A pregnancy pact between three teenaged girls puts their mothers' love to the ultimate test in this explosive new novel from Barbara Delinsky, "a first-rate storyteller who creates characters as familiar as your neighbors." (Boston Globe) When Susan Tate's seventeen-year-old daughter, Lily, announces she is pregnant, Susan is stunned. A single mother, she has struggled to do everything right. She sees the pregnancy as an unimaginable

tragedy for both Lily and herself. Then comes word of two more pregnancies among high school juniors who happen to be Lily's best friends-and the town turns to talk of a pact. As fingers start pointing, the most ardent criticism is directed at Susan. As principal of the high school, she has always been held up as a role model of hard work and core values. Now her detractors accuse her of being a lax mother, perhaps not worthy of the job of shepherding impressionable students. As Susan struggles with the implications of her daughter's pregnancy, her job, financial independence, and long-fought-for dreams are all at risk. The emotional ties between mothers and daughters are stretched to breaking in this emotionally wrenching story of love and forgiveness. Once again, Barbara Delinsky has given us a powerful novel, one that asks a central question: What does it take to be a good mother? Leslie can't seem to avoid trouble, whether it's at school or at home. Just as life seems at its lowest, Jason McCready, the exceedingly cool new guy at school, enters her life. Now Leslie is the envy of all the girls. But Jason's appearance is deceiving -he is determined to control every aspect of Leslie's life and he begins terrorizing her in unimaginable ways. When a substitute teacher

reads the private English-class journal in which Leslie reveals Jason's abuse, Leslie is suddenly forced into hard choices and terrifying action to take back her life. Laura Sobiech tells the amazing story of how God used her son's battle with cancer to touch the lives of millions. "Okay, Lord, you can have him. But if he must die, I want it to be for something big. I want someone's life to be changed forever." This is what Laura Sobiech prayed when she found out her seventeen-year-old son had only one year to live. With this desperate prayer, she released her son to God's will. At that point, Zach Sobiech was just another teenager battling cancer. When his mother told him to think about writing good-bye letters to family and friends, he decided instead to write songs. One of them, "Clouds," captured hearts and changed not one life but millions, making him an international sensation. But Zach's story is not just about music. It's a testament to what can happen when you live as if each day might be your last. It's a story about the human spirit. It's about how God used a dying boy from a small town in Minnesota to touch the hearts of millions—including top executives in the music industry, major music artists, news anchors, talk show hosts, actors, priests and pastors, and

school children across the globe. Zach once said, "I want to be known as the kid who went down fighting, and didn't really lose." Fly a Little Higher is about how God used Zach to do something big. In this wickedly funny and irreverent memoir, Chelsea Lately writer and comedian Sarah Colonna opens up about love, life, and pursuing her dreams . . . and then screwing it all up. Sarah believes we all struggle to grow up. Sometimes we want to have fun, not take things too seriously, and have that fourth margarita. Other times we would like to get married, stay in, order Chinese food, and have a responsible, secure life. From her formative years in small-town Arkansas to a later career of dates, drinks, and questionable day jobs, Colonna attempts to reconcile her responsible side with her fun-loving side. Sometimes this pans out, and sometimes she finds herself in Mexico handing out her phone number to anyone who calls her pretty. She moves to Los Angeles to pursue acting, but for years is forced to hone her bartending skills; she wants a serious boyfriend, but won't give up nights at the bar with her friends. She tries to behave like an adult, but can't seem to stop acting like a frat boy. In the end, she discovers that there doesn't have to be just one or the other. And if there's one thing Colonna has learned from her many missteps, it's that hindsight is always 100 proof. Includes a Foreword by Chelsea Handler When three best friends come together for their sorority sister's tony

wedding on New Year's Eve, they make a vow at the stroke of midnight to get married within one year. As the three women embark on their search to find their soul mates, they navigate the full-contact sport known as being a SSBFDLA (successful, single, black, female dating in L.A.) and negotiate the shark-infested waters of making a name for themselves in Hollywood. Can Trista, the hyper-driven celebrity agent, find the time to schedule a meaningful romance? Will Amaya, the sexy starlet, convince the married hip hop-label exec she has been seeing to leave his wife and slip a ring on her finger or will the NBA star steal her heart in the final seconds? After undergoing a complete makeover, will Vivian, the jaded gossip columnist, win back the father of her child? Set against the seductive backdrop of money, power, and sex, *The Vow* follows these women as they discover that their desire to find a husband isn't as important as finding themselves. *The Rainey's* offer an upbeat and practical manual for marriage to guide couples through the challenges they face as they start their lives together. Fans of Maggie Stiefvater's *Shiver* and Becca Fitzpatrick's *Hush* will relish this intense paranormal love story featuring Romeo and Juliet, literary history's most tragic couple, who meet again, not as true lovers, but truly as enemies. The most tragic love story in history . . . Juliet Capulet didn't take her own life. She was murdered by the person she trusted most, her

new husband, Romeo Montague, a sacrifice made to ensure his own immortality. But what Romeo didn't anticipate was that Juliet would be granted eternity, as well, and would become an agent for the Ambassadors of Light. For 700 years, she's fought Romeo for the souls of true lovers, struggling to preserve romantic love and the lives of the innocent. Until the day she meets someone she's forbidden to love, and Romeo, oh Romeo, will do everything in his power to destroy that love. "These violent delights have violent ends And in their triumph die, like fire and powder, Which as they kiss consume." —Romeo and Juliet by William Shakespeare Sensible, practical Elinor Tregarth really did plan to be the model poor relation when she moved into her aunt and uncle's house. She certainly never meant to kidnap her awful cousin Penelope's pet dragon. She never expected to fall in love with the shameless - but surprisingly sweet - fortune hunter who came to court Penelope, either. And she never dreamed that she would have to enter into an outrageous magical charade to save her younger sisters' futures. However, even the most brilliant scholars of 1817 England still haven't ferreted out all the lurking secrets of rediscovered dragonkind...and even the most sensible of heroines can still make a reckless wish or two when she's pushed. Now Elinor will have to find out just how rash and resourceful she can be when she sets aside all

common sense. Maybe, just maybe, she'll even be impractical enough to win her own true love and a happily ever after...with the unpredictable and dangerous "help" of the magical creature who has adopted her. A frothy Regency rom-com full of pet dragons and magical misadventures, *Scales and Sensibility* is a full-length novel and the first in a new series of standalone romantic comedies. Seventeen-year-old "Hank" has found himself at Penn Station in New York City with no memory of anything—who he is, where he came from, why he's running away. His only possession is a worn copy of *Walden* by Henry David Thoreau. And so he becomes Henry David—or "Hank"—and takes first to the streets, and then to the only destination he can think of—Walden Pond in Concord, Massachusetts. Cal Armistead's remarkable debut novel about a teen in search of himself. As Hank begins to piece together recollections from his past he realizes that the only way he can discover his present is to face up to the realities of his grievous memories. He must come to terms with the tragedy of his past to stop running and find his way home. Have you ever wondered who hummed the first tune? Was it the flowers? The waves or the moon? Dove Award-winning recording artist Ellie Holcomb answers with a lovely lyrical tale, one that reveals that God our Maker sang the first song, and He created us all with a song to sing. Women in ministry face needs that are often overlooked by the local church and consequently remain underdeveloped as they seek to lead and guide those in their care. The need to shape emotions to guard and fulfill God's purpose and the need to bond in order to build a community of authentic, lasting friendships are distinctively feminine and foundational to a successful ministry. As the founder of Inspire Women, Anita Carman is uniquely qualified to offer practical, biblical training and resources to support leaders, and those thinking about leading, on the front lines in our churches. *Transforming Leaders* covers the three primary emotions, loneliness, rejection, and fear; a leader must overcome to maximize her impact while providing a personalized curriculum to knit the hearts of those she serves. Under the Sabers is a groundbreaking narrative detailing the complex personal challenges Army wives face, presenting a provocative new look at Army life. Tanya Biank goes beyond the sound bites and photo ops of military life and shows what it is really like to be an Army wife—from hauling furniture off the rental truck by yourself at a new duty station when your husband is in the field, to comforting your son who wants his dad home from Afghanistan for his fifth birthday—she takes readers into the hearts and homes of today's military

wives. In the summer of 2002, Army wives were in the headlines after Biank, a military reporter for the Fayetteville Observer, made international news when she broke the story about four Army wives who were brutally murdered by their husbands in the span of six weeks at Fort Bragg, an Army post that is home to the Green Berets, Airborne paratroopers, and Delta Force commandos. By that autumn, Biank, an Army brat herself, realized the still untold story of Army wives lay in the ashes of that tragic and sensationalized summer. She knew the truth—wives were the backbone of the Army. They were strong—not helpless—and deserved more than the sugarcoating that often accompanied their stories in the media. Under the Sabers tells the story of four typical Army wives, who, in a flash, find themselves neck-deep in extraordinary circumstances that ultimately force them to redefine who they are as women and Army wives. In this fascinating and meticulously researched account, Biank takes the reader past the Army's gates, where everyone has a role to play, rules are followed, discipline is expected, perfection praised, and perception often overrides reality. Biank explores what happens when real life collides with Army convention. Biank describes what it means to be a wife and mother in a subculture that is in a constant state of readiness for war. In this hard-hitting and powerful book, Biank takes a close look at the other woman—the Army

itself—and its impact on wives, marriages, and home life. This story of strength and perseverance is an eye-opener for those who have never experienced military life and an anthem to those women who each day live the "unwritten code." Whether single, separated or someone's spouse, everyone wants to find and keep this elusive thing called love. Bestselling author and foremost relationship expert Barbara De Angelis teams up as a co-author of *Chicken Soup for the Couple's Soul*, a collection of heartwarming stories about how real people discovered true love with the person of their dreams. **NEW PROOFS FOR THE EXISTENCE OF GOD FROM THE VOICE OF A MILLENNIAL CHRISTIAN THEOLOGIAN.** Imagine a world in which gods did not conceal their existence from humankind but instead walked the earth until they were hunted to near-extinction. Only two remain, and here enters our central character, a celebrity of sorts, known only as the god-slayer. But as a self-described "swashbuckling philosopher," the god-slayer is not out for blood so much as knowledge. And then, of course, there is that dream. . . . *Fragments* takes its reader on a journey of questions, answers, and more questions. Through a series of dialogues between the god-slayer and the last of the remaining deities, the book explores the mystery of creation and the problem of human suffering before advancing four innovative proofs for the existence of God. For when the god-slayer

encounters a renowned deity called Romulus, the deity, in an effort to save himself, proposes that they consider an alternate reality in which the gods never revealed themselves to human beings and gave no direct evidence of their existence. In the mysterious final act, a heavy decision must be made, but not everything is as it seems. Elegantly written and packed with thought-provoking content on every page, *Fragments* offers readers a fresh take on timeless questions from the voice of a new, millennial-aged theologian. Recommended just as much for those who wish to strengthen their faith as those who seek to challenge it, *Fragments* is a one-of-a-kind work of Christian apologetics for the 21st century. At seventeen, Lech Blaine walked away unharmed from a car crash that killed three of his friends and left two in comas. On a May night in 2009, seven boys in Toowoomba, Queensland, piled into a car. They never arrived at their destination. The driver made a routine error, leading to a head-on collision. In the aftermath, rumours about speed and drink driving erupted. There was intense scrutiny from media and police. Lech used alcohol to numb his grief and social media to show stoicism, while secretly spiralling towards depression and disgrace. This is a riveting account of family, friendship, grief and love after tragedy. In a country where class and sport dominate, and car crashes compete with floods and pandemics for headlines,

our connection with others is what propels us on. Heartbreaking and darkly hilarious, *Car Crash* is a story for our times. 'Scarifying and unforgettable, *Car Crash* is a story of carnage and life-long consequences - not just from a single, sudden catastrophe but from the long, slow cataclysm of masculine confusion. A brave and unsettling account.' —Tim Winton 'A heart-soaring act of literary bravery where the ongoing cost of experience is exposed in every note-perfect sentence. This is a profound reflection on the deafening soul noise heard by a beautiful group of young friends fated to live the rest of their lives with the silence of the dead. Some books just have to be written. And some books just have to be read.' —Trent Dalton 'I began this book with my guts in my mouth. Then, as I read on, I winced with recognition, I laughed a lot and my heart gradually broke open. It's odd to talk about "talent" when a book covers such sensitive, sad subject matter, but the truth is that Blaine has it. There are strong sentences, clarity of intent and tone, wicked one-liners and a mastery of metaphor. This book is for everyone - it truly captures something of "modern Australia" in a tenderly told story of one young man's tumultuous coming-of-age.' —Bri Lee 'Car Crash is a clear-eyed, bruising and tender account of how the moments that thrust you into adulthood can take place in seconds. Lech Blaine's journalism has long made me suspect he's one of the best writers of his

generation. *Car Crash* confirms it, without a doubt.' —Ben Law First in an Amish romance series from the author of the *Promise Lodge* novels, "a heartwarming new voice for fans of Beverly Lewis" (Emma Miller, author of *An Amish Mystery* series). While there are an increasing number of books regarding psychic vampirism appearing in recent years, consumerate to the increase and popularity of left-hand path occult publishing,

many fall far short of the mark - whether the reason be the result of being written from a markedly neophyte perspective, elements of the vampiric being only a stylistic veneer or via an attempt to tame and direct a current of predatory spirituality that at its very core quintessence not only embraces all that which is corrupt, chaotic and unbound and but amplifies it a thousand fold. The Black Art of Vampirism possesses none of the mar of lesser volumes, neither is it a vehicle for another current that would dilute the profound amorality and transhumanism that genuine vampirism entails. Written by the leadership of the Tempel ov the Black Vampire slowly, intentfully and meticulously over the last ten years, this book presents the means and methods of vampiric, predatory spirituality unchained. Its pages extol and are immersed in the horrific intersection where real-world criminality and otherworldly, ghastly spiritual discipline conjoin - leading the reader on a bleak descent down the treacherous paths of abomination.
