The Bridge of San Luis Rey Jan 08 2022 Winner of the Pulitzer Prize "As close to perfect a moral fable as we are ever likely to get in American literature." —Russell Banks "There are books that haunt you down the years, books that seem to touch and stir something deep inside you. . . . Wilder's *The Bridge of San Luis Rey* is of this kind." —The Independent (London) "On Friday noon, July the twentieth, 1714, the finest bridge in all Peru broke and precipitated five travelers into the gulf below." This immortal sentence opens *The Bridge of San Luis Rey*, one of the towering achievements in American literature, winner of the Pulitzer Prize, and a novel still read throughout the world. Brother Juniper, a Franciscan monk, witnesses the tragic event. Deeply moved, he embarks on a quest to prove that it was divine intervention, not chance, that led to the deaths of the five people crossing the bridge that day. Ultimately, his search leads to a timeless investigation into the nature of fate and love, and the meaning of the human condition. This beautiful edition includes a foreword by acclaimed author Russell Banks and an afterword by Thornton Wilder's nephew, Tappan, with illuminating documentary material about the novel and its rich literary history.

Broken Irish Jun 01 2021 A passionate, heartbreaking story of authority and revenge, alcoholism and futile redemption set in south Boston in the late 1990s.

The Neon Bible Mar 30 2021 "A moving evocation of the small-town South in the mid-twentieth century" that "belongs on the shelf with the works of Flannery O'Connor, Carson McCullers, and Eudora Welty" (Orlando Sentinel). John Kennedy Toole—who won a posthumous Pulitzer Prize for his best-selling comic masterpiece *A Confederacy of Dunces*—wrote *The Neon Bible* for a literary contest at the age of sixteen. The manuscript languished in a drawer and became the subject of a legal battle among Toole's heirs. It was only in 1989, thirty-five years after it was written and twenty years after Toole's suicide at thirty-one, that this amazingly accomplished and evocative novel was freed for publication. "Heartfelt emotion, communicated in clean direct prose . . . a remarkable achievement." —Michiko Kakutani, *The New York Times* "John Kennedy Toole's tender, nostalgic side is as brilliantly effective as his corrosive satire. If you liked *To Kill A Mockingbird* you will love *The Neon Bible*." —Florence King "Shockingly mature. . . . Even at sixteen, Toole knew that the way to write about complex emotions is to express them simply." —Kerry Luft, *Chicago Tribune*

A Confederacy of Dunces Mar 18 2020 Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—*The New York Times Book Review* *A Confederacy of Dunces* is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, *Chicago Sun-Times*).

Drifting House Apr 18 2020 An unflinching portrayal of the Korean immigrant experience from an extraordinary new talent in fiction. Spanning Korea and the United States, from the postwar era to contemporary times, Krys Lee's stunning fiction debut, *Drifting House*, illuminates a people torn between the traumas of their collective past and the indignities and sorrows of their present. In the title story, children escaping famine in North Korea are forced to make unthinkable sacrifices to survive. The tales set in America reveal the immigrants' unmoored existence, playing out in cramped apartments and Koreatown strip malls. A makeshift family is fractured when a shaman from the old country moves in next door. An abandoned wife enters into a fake marriage in order to find her kidnapped daughter. In the tradition of Chang-rae Lee's *Native Speaker* and Jhumpa Lahiri's *Interpreter of Maladies*, *Drifting House* is an unforgettable work by a gifted new writer.

World's End Jul 22 2020 From the acclaimed author of *The Jungle*: The first in a Pulitzer Prize-winning historical saga about the son of an American arms dealer during WWI. Lanning "Lanny" Budd spends his first thirteen years in Europe, living at the center of his mother's glamorous circle of friends on the French Riviera. In 1913, he enters a prestigious Swiss boarding school and befriends Rick, an English boy, and Kurt, a German. The three schoolmates are privileged, happy, and precocious—but their world is about to come to an abrupt and violent end. When the gathering storm clouds of war finally burst, raining chaos and death over the continent, Lanny must put the innocence of youth behind him; his language skills and talent for decoding messages are in high demand. At his father's side, he meets many important political and military

figures, learns about the myriad causes of the conflict, and closely follows the First World War's progress. When the bloody hostilities eventually conclude, Lanny joins the Paris Peace Conference as the assistant to a geographer asked by President Woodrow Wilson to redraw the map of Europe. Perfect for fans of *The Winds of War*, *World's End* is the magnificent opening chapter of a monumental series that brings the first half of the twentieth century to vivid life. A thrilling mix of history, adventure, and romance, the Lanny Budd Novels are a testament to the breathtaking scope of Upton Sinclair's vision and his singular talents as a storyteller.

A Family of His Own Apr 11 2022 A family of his own covers Edwin O'Connor's comfortable upbringing in Rhode Island, his formation at Notre Dame, his obscure years in radio and the Coast Guard during World War II, his adoption of Boston, his long association with his publishers at "Atlantic Monthly" and Little, Brown and Company, his toil in journalism and television reviewing, his several sojourns in Ireland, and his extraordinary dedication to his craft while living close to poverty. For the years after "The Last Hurrah," Duffy examines O'Connor's handling of newfound wealth and celebrity, his growing loneliness, the surprise and fulfillment of a late marriage, his failure on Broadway, and his return to fiction. Throughout his writing O'Connor's major subject was the family, especially the gains, losses, and conflicts within assimilated Irish America. Duffy examines the complex ways by which O'Connor's own experience of family and friendship formed essential patterns in his works.

The Ink Truck Feb 26 2021 A "wildly funny" novel of a monumentally unsuccessful newspaper strike in 1960s upstate New York from a Pulitzer Prize-winning author (People). The newspaper strike has stretched on for more than a year. When it began, the Guild boasted over 250 members. Now, they're down to eighteen, with only three truly serious about the cause. Their leader, Bailey, is a columnist with an outsize sense of his own importance and a hatred of scabs that borders on fanaticism. Married to a roller derby queen, but smitten with one of his fellow radicals, Bailey is on a path of self-destruction that could take the entire city's newspaper establishment down along with him. And that's just what he has in mind. With the cape-wearing old-school Rosenthal at his side, Bailey embarks on a mad mission: hijacking the newspaper's entire ink shipment and dumping it in the snow. But he's hardly taken his first step when the scheme spins out of control, trapping him between armies of gypsies, scabs, and the wildest hippies New York has to offer. Set in a city closely resembling his native Albany, the fiction debut of William Kennedy is "a bawdy Celtic romp," foreshadowing the wit and imagination that marked his literary career (Time).

The Warrior Within Jan 16 2020 This hurting world needs men of character and integrity, fathers, leaders, warriors, who will not only take a stand for godliness and righteousness, but who will also raise future generations of godly, righteous men. Where can one find the model for such a man? In *The Warrior Within*, Pat Williams combines solid biblical principles, powerful contemporary stories and an imaginative narrative of the life of Asher to discover how Christian men can become complete and dynamically effective in the four crucial dimensions of manhood.

My Documents Jan 28 2021 Archived in a folder on award-winning author Alejandro Zambra's desktop are 11 stories of liars and ghosts, armed bandits and young lovers. Intimate, mysterious, and uncanny, these stories reveal a mind that is as undeniably singular as it is universal. Together, they constitute the debut short-story collection from Zambra, whose first novel was heralded as a "bloodletting in Chilean literature." Whether chronicling the return of a mercurial godson or the disappearance of a trusted cousin, the worlds of these stories are so powerful and deep that the works might better be described as brief novels. *My Documents* is by turns hilarious and heart-stopping, tragic and tender, but most of all, it is unflinchingly human and essential evidence of a sublimely talented writer working at the height of his powers.

Ring of Bright Water Sep 23 2020 This volume weaves together the Scottish otter stories from Gavin Maxwell's three non-fiction books, *Ring of Bright Water* (1960), *The Rocks Remain* (1963), and *Raven Meet Thy Brother* (1969). Maxwell was both an extraordinarily evocative writer and a highly unusual man. While touring the Iraqi marshes, he was captivated by an otter and became a devoted advocate of and spokesman for the species. He moved to a remote house in the Scottish highlands, co-habiting there with three otters and living an idyllic and isolated life – at least for a while. Fate, fame, and fire conspired against this paradise, and it, too, came to an end, though the journey was filled with incident and wonder. Maxwell was also talented as an artist, and his sinuous line drawings of these amphibious and engaging creatures, and the homes they occupied, illustrate his story. This book stands as a lasting tribute to a man, his work, and his passion. It was received and has endured as a classic for its portrait not only of otters but also of a man who endured heartaches and disappointments, whose life embodied both greatness and tragedy. He writes with rare eloquence about his birth, his devotion to the beloved Scottish highlands, and the wildlife he loved, while refusing to ignore the darker aspects of his nature and of nature in its larger sense.

Books Are Made Out of Books Oct 13 2019 A "comprehensive and enlightening" study of Cormac McCarthy's literary influences, based on newly acquired archival materials (Times Literary Supplement). Though Cormac McCarthy once told an interviewer for the New York Times Magazine that "books are made out of books," he has been famously unwilling to discuss how his own writing draws on the works of other writers. Yet his novels and plays masterfully appropriate and allude to an extensive range of literary works, demonstrating that McCarthy is well aware of literary tradition, respectful of the canon, and deliberately situating himself in a knowing relationship to precursors. The Wittliff Collection at Texas State University acquired McCarthy's literary archive in 2007. In *Books Are Made Out of Books*, Michael Lynn Crews thoroughly mines the archive to identify nearly 150 writers and thinkers that McCarthy himself references in early drafts, marginalia, notes, and correspondence. Crews organizes the references into chapters devoted to McCarthy's published works, the unpublished screenplay *Whales and Men*, and McCarthy's correspondence. For each work, Crews identifies the authors, artists, or other cultural figures that McCarthy references; gives the source of the reference in McCarthy's papers; provides context for the reference as it appears in the archives; and explains the significance of the reference to the novel or play that McCarthy was working on. This groundbreaking exploration of McCarthy's literary influences—impossible to undertake before the opening of the archive—vastly expands our understanding of how one of America's foremost authors has engaged with the ideas, images, metaphors, and language of other thinkers and made them his own.

A Family of His Own Nov 18 2022 When "The Last Hurrah" was published in 1956, the obscure Edwin O'Connor gained sudden wealth and fame. This biography covers his comfortable upbringing in Rhode Island, his formation at Notre Dame, his toil in journalism and television reviewing and more.

The Edge of Sadness Feb 21 2023 "A realistic Christian novel of hope in a non-Christian age."-New England Quarterly "A deeply felt and eloquently expressed work . . . A quiet, gentle novel of considerable insight and charm . . ."-Library Journal "O'Connor succeeds in delineating poignantly the overwhelming spiritual storms of the soul which assail the conscientious clergyman."-The Christian Century Winner of the Pulitzer Prize for Fiction In this moving novel, Father Hugh Kennedy, a recovering alcoholic, returns to Boston to repair his damaged priesthood. There he is drawn into the unruly world of the Carmodys, a sprawling, prosperous Irish family teeming with passion and riddled with secrets. The story of this entanglement is a beautifully rendered tale of grace and renewal, of friendship and longing, of loneliness and spiritual aridity giving

way to hope.

The Craft of Research, 2nd edition Dec 27 2020 Since 1995, more than 150,000 students and researchers have turned to *The Craft of Research* for clear and helpful guidance on how to conduct research and report it effectively. Now, master teachers Wayne C. Booth, Gregory G. Colomb, and Joseph M. Williams present a completely revised and updated version of their classic handbook. Like its predecessor, this new edition reflects the way researchers actually work: in a complex circuit of thinking, writing, revising, and rethinking. It shows how each part of this process influences the others and how a successful research report is an orchestrated conversation between a researcher and a reader. Along with many other topics, *The Craft of Research* explains how to build an argument that motivates readers to accept a claim; how to anticipate the reservations of thoughtful yet critical readers and to respond to them appropriately; and how to create introductions and conclusions that answer that most demanding question, "So what?" Celebrated by reviewers for its logic and clarity, this popular book retains its five-part structure. Part 1 provides an orientation to the research process and begins the discussion of what motivates researchers and their readers. Part 2 focuses on finding a topic, planning the project, and locating appropriate sources. This section is brought up to date with new information on the role of the Internet in research, including how to find and evaluate sources, avoid their misuse, and test their reliability. Part 3 explains the art of making an argument and supporting it. The authors have extensively revised this section to present the structure of an argument in clearer and more accessible terms than in the first edition. New distinctions are made among reasons, evidence, and reports of evidence. The concepts of qualifications and rebuttals are recast as acknowledgment and response. Part 4 covers drafting and revising, and offers new information on the visual representation of data. Part 5 concludes the book with an updated discussion of the ethics of research, as well as an expanded bibliography that includes many electronic sources. The new edition retains the accessibility, insights, and directness that have made *The Craft of Research* an indispensable guide for anyone doing research, from students in high school through advanced graduate study to businesspeople and government employees. The authors demonstrate convincingly that researching and reporting skills can be learned and used by all who undertake research projects. New to this edition: Extensive coverage of how to do research on the internet, including how to evaluate and test the reliability of sources New information on the visual representation of data Expanded bibliography with many electronic sources

Boy in the Hole May 20 2020 From an anti-other political climate comes a novel that gives voice to outcasts tyrannized by power. *Boy in the Hole* is the gripping account of Jacob, a boy wrestling to understand himself, his family, and the world in which he lives as he grows up in the Deep South in the seventies. Emerging from a family of sexual deviancy and alcoholism masked by religion and wealth, Jacob learns to define who he is, but struggles to find the balance between faith and sexuality. To embrace his true identity, he must go on an exodus to face his demons and overcome the pressures to conform. But his parents' toxic beliefs and the messages of self-hate taught by religion and society could prove his undoing. Will Jacob love himself despite the potential isolation? Or will he conform to the norms and settle for mediocrity--and a life in which he can never truly live?

The Reivers Oct 05 2021 One of Faulkner's comic masterpieces, *The Reivers* is a picaresque that tells of three unlikely car thieves from rural Mississippi. Eleven-year-old Lucius Priest is persuaded by Boon Hogganbeck, one of his family's retainers, to steal his grandfather's car and make a trip to Memphis. The Priests' black coachman, Ned McCaslin, stows away, and the three of them are off on a heroic odyssey, for which they are all ill-equipped, that ends at Miss Reba's bordello in Memphis. From there a series of wild misadventures ensues-involving horse smuggling, trainmen, sheriffs' deputies, and jail.

The Quick and the Dead Jun 20 2020 A Pulitzer Prize Finalist from one of our most heralded writers—the “poetic, disturbing, yet very funny” (The Washington Post Book World) life-and-death adventures of three misfit teenagers in the American desert Alice, Corvus, and Annabel, each a motherless child, are an unlikely circle of friends. One filled with convictions, another with loss, the third with a worldly pragmatism, they traverse an air-conditioned landscape eccentric with signs and portents—from the preservation of the living dead in a nursing home to the presentation of the dead as living in a wildlife museum—accompanied by restless, confounded adults. A father lusts after his handsome gardener even as he's haunted (literally) by his dead wife; a heartbroken dog runs afoul of an angry neighbor; a young stroke victim drifts westward, his luck running from worse to awful; a sickly musician for whom Alice develops an attraction is drawn instead toward darker imaginings and solutions; and an aging big-game hunter finds spiritual renewal through his infatuation with an eight-year-old—the formidable Emily Bliss Pickless. With nature thoroughly routed and the ambiguities of existence on full display, life and death continue in directions both invisible and apparent. Gloriously funny and wonderfully serious, *The Quick and the Dead* limns the vagaries of love, the thirst for meaning, and the peculiar paths by which all creatures are led to their destiny. A panorama of contemporary life and an endlessly surprising tour de force: penetrating and magical, ominous and comic, this is the most astonishing book yet in Joy Williams's illustrious career. Joy Williams belongs, James Salter has written, "in the company of Céline, Flannery O'Connor, and Margaret Atwood."

The Travels of Jaimie McPheeters (Arbor House Library of Contemporary Americana) Mar 10 2022 With more than one million copies in print since its first publication in 1959, this Pulitzer Prize-winning classic details the journey of 13-year-old Jaimie and his father from Kentucky to gold-rush California in 1849.

Quentin and Flora Nov 13 2019 The tale of Quentin Roosevelt, President Theodore Roosevelt's youngest son, and his secret fiancée, Flora Payne Whitney. At the ebb of the Gilded Age, young Quentin is the scion of America most celebrated political family. Lovely Flora is the privileged daughter of the Whitneys and the Vanderbilts, two of the nation's richest dynasties. The lives of Quentin and Flora intersect at the dawn of the Great War in Europe after each has grown up in the public spotlight -- he in the White House and she in the storied mansions of New York and Newport. His childhood precociousness charms the nation and parallels Flora's envelopment in her parents' worlds of high art, luxury yachts and personal unfaithfulness. Through their actual letters, we share their youthful dreams and desires, and partake in the agony of their separation amid high-level political intrigue. We learn of their last night together, secluded on her father's yacht, and their hush-hush engagement. Quentin sails for France with a determination to prove his stuff in aerial combat against the Kaiser's air force, only to be foiled at first by military indecisiveness and, ironically, his own exceptional competence. When an unexpected chance to fly comes, Quentin's choice opens a deep schism among the Roosevelts, one that pits father against sons. Is Quentin a victim or a slacker? On the home front, Flora and an aging and embittered Theodore Roosevelt struggle to find a way through wartime red tape so she can go to France and marry Quentin before combat begins.

Wheat That Springeth Green Aug 15 2022 Wheat That Springeth Green, J. F. Powers's beautifully realized final work, is a comic foray into the commercialized wilderness of modern American life. Its hero, Joe Hackett, is a high school track star who sets out to be a saint. But seminary life and priestly apprenticeship soon damp his ardor, and by the time he has been given a parish of his own he has traded in his hair shirt for the consolations of baseball and beer. Meanwhile Joe's higher-ups are pressing for an increase in profits from the collection plate, suburban Inglenook's biggest business wants to launch its new line of missiles with a blessing, and not all that far away, in Vietnam, a war is going on. Joe wants to duck and cover, but in the end, almost in spite of himself, he is condemned to do something right. J. F. Powers was a virtuoso of the American language with a perfect ear for the telling cliché and an unflinching eye for the kitsch that clutters up our lives. This funny and very moving novel about the making and remaking of a priest is one of his finest achievements.
