppers believe that Western Kentucky University is unique. They take pride in its lovely campus, its friendly spirit, the loyalty of its alumni, and its academic and athletic

achievements. But Western's development also illustrates a major trend in American higher education during the past century. Scores of other institutions have followed the Western pattern, growing from private normal school to state normal school, to teachers college, to general college, finally emerging as an important state university. Historian Lowell Harrison traces the Western story from the school's origin in 1875 to the January 1986 election of its seventh president. For much of its history, Western has been led by paternalistic presidents whose major battles have been with other state schools and parsimonious legislatures. In recent years the presidents have been challenged by students and faculty who have demanded more active roles in university governance, and by a Board of Regents and the Council on Higher Education, which have raised challenging new issues. Harrison's account of the institution's development is laced with anecdotes and vignettes of some of the school's interesting personalities: President Henry Hardin Cherry, whose chapel talks convinced countless students that "the Spirit Makes the Master"; "Uncle Ed" Diddle, whose flying towel and winning teams earned national basketball fame; "Daddy" Burton who could catch flies while lecturing; Miss Gabie Robertson, who held students into the next class period; the lone Japanese student who was on campus during World War II. Harrison also recalls steamboat excursions, the

Great Depression and the Second World War, the astounding boom in enrollment and buildings in the 1960s, the period of student unrest, and the numerous fiscal crises that have beset the school. This is the story of an institution proud of its past and seeking to chart its course into the twenty-first century. This inspiring, compelling debut memoir chronicles the experiences of a female captain serving in the Canadian Armed Forces, and her journey to make space for herself in a traditionally masculine world. At eighteen years old, Kelly Thompson enlisted in the Canadian Armed Forces. Despite growing up in a military family -- she would, in fact, be a fourth-generation soldier -- she couldn't shake the feeling that she didn't belong. From the moment she arrives for basic training at a Quebec military base, a young woman more interested in writing than weaponry, she quickly realizes that her conception of what being a soldier means, forged from a desire to serve her country after the 9/11 attacks, isn't entirely accurate. A career as a female officer will involve navigating a masculinized culture and coming to grips with her burgeoning feminism. In this compulsively readable memoir, Thompson writes with wit and honesty about her own development as a woman and a soldier, unsparingly highlighting truths about her time in the military. In sharply crafted prose, she chronicles the frequent sexism and misogyny she encounters both in training and later in the workplace, and explores her

own feelings of pride and loyalty to the Forces, and a family legacy of PTSD, all while searching for an artistic identity in a career that demands conformity. When she sustains a career-altering injury, Thompson fearlessly re-examines her identity as a soldier. *Girls Need Not Apply* is a refreshingly honest story of conviction, determination, and empowerment, and a bit of a love story, too. *Collects Black Widow (2020) #11-15*. With Apogee in her rearview mirror, the Black Widow pushes forward once again with her plans to become the hero that San Francisco needs. But when an old source sends Natasha and her team looking for an enigmatic pair known only as the Twins, will they be friends or foes? Natasha knows no fear, but that all changes as she faces a threat from her past! Who could have such a hold over the Black Widow? You think you know the story of her time in Madripoor, but you never witnessed her greatest fight - or her most decisive defeat. The Living Blade is the one skeleton in Natasha's closet that she hoped she'd never encounter again - and this time, he won't let his quarry escape! *Collects Star (2020) #1-5*. The breakout character from CAPTAIN MARVEL flies solo! Ambitious reporter Ripley Ryan recently became the hero Star, adored by all. But in truth she was Dr. Minerva's attempt at a Kree/human weapon. Star tried to kill Captain Marvel — and failed. Ripley was locked in the Raft, defeated and powerless. But now the Reality Stone has

found her, and no prison can hold her! You thought you knew what the Infinity Stones were capable of? Think again! As Star struggles to master her abilities, the Scarlet Witch pays her a visit. But is Wanda here to guide a fledgling hero — or put down a deadly villain? And when news spreads about Ripley's new power, she becomes the target of the galaxy's greatest hunters — including Thanos' deadly Black Order! And as everything unravels for Star, Captain Marvel shows up for a rematch! *Collects Black Widow (2020) #1-5*. Something is very wrong with Natasha: She's...happy?! Kelly Thompson. *Black Widow*. 'Nuff said! The best-selling, Eisner Award-nominated writer of CAPTAIN MARVEL joins rising-star artist Elena Casagrande to change everything for Natasha Romanoff! The Widow has been a spy almost as long as she's been alive. And she's never stopped running, whether she was working for the good guys or the bad. But retirement definitely agrees with the world's deadliest woman as she revels in the perfect life she never dreamed she could have. But scratch the surface of that perfect life and you'll find something very wrong lurking beneath it — and a woman like Nat just can't help but scratch. Beyond San Francisco's Golden Gate Bridge lies a mystery only the Marvel Universe's greatest spy can solve! Prepare for a can't-miss thrill ride! "In a moment of weakness, she wishes her broken heart away and a mysterious stranger-who may or may not be totally evil-

oblige. But emptiness is even worse than grief, and Emma sets out to collect the seven pieces of her heart spread across the country, a journey that forces her to face her own history and the cost of recapturing it, and leads inevitably to a confrontation with the Man with No Name himself"-- Kelly Thompson! Leonardo Romero! An exciting reimagination of the Eisner Award-winning Black Hammer series told by guest writers and artists such as Patton Oswalt, Geoff Johns, Mariko Tamaki, Chip Zdarsky, Kelly Thompson, and more of comic's top talents! Eisner nominated writer Kelly Thompson and her superstar Marvel collaborators on Hawkeye Leonardo Romero and Jordie Bellaire team up once again for an action-packed Black Hammer one-shot that pits the powerful Spiral City vigilante Skulldigger against a new and cunning thief that is sure to leave him with scars. Part of an expansive look at the Black Hammer universe following a full cast of colorful characters. *Collects Deadpool (2019) #1-10*. Hail to the King! Deadpool's unlikeliest career change yet sees him dethrone the King of Monsters - and become the Merc with a Monarchy! His new kingdom? Staten Island - the place where monsters dwell! But his royal highness soon finds himself neck deep in political intrigue - and facing major obstacles including Captain America and the monster-hunting Elsa Bloodstone! Uneasy lies the head that wears a crown - and Wade will learn that lesson firsthand when Kraven the

Hunter arrives with regicide on his mind! But when Elsa learns she's dying, why is Deadpool the only one who can save her? Learn the truth of the Bloodstone curse as action, adventure and a dimension full of hideous goo await! Plus: Wade invades the X-Men's island-nation of Krakoa - and King Deadpool takes on the King in Black! Part two in the saga of THE SILVER COIN from all-star creators MICHAEL WALSH, CHIP ZDARSKY, KELLY THOMPSON, ED BRISSON, and JEFF LEMIRE! In 1993, classic mean girls bully a misfit teen at an idyllic summer camp. When the teen reclaims her power after a violent encounter with The Silver Coin, what follows is the stuff of horror movie legend. The ultimate princess is here from writer Kelly Thompson (Mighty Morphin Power Rangers: Pink, Jem and the Holograms) and Disney artist Brianne Drouhard! During Princess Maxine's 10th birthday, her fairy godmother grants her the gifts of EVERY fairy tale princess, which...sounds a lot cooler than it actually is, in Max's opinion. She doesn't want to sing on key or feel a pea under 20 mattresses—she wants to be a detective! At least the power to talk to animals is cool, but her pony Justine is downright saucy. They don't get along. When her little brother, Prince Robert VI (better known as Baby Bobs), goes missing, Max and Justine are on the case, and her new Mega Princess powers just might come in handy after all!
