The magical tide is turning, and the immortals who have walked the world for aeons are once again coming into their powers-powers that will cause devastation when they reach their full strength. Sunset Hill was a tiny, quiet town with an aerial view of all the surrounding cities. It was peaceful. Bad things just didn't happen there. On those summer evenings when the sky was lit up in striking colors of gold, pink, and orange, folks were sure that God must live there, too. And when the lilac trees were in full bloom and that heavenly scent was carried by a breeze, you knew you had found paradise. "Was it a homicide or a suicide?" Jennifer asked her friend, Alice, whose neighborhood had just been rocked by the news of a

dreadful death. A woman in her early thirties, Katie Percival, had been found lifeless lying in a pool of blood in her basement. It was Alice, herself, that had discovered the grizzly scene. This book is so much more than just another murder mystery. It's so much more than just entering a world of fantasy where you become the detective. Instead, it is the story of some ordinary people who found some extraordinary grace in the midst of some very tragic mistakes. Isaiah 55:7: Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon. God Said, 'Vengeance is Mine' (But the Lord Does Subcontract) By: Aundrie McHenry If you could see the future... would you have the courage to change it? Dreyu Nattaya-Hayabusa has abilities beyond the norm, even for his extraordinary kin. Read his story and embrace a world that could have been.. When encountering a whirlwind of emotions, it is often difficult to know just what to do. When facing difficult situations, whom do you turn to? And in times of extreme happiness, do you first thank the one who is responsible for that joy? Nancy Hurley learned at a young age that turning to God in every circumstance is the only way to make it through the tough times. When faced with the threat of a sexual predator, Nancy Hurley turned to God. When she was repeatedly put down and belittled by family members, Nancy turned to God. When she married her husband, Ron, and gave birth to her two sons, Nancy turned to God. Nancy's conversations with her Lord have been a constant in her life from the time she had to have her tonsils removed. When she was frightened, lost, sad, and overjoyed, Nancy knew the Lord would see her safely through. You will find comfort in the heartfelt prayers Nancy lifts up to God in times of need and times of joy and will be inspired by the intimate relationship Nancy shares with the one who has been her strength through thick and thin in Close Encounters with My Lord. St. Cyril of Jerusalem wrote: The dragon sits by the side of the road, watching those who pass. Beware lest he devour you. The late author Flannery O'Connor suggested that no matter the particular manifestation of the dragon, it is of this mysterious passage past him, or into his jaws, that stories of any depth will always be concerned to tell. If You Were Mine deals gently and compassionately with a very painful consequence of falling into sexual temptation from the perspective of a young woman's experience. It is a love story turned tragic, as the protagonist fails to listen to her heart in her own defining moment before the dragon's story told simply and sweetly, offering eventual hope, healing and release from the dragon's jaws. And though it may seem obvious that preachers should be careful and exacting in word choice, preachers often set aside this aspect of preaching in favor of exegesis, form, and sermonic focus, and make such language work a secondary task. In *Finding Language and Imagery*, Jennifer L. Lord asserts that, because language shapes faith, preachers must be disciplined to find fresh words for sermons and to make good choices about both their own words and those borrowed from others. By presenting key tools and terms, along with writing, exercises, Lord helps users develop both their understanding of language and their skills to capture the religious imagination of their listeners. Love Is The Heart's Gift From God! The author of the trilogy: A Twisted Shade of Green returns with an attention-grabbing, soul-questing finale, Betrayal. Glen Monroe's world once was filled with ecstasy as he ensnared a woman's entire being with just one look. Glen's eyes dazzle with a hint of lust and revenge doused with lies and secrets that intrigue all women. That was before Glen met true love, Kali Mathias! And now, that essence of being kissed by Judas outpour from the pores of the very ones Glen least expected to do him wrong. His sister, ex-lover, and best friend! Could it possibly be the end of Glen's true love? How would such love survive within Glen's turned upside-down trial of trickery and backstabbing? The existence where he no longer knows if he belongs nor who that person glaring him back in the face really was anymore as Glen quietly sighs, whispering. "Who am I to be anyone's father? I'm a man undressed of honor and pride by his own flesh and blood!" Glen wonders. Where does Kali Mathias fit in? Because a life facing one scheming thing after another is all Glen could promise Kali. Particularly now that his life has become a three-ring circus with Iona Monroe's lies and Baby Mama Drama. It's no longer Kali and him, but an ex-lover and a child, Glenalina Monroe. Glen smiles, asking himself. "Is this the cost for being a man which every woman desires to be hers?" And when his life is the most vulnerable, God finally answered Glen's prayers for true love. But this revelation of Kali being Mrs. Glen Monroe was no longer his. Like Moses in the Bible, God permitted him to see the altar of love with Kali Mathias as a potential wife. The only woman Glen knows was ordained by God to be his now has doubts planted by his ex-lover. Can Kali's heart overcome the suspicion of Iona's unjust claim of him being the father of her baby, Glenalina Monroe? Leaving everyone wanting to know. "Who is the father of Glenalina Monroe? Or perhaps wondering is the child even Iona's baby?" A renowned rake, Cameron Mackenzie doesn't care if Ainsley Douglas has a virtuous excuse for sneaking around his bedchamber. Fasting is about feasting on more of God! When many hear the word fasting, they immediately think of what they have to give up. But what if fasting is actually a sacred doorway into fresh encounters with the all-consuming fire of God? Author and revival historian, Jennifer Miskov, has tapped into an ancient pathway to divine encounter. She has given her life to studying how the greater pioneers of revival experienced dynamic moves of the Holy Spirit, both in their personal lives and in the corporate church. One of the key common denominators has been fasting. Historically, fasting was never a formula for holiness or a means to manipulate God. In fact, in revival history, the fasting ones were actually the feasting onesthose who single-mindedly aligned themselves with what

heaven wanted to release into earth. In Fasting for Fire, you will discover and experience: Deeper levels of union and connection with Jesus. Greater flow of revelation from the Holy Spirit. Extraordinary miracles, signs and wonders, supernatural power. Increased hunger for God. The supernatural benefits of fasting. The dimensions of fire fasting. Testimonies of revivalists like John Wesley, Smith Wigglesworth, and William J. Seymour who experienced significant God-encounters through fasting. Featuring easy-to-follow fasting exercises, Scripture meditations, reflection questions, activations, and special chapters by Randy Clark and Lou Engle, Fasting for Fire will stir you to pursue the presence of God with more passion and zeal than ever before! The author of The Stolen Mackenzie Bride returns to the tumultuous and passionate world of the Mackenzie clan as a family celebration is shaken by an unexpected danger... Ian Mackenzie and his brothers must do what they can to retrieve the family treasure, but Ian is distracted by a family friend who claims he might have the power to "cure" Ian of his madness forever. All the Mackenzies must draw together as courage, love, and a tantalizing mystery serve to strengthen their bond, and redefine the meaning of family. scripture readings for Lent and Easter. Key Bible readings call us to praise God as we we contemplate the crucifixion and resurrection of Jesus Christ. Through the readings, we hear the call to celebrate God's salvation and new life offered through Jesus Christ. The season of Lent offers opportunities to reflect on God's redemptive action and to explore means of grace that help us experience transformation, a key focus of Lenten worship, study, and prayer. The Lord is Our Salvation is based upon the Revised Common Lectionary scriptures for year B of the church year, a three-year cycle of Bible readings. The study includes commentary and reflection on readings from the Old Testament, the Gospels, and the Epistles. It offers the opportunity to explore these Bible readings in a seven-session study. It will help participants understand, appreciate, and engage in meaningful and life-changing spiritual practices. The study book includes a leader guide with information about the season of Lent, suggestions for starting and leading small groups, Bible background, and discussion activities. She was then confronted by the man who had been stalking her. What happened next devastated her family, friends, students and the entire community. But what took place that

morning, however heartbreaking, is not the real story of Jennifer Ann Paulson. The Jennifer Paulson story is simple in its form, but with an underlying message of hope, determination, commitment and perseverance. Journey with her through every stage of her life as God shapes and molds her into a genuine woman of impact. Told through memories, letters, journal entries, laughter and tears, her story will motivate every reader to pursue a life worth living. To honor the legacy of Jennifer Paulson, and capture her spirit, 100% of the profits from this book will be donated, in her memory, to causes her family believes she would support (such as Scholarships, victims' help programs, books and educational help for children). May God bless all who read her story. One hundred billion years in the future, another empire discovers the Patmos, which is the complete history of humanity, good and bad. Upon the private viewing, the resident gods declare it too dangerous. The Patmos has within it material that, when viewed, could release the Knowledge of Evil, a concept that could, like a virus, destroy their universe. Likewise, this small Patmos ball is composed of complete atoms, as they could destroy millions of stars. Their governing council sends the Patmos through a series of wormholes to other dimensions. They also call back all their giant space worlds, as ships are a far-distant memory, if another Patmos was somehow dispatched. Life in the Patmos witnessed the chosen earthlings and viewed the earth as it passed through the Great Tribulation, where humanity is rendered extinct. They survived World War III in which the Eagle, Dragon, and Bear die, allowing a silent monster to recreate an old empire and rule the world. He begins his genocide, sparing Israel, which he gives a nice new temple, only to betray them. His empire suffers through twenty-one judgments, which leaves those with his mark doomed as he loses both the physical and spiritual last war and gets a kick from the archangel Michael for the bottomless pit, as the journey for the victors is only beginning.
